

Delhi government has started implementing Mukhyamantri Street Light Yojana in the national capital from 30 December 2019. In this CM Street Light Scheme, the state govt. will install around 2.1 lakh street lights to light up dark spots. This scheme is a major step towards strengthening of women safety. The 3 DISCOMS will have the responsibility of installing these street lights and each Discom will install 70,000 street lights.

Just like installation of CCTV cameras in Delhi, the state govt. will follow the same process to install street lights. The street lights will even be put outside people houses under Mukhyamantri Street Light Yojana 2019 in Delhi.

The new scheme of installation of street lights by Delhi government will bypasses the role of the MCD. CM Street Light Scheme will provide solution to problems which people faces in dark stretches in the city.

Delhi CM Street Light Scheme 2019

The three Discoms of Delhi will have the responsibility for installation and maintenance of street lights. Under Delhi Mukhyamantri Street Light Yojana, the installation would be of 20 to 40 Watt LED lights. The tender process for Delhi CM Street Light Scheme 2019 will also include a warranty clause of 3 to 5 years. CM Street Light Yojana will have an investment of Rs. 100 crore for installation of street lights and Rs. 10 crore per annum subsequently.

The state govt. of Delhi is committed to ensure that not even a single dark spot is left in the state. All the lights installed under CM Street Light Scheme will be automatic and will even contain sensors. People would be able to submit their requests for street lights to their local MLAs. After placing requests, the permission of building owners will be taken.

(adsbygoogle=window.adsbygoogle||[]).push({});

Upon receiving permission, the street lights will get installed after the location of survey is passed by the power company. It is expected that the selection process for location of street lights will be completed before November 2019. The building owner's household connection will power the street lights.

The state govt. of Delhi will decide how much electricity is needed to run 1 light. The same electricity cost will be deducted from electricity bills of people as it is an automatic arrangement. Delhi CM Street Light Scheme will ensure that the entire state is covered with street lights. In unauthorized colonies and slum areas, there was lack of space and MCDs were refusing to give NOCs to setup street lights. To tackle this issue, the state govt. has launched Delhi Mukhyamantri Street Light Yojana.

Now with the launch of this CM Street Light Scheme, only the permission of MLA and building owner would be required. People can now get these lights installed outside their house, shop and street. Till date, there are around 7 lakh street lights in Delhi and now 2 lakh more street lights will be installed. Delhi Mukhyamantri Street Light Yojana is the first plan in the world in which tender of 30% of current street light capacity is being launched.

Delhi Mukhyamantri Awas Yojana 2020 List of Beneficiaries
Delhi Mukhyamantri Awas Yojana Certificates
Opposition on Delhi CM Housing Scheme for JJ Cluster Residents
Delhi Mukhyamantri Awas Yojana Background

Delhi government has started Mukhyamantri Awas Yojana (CM Housing Scheme) for residents of Jhuggi Jhopadi Clusters on 24 December 2019. The incumbent Aam Aadmi Party govt. led by CM Arvind Kejriwal assures to provide pucca houses to each and every household in Delhi CM Housing Scheme. The state govt. of National Capital of India has distributed certificates to 65,000 families living in slum clusters and these households will soon get pakka houses. People can now check their name in Delhi Mukhyamantri Awas Yojana List 2020 at delhishelterboard.in.

CM Kejriwal said that distributed certificates under Mukhyamantri Awas Yojana 2020 will ensure that Jhuggi Jhopadi are not going to be drowned or occupied in the future. Delhi CM alleges that the previous state govt's had not done anything for Jhuggi Jhopadi residents.

Delhi Urban Shelter Improvement Board (DUSIB) has been given the responsibility to make pucca houses for people residing in Jhuggi Jhopadi clusters.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Mukhyamantri Awas Yojana 2020 List of Beneficiaries

DUSIB Board had started a demand survey in June 2019 to create list of Mukhyamantri Awas Yojana 2020 beneficiaries in Delhi. The board has already identified & named 65,749 Jhuggi Jhopadi residents in Delhi Mukhyamantri Awas Yojana beneficiary list 2020. Check the complete list of beneficiaries at delhishelterboard.in. All the JJ cluster residents living in 156 slum clusters whose name appears in CM Housing Scheme list would be provided with pucca houses soon.

The new Mukhyamantri Awas Yojana in Delhi is a matter of pride, honour and happiness for JJ residents. While CM Kejriwal gave away certificates to few families at Mukhyamantri Awas Yojana launch function in South Delhi's Ambedkar Nagar, the rest would be distributed local MLA's and officials in next few days. The CM Housing Scheme certificate would ensure that slums would not be broken down and occupied by any govt. authority.

(adsbygoogle=window.adsbygoogle||[]).push({});

CM said that the survey work was still going on and those families which are left out of the CM Housing Scheme counting process would also be covered soon.

आज 65,000 झुग्गी परिवारों को सर्टिफिकेट दिया गया। बाक़ी सर्वे चल रहा है। झुग्गी के पड़ोस में पक्का मकान बनाकर दिया जाएगा और तब तक उनकी झुग्गी को तोड़ा नहीं जाएगा। दिल्ली के हर नागरिक के लिए इज्जत की जिंदगी मिल सके इसलिए हम हर प्रयास कर रहे हैं। pic.twitter.com/w9UeZmTAOM

— Arvind Kejriwal (@ArvindKejriwal) December 24, 2019

Delhi Mukhyamantri Awas Yojana Certificates

The information present in CM Awas Yojana certificates would serve as safety net for Jhuggi dwellers. This info. will ensure that their shanties are not demolished by any govt. agency in the grab of getting the land vacated. The Delhi Mukhyamantri Awas Yojana Certificates would contain the following information:-

Name of head of family
Family photograph
Code number
Survey code number by DUSIB

Voter Identity (ID) card number

These certificates will also ensure that Jhuggi jhopadi residents also get pucca houses of their own. No govt. agency will now demolish any jhuggi and once people get new houses, they can demolish their jhuggi themselves before moving to new houses.

Opposition on Delhi CM Housing Scheme for JJ Cluster Residents

Opposition alleges that distribution of Mukhyamantri Awas Yojana Certificates is a deliberate attempt to mislead and misguide innocent people just ahead of assembly elections in Delhi. Aam Aadmi Party promised in its 2015 manifesto to provide flats or plots to JJ cluster dwellers within or near their residencies. Today after 5 years of AAP govt in power, distribution of certificates is nothing more than piece of paper.

Though the state govt. had earlier planned to survey all 675 Jhuggi Jhopadi clusters, Delhi Development Authority recently wrote to DUSIB that it will carry out its own assessment of slums that have come out of land belonging to central government agencies.

Delhi CM Housing Scheme Jhuggi Jhopadi Residents

Delhi Mukhyamantri Awas Yojana Background

CM said that he understands the troubles faced by people in slum areas as he himself lived in slums for some time. He lived in jhuggi while working for an NGO. Deputy CM Manish Sisodia and CM Kejriwal used to get furious at govt. for being inconsiderate and merciless towards problems faced by JJ residents. Both of them decided to work towards constructing legitimate dwelling spaces for slum dwellers. He also slammed previous govt's for not working for welfare of slum dwellers and considering them only as vote bank.

The state govt. has already provided pucca houses to 5,000 families and all households are happy since they are getting all basic amenities. The CM Housing scheme certificates are surety of non destruction and non enroachment of slums and surety of getting pucca houses.

Delhi government has also issued their report card on quality education and free health services and termed their tenure as excellent.

दिल्ली की कैबिनेट ने मुफ्त वाई फाई योजना को दी मंजूरी, अब सार्वजनिक स्थानों पर सभी लोग कर सकेंगे फ्री वाई फाई सविधा का उपयोग, हर व्यक्ति को एक महीने में मिलेगा 15 जीबी इंटरनेट Delhi government is going to start Free Wi-Fi Scheme at public places in the national capital. It is going to be the largest Free Wifi project running anywhere in the world. The work on setting up 11,000 hotspots across Delhi is in progress. On 16 December 2019, around 100 hotspots will be inaugurated to mark official launching the Delhi government's free WiFi scheme. The state govt. will also start Delhi Free Wifi Scheme App download facility to connect to the wi-fi network. The state govt. of Delhi has fulfilled its commitment to provide free wi-fi services to people at public places. All the Delhiites will get free 15 GB data per month through a hotspot network across the city. This is one of the 70 promises made by the AAP party ahead of the 2015 assembly elections. The cabinet committee led by CM Arvind Kejriwal has also approved proposal to install an additional 1.4 lakh CCTV cameras across the city. The expenditure finance committee of Delhi government had approved both the projects on 9 August 2019.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Free Wifi Scheme App Download

Delhi govt. is working on a project to create more than 11,000 hotspots across the city. All the users within the radius of 50 metres are going to access internet absolutely free of cost. Each user will get 15 GB data monthly (1.5 GB / day) at a speed of 100 to 150 mbps with maximum 200 mbps under Delhi Free Wifi Scheme 2019. The state govt. will also launch Delhi Free Wifi App can be downloaded through which users can upload their KYC (know your customer) details. An OTP will be received to activate the Wi-Fi connection. At bus queue shelters, around 4,000 hotspots would be setup while the rest 7,000 will be installed in markets, residential colonies and other places with each constituency getting 100. The first 100 hotspots will be set up at Kashmere Gate Metro station and ISBT, ITO bus stand, Mandi House bus stand, Delhi Secretariat, Indraprastha Metro station, and Adarsh Nagar (18), Badali (19), Moti Nagar (10), Seemapuri (16) and Shahdara (18) Assembly constituencies. The switch over from one hotspot to other will be automatic.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Free Wi-Fi Scheme Implementation

After the inauguration of the first batch of 100 hotspots on December 16, 500 hotspots will be set up every week and in the next six months, all 11,000 hotspots will be in place, he said. Around 150 to 200 users would be able to access internet concurrently at each hotspot. The state govt. will learn from its experience of 1st phase of Free Wi-Fi Scheme and will create more hotspots (if necessary) in subsequent phases. Delhi Free Wifi Scheme 2019 is going to be run on OpEx (operating expense) service model. The complete capital investment in setting up the infrastructure would be made by the vendor. The state government will bear the operating cost of approx. Rs. 100 crore per annum. The Wi-Fi scheme is based on a rent model and the government will pay monthly rental for each hotspot to a company handling the project. In order to check the misuse of Free Wi-Fi facility, CM said that the state govt. will ensure that adequate safety measures will be taken. Although most mobile phone users have internet access on their phones, youths are still asking questions on when they will start getting free Wi-Fi facility. So, the govt. is working hard to speed up the project.

Delhi Free Wifi Scheme Public Places

The Wi-Fi hotspots are also going to be connected with the CCTV cameras being installed across the city. The response of general public regarding cameras is overwhelming positive. However, the BJP party has termed the announcement of providing free Wi-Fi and installation of additional CCTV cameras in 2nd phase as poll stunt.

Delhi CM Arvind Kejriwal launches Mukhyamantri Septic Tank Safai Yojana to help people in waste management and ensuring safety of sanitation workers. Delhi Jal Board (DJB) would deploy 80 trucks along with trained staff to ensure free cleaning and maintenance of septic tanks in unauthorized colonies. People depend on manual scavengers for cleaning of tanks which is an illegal act and now govt. will clean septic tanks for free.

Delhi CM Septic Tank Safai Yojana aims to extend big helping hand to millions of people living in unauthorized colonies where sewer lines are yet to be laid. The scheme will help in collecting waste from septic tanks of illegal colonies and ensure safe disposal of waste in sewage treatment plants.

This scheme will ensure safety of people as trained staff with all safety equipment would be used for work of septic tank cleaning.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi CM Septic Tank Safai Yojana 2019

There are around 45 lakh citizens living in authorised and unauthorised colonies of Delhi which do not have sewer pipelines and depend on septic tanks. The process to install sewage pipelines across all unauthorized colonies is going on and now it is important to ensure cleanliness of the septic tanks through safe means. So to achieve this objective, govt. has launched Mukhyamantri Septic Tank Safai Yojana 2019 in Delhi.

The state govt. plans to achieve 3 objectives with this scheme – collection of waste from septic tanks in colonies, ensure safe disposal of waste in sewage treatment plants and deployment of trained staff with safety equipment for cleaning septic tanks.

(adsbygoogle=window.adsbygoogle||[]).push({});

Need for Mukhyamantri Septic Tank Safai Yojana in Delhi

Delhi Jal Board is installing sewer pipelines everywhere and various colonies have already got sewer pipelines in past few years. But residents of colonies which do not have sewer pipelines are using septic tanks. Private agencies involved in maintenance and tank cleaning does not have valid licence to do so. These agencies carry cleaning activities in unauthorized and illegal manner and do not provide safety equipment to workers & put lives at risk.

The waste collected from septic tanks is disposed in drains across the city which causes groundwater contamination & water pollution. In order to tackle these issues, govt. has started Mukhyamantri Septic Tank Safai Yojana. The state govt. will clear tendering process for CM Septic Tank Safai Yojana within next month. Around 80 trucks would be procured by Delhi Jal Board. All the residents of colonies can call on phone number to clean septic tanks.

A truck will be sent to location and waste collected from tanks would be delivered to sewage treatment plants. Residents of Delhi can procure free of cost services in legal and authorized manner to ensure cleanliness in Delhi. Yamuna pollution would be reduced and this scheme will also result in minimizing deaths due to manual scavenging.

Out of 1797 unauthorized colonies, around 430 colonies have sewer pipelines and installation of sewer pipelines is in process for 400 colonies. The remaining colonies are equipped with septic tanks and work for installing sewer pipelines is still in progress.

Delhi government has announced Mukhyamantri Muft Sewer Connection Yojana on 18 November 2019. Under this scheme, govt. will provide free sewer connections to households in 787 colonies where sewer lines have been laid. All the residents who makes registration to apply for Delhi CM Free Sewer Connection Yojna before 31 March 2020 can avail free sewer connection.

This scheme is necessary as high cost involved in getting sewer connection discouraged over 2.3 lakh people mostly in unauthorized colonies from taking connection.

Delhi Mukhyamantri Muft Sewer Connection Yojana will help an average household save Rs. 15,000.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi CM Free Sewer Connection Yojana 2019

The state govt. of Delhi has invested in thousands of crores of rupees and laid thousands of kilometers of sewer lines across Delhi for 1st time. But despite laying of sewer lines, lakhs of families in city have not installed sewer connections as it includes high installation and development charges. The sewage from such houses are directly released to drains which end up polluting the Yamuna. So, CM Arvind Kejriwal has announced the Muft Sewer Connection Yojana. This scheme will help citizens in getting free sewer connections and will also clean Yamuna river. Delhi govt. has reduced development charges for sewer connections to Rs. 100 per sq.mt from Rs. 500 per sq.mt. But still the individual charges to install a sewer connection costs higher to a common person. Accordingly to provide relief to citizens who are not still connected with sewer lines, govt. has announced Delhi Free Sewer Connection Yojana.

(adsbygoogle=window.adsbygoogle||[]).push({});

Under free sewer connection scheme, all consumers who apply for new sewer connections before 31 March 2020 can avail various benefits. This includes waiver from any development charges, connection charges and also road cutting charges. Delhi govt. will bear all cost of infrastructure, installation and development charges of household sewer connections.

According to official data of Delhi Jal Board, around 2.34 lakh families does not have sewer connections in areas where sewer lines are present. Delhi Muft Sewer Connection Yojana will ensure sanitation in city and will prevent waste and garbage from being dumped into water drains and Yamuna. Budget of Free Sewer Connection Yojana 2019 will depend on the number of applicants that register themselves for installation of new sewer connections.

CM Arvind Kejriwal will personally write to all households which does not have sewer connections to apply for Free Sewer Connection Yojana. Mass awareness programme will be started in order to publicize this scheme. Muft Sewer Connection Yojana would result in savings for families. Houses with 25 sq.mt area can save upto Rs. 2500 while houses with 250 sq.mt area can save upto Rs. 20,000.

Central government is going to implement PM UDAY Scheme to legalize illegal colonies in Delhi. PM UDAY signifies Unauthorized Colonies in Delhi Awas Adhikar Yojna. Lt Governor Anil Baijal has directed Delhi govt. officers to firm up processes and mobilize adequate resources in a time-bound manner. This scheme aims to provide ownership rights to residents of unauthorised colonies in the National Capital of Delhi.

The state govt. will carry out a digital survey of unauthorized colonies. Moreover, the boundaries of these illegal colonies would be delineated to ensure smooth implementation of the PM-UDAY scheme in mission mode. Delhi govt's chief secretary and other officers met to confer ownership, transfer, mortgage rights to the residents of unauthorised colonies.

Lt governor has also laid emphasis on providing access to social infrastructure and basic civic amenities for the residents of these colonies.

(adsbygoogle=window.adsbygoogle||[]).push({});

PM UDAY Scheme to Legalize Illegal Colonies in Delhi

Delhi Lt. governor organized a meeting with CS, DDA officers, divisional commissioner & DMCs to implement PM-UDAY Scheme. In this PM Unauthorized Colonies in Delhi Awas Adhikar Yojna, govt. will legalize all the unauthorized colonies with definite boundaries. People living in these colonies would be conferred / recognised with ownership / transfer / mortgage rights. The central govt. will work in mission mode for successful implementation of PM-UDAY. Lt. Governor Anil Baijal has asked officers to take action for the following things:-

To declare concerned villages as urbanized

Preparation of development control norms to incentivize planned redevelopment

Identification of vacant land

Take measures for protection of land

Last month, Union Cabinet has approved a proposal to grant ownership rights to people living in 1,797 unauthorised colonies in Delhi. This PM UDAY Scheme to legalize illegal colonies is expected to benefit an estimated number of over 40 lakh residents of unauthorized colonies in Delhi. PM Modi said that Parliament will soon enact a law to grant ownership rights to residents of unauthorized colonies.

(adsbygoogle=window.adsbygoogle||[]).push({});

Unauthorized Colonies in Delhi Awas Adhikar Yojna Details

The 3 municipal corporations will have to approve urbanization of 81 villages for which corporations will soon start the process. The detailed procedure requires DDA to delineate the boundaries or clusters of unauthorized colonies. Then a local area plan is to be prepared and development of control norms for all illegal colonies. Afterwards, DDA has to make necessary amendments in Delhi Master Plan and urban building eye laws for Delhi.

As per official sources, maps of around 300 unauthorized would be put online. From 15 November 2019, DDA will invite suggestions and objections and by the end of Dec, DDA will accept applications from residents for these colonies. DDA will create a web portal and empanel agencies to fix geo-coordination of plots for purpose of notification. Field visits would be organized in order to physically verify the property. For this purpose, applicant has to book a time and date slot on web portal.

Applicants will have to make registration on designated DDA portal to confer ownership rights. This would be done by providing basic information and authentication of e-mail and mobile through OTP. DDA portal is going to display all information & documents needed to file an application.

After providing huge relief to Delhi citizens in electricity bills & water bills, CM Arvind Kejriwal has announced a new Power Subsidy Scheme for Tenants. Delhi government has announced Mukhyamantri Kirayedaar Bijli Meter Yojana. This scheme will benefit a large number of people who are residing in flats on rental basis or in houses in colonies on rent.

Under Delhi CM Kirayedaar Bijli Meter Yojana, govt. will install prepaid meters for tenants. These new meters would be setup only for domestic use at the rented accommodations. To avail the benefits of CM Power Subsidy Scheme for tenants, people will have to deposit Rs. 3,000 as security amount and Rs. 3,000 for line drawing.

These prepaid electricity meters will reduce the power bills of tenants as they have to pay more amount to the house owners.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Mukhyamantri Kirayedaar Bijli Meter Yojana

In Delhi, tenants were unable to get benefits of power subsidy as landlords used to ask more money from persons living on rent. Now the state govt. has started CM Kirayedaar Bijli Meter Yojana to provide benefits of power subsidy to tenants. Delhi govt. will install prepaid meters to enable people on rented accommodations to keep a check on their electricity bills.

Delhi people are getting 24*7 supply of electricity at lowest prices in the country. Previously, tenants had to take permission from house owners to install meters. Now people can install prepaid meters for themselves without any requirement for No Objection Certificate (NOC). To avail prepaid meters from companies, people can call on the following numbers – 19122 (BSES Yamuna), 19123 (BSES Rajdhani), 19124 (Tata).

(adsbygoogle=window.adsbygoogle||[]).push({});

Just like there is recharge for Dish TV, fees for prepaid meters will be required to be paid in advance. In case the total energy consumption is less than 200 units, then it is free i.e no amount would be charged from tenants. For electricity consumption b/w 200 to 400 units, the electricity bills would be reduced to half.

Delhi Chief Minister Arvind Kejriwal: Government has come up with a scheme for tenants 'Mukhyamantri Kirayedaar Bijli Meter Yojna' under which prepaid meters will be installed at rented accommodations, this is applicable for domestic use only. [pic.twitter.com/S5btM0rHtD](https://twitter.com/S5btM0rHtD)
ANI (@ANI) September 25, 2019

All the tenants will have to deposit security amount of Rs. 3,000 to install pre-paid meters. For this purpose, rent agreement or any slip of rent needs to be produced.

Delhi Development Authority has approved proposal to launch DDA Online Scheme for Commercial Properties. This online running scheme would be for 225 commercially built-up properties on first-come-first-serve basis. This decision is taken in an authority meeting of urban body held on 13 August 2019.

This DDA Online Scheme for 225 Commercial Properties would be based on the same lines of previous schemes launched by Housing Department for disposal of undisposed built-up units. Most of the units will be small shops which may be taken by small shopkeepers through online system.

All of these units are located in Rohini, Narela and East, West, South zones of DDA.

(adsbygoogle=window.adsbygoogle||[]).push({});

DDA Online Scheme for Commercial Properties

DDA new scheme for commercially built up properties would be operational until entire inventory is disposed of. The list of available shops with tentative size, location and tentative cost would be made available on dda.org.in website. All the desirous applicants can apply online and opt for specific units on FCFS basis. Once a person is selected for a specific unit online, then he / she is required to deposit token money of 10% of cost of unit within 30 minutes.

Till the expiry of 30 minutes, the selected unit would not be available for selection by other people. In DDA meeting, the authority even approved disposal of residential plots for group housing societies through e-auction mode. All the individuals, partnership firms, private & public limited, consortium which have sufficient funds to purchase land and develop project can be part of it.

(adsbygoogle=window.adsbygoogle||[]).push({});

All the developers would be required to develop group housing as per Master Plan of Delhi 2021. It has 15% of floor area ratio (FAR) for community service personnel and lower category housing. This economically weaker section (EWS) component would be over and above the permissible FAR.

The auction purchaser needs to complete EWS portion firstly and obtain occupancy certificate for this portion. This is to be done before getting occupancy certificate for remunerative portion. The developers must not handover possession of non-EWS flats to anyone before handing over EWS flats to DDA.

<https://economictimes.indiatimes.com/industry/energy/power/delhi-govt-announces-0-bill-for-power-consumption-up-to-200-units/articleshow/70478200.cms> Delhi government has decided to provide free electricity for those people consuming power upto 200 units per month. All those people who consumes between 200 to 400 units per month would be given 50% subsidy on electricity bills. This is to be done under Delhi Free Lifeline Electricity Scheme by providing additional funds to power sector.

CM Arvind Kejriwal announced that the state govt. will spend Rs. 1800 to 2200 crore per annum for the subsidy on electricity. In Delhi, there are around 4.9 million domestic power consumers and most of these people would be benefited. In this Electricity Bill Waiver Scheme, there would be zero power bills on consumption upto 200 units. This move of providing free electricity to Delhiites will cover at-least 33% consumers whose usage is less than 200 units in summer.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Free Lifeline Electricity Scheme

The state govt. of Delhi will provide free electricity to all those people whose per month consumption is less than 200 units. Till date, Delhi has the cheapest electricity in the country and this Free Lifeline Electricity Scheme will provide additional relief to Aam Aadmi in the city. Previously in 2012, CM Kejriwal had launched Bijli Satyagraha as an activist over the inflated bills received by a labourer.

Delhi govt. has taken this decision to provide free electricity one day after the Delhi Electricity Regulatory Commission (DERC) also reduced the burden on consumers. DERC has reduced fixed charges for most domestic connections by up to 84%.

(adsbygoogle=window.adsbygoogle||[]).push({});

DERC has kept the energy charges same for all categories, except for those who consume more than 1,200 units per month. Any family in Delhi which consumes more than 1200 units electricity in a month will now have to pay 25 paise extra per unit and will be charged Rs. 8 per unit. As per the statement “Those in Delhi who consume up to 200 units of electricity do not need to pay their electricity bills. They will get a zero electricity bill.”

Earlier, people used to pay Rs. 622 for 200 units electricity which is now free. For 250 units power per month, people used to pay Rs. 800 which will now get reduced to Rs. 252. For 300 units, people used to pay Rs 971 but now they will pay only Rs. 526. For 400 units, they used to pay Rs 1320, now they’ll pay Rs 1075.

Delhi Development Authority (DDA) is going to conduct a survey to prepare a database for homeless people in Delhi. In case the people does not have their own house, then people can make online application to get new house under PM Awas Yojana. All the homeless people will now get their new own houses under PMAY housing scheme. DDA will collect information through a survekshan under PMAY to count the number of homeless people in Delhi. This survey report would be prepared through online mode at the official website at dda.org.in. All the people who are not in possession of shelter of their own can apply online at this DDA website. There would be no offline application forms acceptable and people have to only apply through online mode.

(adsbygoogle=window.adsbygoogle||[]).push({});

DDA Survey to Prepare Database of Homeless People in Delhi

All the people who does not have their own home are going to be a part of the DDA Survey which will be conducted to prepare database of homeless people in Delhi. All the people who wants to be a part of the survey and wants to get their name included in the DDA homeless people list can apply online at dda.org.in. Online applications can be done at the self level or through Nagrik Sewa Kendra (Citizen Service Centers) organized by DDA. Any offline applications for DDA survey made at any office would not be acceptable. This portal will remain open from 1 August 2019 to 30 September 2019. In these 2 months, all the applications received in this survey would be considered for name inclusion in DDA database.

(adsbygoogle=window.adsbygoogle||[]).push({});

People living in JJ clusters are not eligible to make applications to get their name included in DDA database for homeless people. This DDA survey for homeless people is just for record but in future if any scheme is prepared to provide houses to poor, then people whose name is present in this list would be considered. As per the reports, DDA is going to conduct this survey on the orders of Ministry of Housing and Urban Affairs. This survey would not only help in identifying homeless persons but will also reduce fraud cases occuring in house disbursal in PMAY housing scheme. The central govt. may provide new houses to these people under PM Awas Yojana Urban.

दिल्ली सरकार उच्च शिक्षा और स्किल डेवलपमेंट के लिए छात्रों को 10 लाख रुपये तक का बिना गारंटी के लोन उपलब्ध कराएगी, सभी दिल्ली के निवासी छात्र होंगे उच्च शिक्षा और स्किल डेवलपमेंट गारंटी योजना के लाभार्थी, बैंकों को जारी किये निर्देशCM Arvind Kejriwal said that in the FY 2019-20, Delhi govt. will cover students under Higher Education and Skill Development Guarantee Scheme. All those students who aspires to enroll in prestigious professional courses and are not able to do so due to financial crisis would be benefited.

CM Kejriwal as well as deputy CM Manish Sisodia had met a high level delegation of 13 participating banks to review the progress of the scheme. The state govt. of Delhi wants to ensure inclusive and sustainable governance by providing loans for higher education.

All the students who are interested to avail the credit facility for studies would not be denied of it at any cost.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Students Credit Facility (Education Loan) Scheme

Students can now avail a collateral free loan of upto Rs. 10 lakh for higher education. Delhi govt. will act as guarantor to furnish the loan amount in case the applicant defaults. Delhi students who avail the credit facility gets 15 years to pay back the loan. The state govt. has created a corpus of Rs. 30 crore which is known as Higher Education and Skill Development Credit Guarantee Fund to provide appropriate guarantee. In FY 2019-20, govt. aims to cover Delhi students through this first-of-its-kind credit facility for deserving students.

After coming to power, the state govt. believes that education loan scheme for students is a necessity in the national capital. So, the Delhi govt. has started Higher Education and Skill Development Guarantee Scheme. In this scheme, students who wants to get admission in prestigious colleges or universities can take the benefits of credit facility or education loans.

(adsbygoogle=window.adsbygoogle||[]).push({});

There were many talented students in Delhi who were unable to pursue higher education courses due to financial crunch. As per a report, around 67% dwellers in Delhi consumes less than 200 units of power per month. So, it is evident that a significant population of Delhi is poor and requires government assistance. Delhi govt. education loan scheme for higher studies is aimed at masses who aspires and qualify to enroll in prestigious professional courses.

Delhi Student Credit Facility Scheme will ensure that eligible candidates get loans from the banks to pursue higher education and skill development programmes. The state govt. has instructed participating banks to cascade the details of the loan scheme to every single branch and employee for enhanced support and disbursal. Moreover, all the prominent displays would be put at each branch premises in Delhi in order to raise awareness about the facility.

More than 4,25,000 students from total 5 lakh students studying in Delhi colleges are residents of the national capital. Banks would provide full coverage to substantial student base to provide them assistance in all forms to pursue higher education.

दिल्ली सरकार ने समाज कल्याण विभाग के प्रस्ताव को मंजूरी देते हुए व्यावसायिक प्रशिक्षण योजना के अंतर्गत वार्षिक पारिवारिक आय की सीमा को 1 लाख रुपये से 3 लाख रुपये किया। Delhi govt. has increased the annual family income criteria for vocational training scheme. Delhi cabinet has approved the proposal of Social Welfare Department (SWD) to enhance the annual family income criteria by Rs. 2 lakh under Vocational Training Scheme. VTS yojana aims to impart training to scheduled caste (SC), scheduled tribes (ST), other backward classes (OBC), minorities and physically handicapped persons.

The cabinet committee of Delhi approves SWDs proposal for enhancement in annual family income criteria from Rs. 1 lakh to Rs. 3 lakh. SC / ST / OBC / Minority Vocational Training scheme is implemented by the DSFDC corporation.

As per the latest Delhi govt., highest minimum wages is Rs. 17,916 per month or Rs. 1,14,992 per annum. So, the higher cost of living in Delhi is considered as a reason behind this raising of Family Income Criteria.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi SC / ST / OBC / Minority Vocational Training Scheme

The DSFDC corporation was not able to sponsor sufficient number of students to these 2 training institutes due to lower family income criteria. The committee setup by the govt. for SC / ST / OBC / Minority Vocational Training Scheme suggested that annual family income should be raised from existing Rs. 1 lakh to Rs. 5 lakh. But the cabinet has raised the annual family income limit from Rs. 1 lakh to Rs. 3 lakh.

The DSFDC corporation is implementing Vocational Training Scheme to impart job oriented vocational courses. People belonging to target groups like SC / ST / OBC / Minority get this vocational training to develop their skills and knowledge in a particular trade. This makes them self reliant for wage employment as well as self employment.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi govt. is providing funds as grant-in-aid for implementation of Vocational Training Scheme. The state govt. is providing training through 2 govt. institutes – Apparel Textiles Design Center (ATDC) and National Small Industries Corporation (NSIC). Both these institutes are under Ministry of Textiles and Ministry of Small and Medium Enterprises respectively.

In order to avail the benefits of SC / ST / OBC / Minority Vocational Training Scheme, the applicant must be a resident of Delhi. The age of the candidate must lie between 18 to 40 years. All the candidates are selected for Vocational Training Scheme on the basis of scrutiny of documents and interview.

दिल्ली सरकार मुफ्त मेट्रो / बस यात्रा स्कीम 2019 की शुरुआत करेगी, अब महिलाएं के लिए डीटीसी की बसों, सार्वजनिक परिवहन और मेट्रो में सफर करना होगा निःशुल्क Delhi government has announced Free Metro / Bus Ride Scheme to ensure safe travel experience for women. After the implementation of scheme, any women in Delhi can avail free fare in any metro, DTC buses or cluster buses running under the state government. All the expenses of free ride scheme would be borne by the Delhi government as announced by CM Arvind Kejriwal at a press conference.

The Free Bus / Metro Ride Scheme in Delhi would be optional and subsidy would not be imposed on anyone. Several women in Delhi are capable of purchasing tickets for public transport. Those women who can afford to purchase tickets needn't take any subsidy.

The state govt. of NCT of Delhi would encourage those women to buy tickets and not take subsidy so that others could benefit.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Free Metro / Bus Ride Scheme 2019

Now on all DTC buses, cluster buses and metro trains, women would be allowed to travel free of cost so that they have safe travel experience. Delhi Free Bus / Metro Ride Scheme will enable women to access public transport which they were not able to due to high prices. This scheme is till date a proposal and has not launched yet. CM has given 1 week time to the govt. officials to make a detailed proposal to both DTC and Delhi Metro on how and when it could be implemented.

Delhi govt. is planning to start this Free Metro / Bus Ride Scheme 2019 within 2 to 3 months. The state govt. is seeking suggestions from people regarding its implementation. Delhi govt. officials is already holding meetings to discuss various aspects of fare waiver to women in public transport buses run by DTC, DIMTS and Delhi Metro.

(adsbygoogle=window.adsbygoogle||[]).push({});

Central Govt. Role in Delhi Free Bus / Metro Ride Scheme

CM Arvind Kejriwal has put allegations on central govt. that center does not want this Free Metro / Bus Ride Scheme in Delhi is implemented. Initially, Delhi govt. told center not to increase prices of tickets while central govt. didn't agree. Then state govt. told that it has 50:50 partnership in Delhi Metro and has asked central govt. to give 50-50 subsidy on raised prices, center didn't agree.

The state govt. of Delhi is going to bear the fare of free bus, metro ride scheme and it does not require any approval from the state government. The proposal to make Delhi Metro and DTC / Cluster bus rides free was made on 2 June 2019 to encourage women to use public transport.

The state govt. is not going to face any problems in implementation of free travel in DTC and Cluster buses run by DIMTS. However, it would be challenging to implement this fare scheme in Metro trains as central and Delhi govt. are 50:50 equity partners in DMRC.

Delhi govt. has decided to launch Connect Delhi Scheme 2019 Phase 1 to improve transport services in the city. Connect Delhi initiative promises a reliable public transport facility within 500 metres at every neighborhood and village in Delhi. The phase 1 of the pilot project would soon be implemented in Najafgarh where residents would be able to avail transport facilities at 15 minutes interval.

The state govt. of Delhi has made a study of the existing bus routes and feeder services. Low accessibility, high waiting time and overcrowding are some of the issues faced by the bus services in the city.

To improve public transport system in the national capital, the Delhi govt. has launched the first phase of the Connect Delhi Scheme. This scheme is going to work through route rationalization system.

(adsbygoogle=window.adsbygoogle||[]).push({});

Connect Delhi Scheme 2019 (Phase 1) Launch

Rationalisation of bus routes and feeder services is a crucial aspect and the Connect Delhi Scheme will rationalize bus and feeder services through optimum use of resources. This scheme is going to improve accessibility, connectivity and efficiency of the overall public transport system in the city. This initiative is a part of the route rationalization study being carried out by the Delhi Integrated Multi Modal Transit System. DIMTS is making study of existing bus routes and feeder services routes and parallel services of same route are being identified in terms of trips and route length. A detailed study is being carried out by DIMTS to understand the existing conditions and issues of bus services in Delhi. There would a scientific analysis of not only the bus routes but also RTVs, Grameen Sewa and feeder buses. In initial study report, it was found that several issues such as low accessibility, high waiting time, overcrowding and overlapping routes with other feeder services and lack of service hierarchy affected the transport system in Delhi.

(adsbygoogle=window.adsbygoogle||[]).push({});

So, govt. has decided to launch Connect Delhi Scheme 2019 which aims at providing reliable transport facility within 500 metres walking distance. This Phase 1 would be implemented in the area of Najafgarh which would reduce waiting time. The proposed plan does not have the intend to remove any of the existing bus service routes rather it aims at their improvement.

Transport Facilities & Route Identification â€“ Connect Delhi Program

As a part of the Connect Delhi Project, the state govt. has already identified 17 bus routes in Najafgarh area. These routes includes 3 trunk routes namely 817 (Kair Village-Inderlok), 817N (Najafgarh-Mori Gate) and 764 (Najafgarh-Nehru Place). Here buses would remain available every 5 to 10 minutes. In order to maintain the frequency, around 70 buses have been deployed on these routes.

Apart from these trunk routes, the govt. has identified 8 more primary routes, where bus facility would be available at every 10 to 20 minutes interval. Along with these routes, there are another 6 feeder routes which will run every 20 to 45 minutes.

The state govt. authorities are planning to introduce a different colour scheme for separate routes for easy identification. Delhi govt. is also going to roll-out 1,000 standard floor buses within 2 months and there is a requirement of another 2,500 smaller buses which can pass through narrow lanes and roads. Delhi govt. is planning to procure these additional small buses through Delhi Transport Corporation (DTC) or cluster scheme.

Delhi government is going to provide Rs. 1,000 per year to each student in Class XI and XII in state govt. run schools. In addition, govt. will provide Rs. 5,000 to each government college students as seed money under its Entrepreneurship Curriculum. This new move of the government will tackle the problem of unemployment by teaching entrepreneurship to students.

This new scheme of Delhi govt. will enable students to get knowledge about leadership skills and will turn them into entrepreneurs. The main focus is to make students job creators rather than job seekers.

Education Minister Manish Sisodia has given information about this decision on 13 February 2019.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Entrepreneurship Curriculum 2019

The new move of the Delhi govt. to provide Rs. 5,000 per year to government college students will encourage students to start business ventures. In order to turn them into entrepreneurs, students would be taught to take risk in business. If only 1% of government school / college students goes on to become entrepreneurs, then India will surely become a superpower. Previously, the state government had introduced happiness curriculum which is often praised by the foreign delegates.

The Delhi Entrepreneurship Curriculum is also going to have the same impact. Ironically, the state govt. is providing degree to students but whenever there is a clerk job, hundreds of PhD scholarship makes online registrations and apply for that jobs. This situation arises only due to the lack of knowledge and the students are unable to figure out what is best suitable for them.

(adsbygoogle=window.adsbygoogle||[]).push({});

The entire country is suffering from the lack of employment opportunities and with each passing day, the number of job seekers are increasing rather than job creators. All the school children wants to get jobs rather than becoming employment generators. This thought process can be solved by the new Delhi Entrepreneurship Curriculum. Delhi govt. is consistently working hard to create more employment opportunities which is the true patriotism. This new entrepreneurship curriculum will help children let their fear go and do something creative in order to eventually create jobs for thousands of people.

The state govt. is going to allocate upto Rs. 50 crore in the budget in the next financial year in order to enable students to get seed money to generate new ideas of business plan. Any entrepreneur is the person who believes in themselves and has ability to gather resources and solve problems.

The new Entrepreneurship Curriculum is not going to focus on any business or job oriented skill. However, this curriculum will equip learners with a mindset to help choose any profession they want to get in.

Delhi govt. has extended the scope of Doorstep Delivery Scheme (Phase 2) for delivery of public services at home to the citizens. Apart from the already existing 40 services, govt. will add 35 more government services in the second phase of doorstep delivery of services (Sarkar Aapke Dwaar) in Delhi. People can now simply call 1076, register their details and mobile sahayaks would come at their home to provide benefits of these total 75 services.

Since the roll-out of Doorstep Delivery of Services across Delhi in January 2018, citizens have been seeking to avail public services in large numbers. Delhi govt. announces its decision to add another 35 facilities to the Doorstep Delivery Scheme by the end of this month.

The list of new services which are going to be added to the doorstep delivery of services scheme was drawn up after consultations between the state govt. and the concerned departments.

(adsbygoogle=window.adsbygoogle||[]).push({});

Doorstep Delivery Scheme Delhi Phase 2

Services of Delhi Transport Corporation, Delhi State Industrial and Infrastructure Development Corporation, Delhi Tourism and Higher education have been included in the Doorstep Delivery Scheme Phase 2. Labour, social welfare and food & civil supplies departments have also been brought under doorstep delivery of services. In this second phase, govt. will add 35 new govt. services.

After making a call to 1076 helpline number, the call centre will take down the relevant details and inform you about the documents required as well as the applicable payment. After the confirmation of appointment, govt. will send a facilitator (mobile sahayak) to the pre-decided location either at home or at office who will reach the caller's residence at a pre determined time. Facilitator would carry a tablet with himself and would just charge a nominal fees of Rs. 50 for providing doorstep delivery of services.

(adsbygoogle=window.adsbygoogle||[]).push({});

After the starting of second phase of the Delhi Doorstep Delivery of Services Scheme, citizens would be able to avail services such as:-

New Services to be Added

Payment of motor vehicle tax.

Apply for Seasonal Bus Pass.

Addition of new members / change of residential address in Ration Card.

Addition of new class of vehicle to driving licence.

Bread & Breakfast Scheme registration.

Book religious tour packages.

Fresh / Renewal of Pharmacy Licence.

Seeking income linked financial assistance from higher education department.

In case the facilitators faces any technical issue in filling up the form during the ongoing training, then some of the services might be dropped from the list. Call Center in Delhi receives around 2,000 calls per day and around 1,000 appointments are booked on daily basis. The state govt. has already increased the number of mobile sahayaks and phone lines at the call centre.

Delhi govt. has decided to bring a proposal to revive the old pension scheme in the day long special session of Delhi Assembly held on 27 November 2018. CM said that a resolution to restore the old pension scheme will be passed in a special session of the Legislative Assembly and then it would be sent to Centre for approval. Mukhyamantri will also write a letter to his counterparts in other states like West Bengal, Kerala, Andhra Pradesh & Karnataka to follow suit. CM will fight with the central government to get it implemented across the country. If MPs, MLAs of our country who works for 40 days gets pension for lifetime, then why not the employees who works for 40 precious years of their life gets the pension.

The pension is the right of each and every employee and the govt. will ensure that employees gets the pension.

(adsbygoogle=window.adsbygoogle||[]).push({});

Revival of Old Pension Scheme for Government Employees in Delhi

The employees forms a very important part of the government and have the power to even change the government of the country. Delhi CM slammed the new pension scheme as betrayal and cheating with the government employees. He wants that the Old Pension Scheme needs to be restored and so this decision will be passed in the special session of Delhi legislative assembly. Central govt. cannot accomplish the task of nation building by disappointing the govt. employees.

Delhi govt. has performed well in the areas of education, health, power and water supply due to consistent cooperation and support of its employees. The new pension scheme was introduced by the central government in FY 2004. Under the New Pension Scheme, employees contribute towards pension from their monthly salary and the same amount of contribution is made by the employer. Pension fund managers then invests the funds in the earmarked investment schemes.

(adsbygoogle=window.adsbygoogle||[]).push({});

CM said that it was destiny as the Constitution Day is celebrated on 26 November 1949 and on the similar day, AAP was formed in 2012. Mukhyamantri of Delhi accuses PM Modi of creating hurdles in his work and in the functioning of Delhi government. So, CM would fight with the central government to implement the Old Pension Scheme which is a long term demand of the employees.

Step 4: Then select your vehicle type as two or three wheelers or four wheelers or commercial vehicles.

Book My HSRP Vehicle Type

Step 5: Next select Vehicle Make for your vehicle such as Scooter, Motorcycle, Auto Rikshaw, 4 wheeler or other with the name of the company who manufactures that vehicle.

Step 6: Now select the name of the State as either Uttar Pradesh or Delhi as both of these states have already started HSRP registration process.

Step 7: Next applicants will have to select their nearest location or dealer from where you want to affix your HSRP.

Step 8: Then applicants will have to fill vehicle information as a part of the Booking / Appointment Details as shown here:-

Delhi HSRP Booking / Appointment Details

Step 9: Applicants will have to enter their registration number, date, chassis number, engine no, e-mail ID, mobile number, vehicle type and click at "Next" button. Then verify the OTP sent on your registered mobile number. Select date and time slot.

Step 10: Finally, applicants can make payment through online mode. People can enter GST number if GST is registered. Your order will be confirmed through SMS and E-Mail.

To get a counterfeit number plate from a roadside shop which looks similar to high-security registration plate might appears an easy way out in comparison to queue up at an authorized center. But now these local

duplicate number plates can lead you to prosecution and punishment.

So, citizens can apply online for high security number plate in Delhi. This process has been made online in order to avoid overcrowding at the HSRP Delhi center and to ensure that vehicle owners have a hassle free experience.

Delhi Mukhyamantri Solar Power Scheme (MSPS) Compensation Policy for Martyrs Family Support to NGOs

Delhi cabinet has approved Mukhyamantri Solar Power Scheme (MSPS) to promote rooftop solar systems by providing subsidy and generation-based incentive (GBI) to domestic consumers. Under this revised rooftop solar scheme in Delhi, all residents who install rooftop solar panels will get subsidy on their electricity bills and GBI of Rs. 2 per unit for a duration of five years.

Under the Renewable Energy Service Company [RESCO] model, domestic consumers need not spend any money from their pocket to install solar panels but it will be done by the selected service providers. Also the disbursement of GBI will now be on half-yearly basis instead of annually by discoms. The state government will pay the distribution companies in the form of compensation for the GBI disbursed.

Under Mukhyamantri Solar Power scheme (MSPS), all the group housing societies do not have to bear the installation costs as it would be borne by the company. All the housing societies would now get a subsidy of Rs. 2 per unit from the state govt. meaning that cost of power would now be Rs. 1 per unit as the total cost initially would be Rs. 3 per unit.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Mukhyamantri Solar Power Scheme (MSPS)

Under this revised rooftop solar power scheme in Delhi, the state govt. will provide GBI of Rs. 2 per unit and subsidy on electricity bills. Service providers will pay the amount for installation of solar panels on the houses of domestic residents under RESCO model.

The cost of power to consumers could reduce further and may even become zero if housing society has more space to offer the company to install panels. This subsidy amount would even apply to rooftop solar systems installed on individual homes as well under Mukhyamantri Solar Power Scheme (MSPS). However in such cases, the initial cost of the installation needs to be borne by the home owner or the company as per their agreement.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi government is already running the rooftop solar subsidy scheme for the past 3 years but this time a payment security aspect has been introduced for vendors. If any consumer defaults on the electricity bill, then the subsidy would be paid by the govt. directly to the companies.

Delhi Revised Rooftop Solar Scheme

Till date, the solar power capacity of around 100 megawatts (MW) had been installed in Delhi. Out of this power, around 5MW of power is in the domestic sector with 8 to 10 group housing societies and some individual consumers. Out of the total allocated budget of Rs. 10 crore in 2016-17 and Rs. 20 crore in 2017-18, only Rs. 2.84 lakh in 2016-17 and Rs. 50 lakh in 2017-18 has been disbursed.

Compensation Policy for Martyrs Family

Cabinet committee has also approved the proposal of revenue department to extend the scheme for grant of compensation to families of martyrs. Previously, Rs. 1 crore compensation was given to families of armed forces, Delhi police and paramilitary forces martyrs who were Delhi residents or had died in operation in Delhi. Now this scheme would also cover families who are residents of Delhi for the past 5 years even in case their service record specifies that they belong to some other state.

This amendment was essential after the latest incident of brutal murder of head constable Narendra Kumar of BSF at international border b/w India and Pakistan. The family of Narendra Kumar was residing in Delhi for many years though their permanent address is of Haryana state.

Support to NGOs

Cabinet committee has also approved scheme to offer monetary aid to NGOs to mark the death / birth anniversaries of

Dr. B.R. Ambedkar, Sant Ravidas and Maharishi Balmiki. For this, a sum of Rs. 50,000 would be given for each such event.

Delhi government announces to start online process for making applications for driving licences (DL) and registration certificates (RC) from 1 October 2018. This would ensure smaller queues at regional transport offices (RTO) and turn them into e-RTOs. Now citizens would be able to apply online for driving Licence / RC in Delhi in a transparent and hassle free manner. Here we are providing you the complete information about DL registration process and related details.

From 1 October, the entire licensing process would be online to ensure that crowds in RTOs can be kept as low as possible. In the current scenario, RTOs across the country accept applications manually despite possessing centralized software built by the central government.

Delhi will become the 1st state in the country where all RTOs will be accessible through online application services. This shift in legislation will bring in a new generation of govt. services from RTOs.

(adsbygoogle=window.adsbygoogle||[]).push({});

Apply Online for Driving Licence / RC in Delhi from 1 October

All 13 licensing offices of Delhi will be declared as e-RTOs from 1 October 2018. Around 11 transport related services will be made online including obtaining a learner's licence or permanent driving licence or getting registration certificate. For these services, citizens need to apply online at the official website of transport department. There will be no acceptance for paper and manual applications of these services.

This move will help in curbing the evil of corruption in govt. offices as the need for middlemen will get eliminated. Moreover, payment for these services will be made as only electronic transaction and there will be no transactions in cash. In addition to this, the application forms of these services would also be available at home under Doorstep Delivery Scheme. In this scheme, department runners will also pick up required documentation from home with additional charges of Rs. 50.

(adsbygoogle=window.adsbygoogle||[]).push({});

All the applicants of driving licenses will get a choice to select 2 hourly slots for their bio-metric collection and driving tests. Citizens who are looking for registration related services will be able to do walk in after filling forms online. The application status of driving licences can also be tracked online.

Till date, there are 2 functional e-RTOs which are working on pilot basis in Vasant Vihar and Janakpuri. The state govt. will also start an awareness program to create mass awareness about this initiative. An awareness program is also likely to follow. Delhi govt. has approved the proposal of Dept. of Social Welfare to raise the financial assistance to leprosy patients from Rs. 1800 to Rs. 3000 per month. Now each leprosy affected patient will get monthly assistance of Rs. 3,000 under Rehabilitation Centre for Leprosy affected persons (RCL) scheme. Cabinet Committee has taken this decision in a meeting chaired by CM Arvind Kejriwal on 18 September 2018.

Under RCL Scheme, all leprosy affected persons who resides in Delhi before 1981 (later ammended to 1993) were given dry ration, clothing, bedding, medicines etc. Later the scheme was modified in 1989 and cash amount of Rs. 300 was given as maintenance allowance to people as an alternative of dry ration, clothing, bedding and medicines.

From 1 July 2009, assistance was increased to Rs. 1800 per month. Currently, there are 562 beneficiaries who are paid Rs. 1800 per month.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi RCL Scheme – Financial Assistance to Leprosy Patients Hiked

Cabinet Committee of Delhi approves proposal to enhance financial assistance to leprosy-affected persons to Rs. 3,000 per month. Under Rehabilitation Centre for Leprosy affected persons (RCL) Scheme, people will now get Rs. 3000 as monthly assistance to get dry ration, clothing, bedding, medicines etc.

Leprosy (Hansen’s disease) is a chronic infectious disease caused by Mycobacterium leprae. This disease mainly affects the skin, peripheral nerves, mucosal surfaces of upper respiratory tract and eyes. Leprosy occurs at all ages ranging from early infancy to old age.

(adsbygoogle=window.adsbygoogle||[]).push({});

This disease is curable and early treatment reduces most disabilities. So, to ensure proper medication, clothing and nutrition supply, govt. will now provide Rs. 3000 p.m to leprosy affected persons.

Delhi Cabinet has also approved the revision in financial assistance to resident welfare associations (RWAs) and NGOs. Now all RWAs and NGOs will get Rs. 2 lakh per acre (earlier 1 lakh per acre) for maintenance and development of parks which are registered with Delhi Parks and Gardens Society (DPGS). DPGS will make contribution of 90% of financial assistance at rate of Rs. 2 lakh / acre and balance 10% will be borne by the concerned RWAs.

Delhi Development Authority has approved Land Pooling Policy and 17 lakh new affordable houses will be built in Delhi. New DDA Land Pooling Policy was cleared on 7 September 2018 in the DDA Authority's Board Meeting chaired by Lt. Governor Anil Baijal. This policy will boost affordable housing, trigger economic development and generate 1 lakh jobs in Delhi.

Now this DDA Land Pooling Policy is being sent to the Ministry of Housing and Urban Affairs (MoHUA) for final approval. Policy covers urbanizable areas of urban extensions in 95 villages. As per the policy provisions, DDA will act as the facilitator / planner and process of pooling and development will be carried out by developer and consortiums. Here any individual, developer entity or consortium with min 2 hectares of land can take up development. Around 76 lakh people will be accommodated in these new flats.

(adsbygoogle=window.adsbygoogle||[]).push({});

DDA Land Pooling Policy Approved to Build 17 Lakh Houses in Delhi

All the land owners having land of any size can participate under the DDA Land Pooling Policy. Minimum area of land to be taken up for development will be 2 hectares. As per Zonal Development Plan, Developer Entity (DE) / individual can participate in land pooling scheme by pooling land parcels covered under a sector. To ensure "Ease of Doing Business", Single Window System is being created to implement DDA policy and for 2 stage grievance redressal. To develop infrastructure, DDA will follow Integrated Sector based planning approach. Any sector will become eligible for development when more than 70% of land of developable area within a sector is assembled. DDA has reduced Floor Area Ratio (FAR) from 400 to 200 keeping in mind the availability of water, land requirement for physical / social infrastructure and its impact on environment.

(adsbygoogle=window.adsbygoogle||[]).push({});

To boost affordable and inclusive housing, 15% FAR over and above permissible FAR is allowed for EWS category people. For economically weaker sections (EWS), 5 lakh dwelling units are expected to be created. Earlier differential land return was to be carried out in 2 categories, which has now been replaced with uniform division of 60:40 basis to benefit small land holders / farmers.

For developmental purpose, DDA introduces provision to achieve vertical mix of uses (residential, commercial, PSP) at building level. Various developmental controls are introduced to regulate building & infrastructure development. Various service providing agencies will develop roads, water supply, electricity, social infrastructure within 40% of land area in a time bound manner.

Developer will work to develop land under residential, commercial and public & semi-public facilities. All new developments under land pooling policy will follow compulsory green building norms in accordance with MPD and building bye-laws. Usage of dual pipeline, maximum usage of recycled water for non-potable purposes, rain water conservation and zero waste technology. It is also proposed that minimum 10% energy consumption shall be through solar power or other renewable sources.

Delhi govt. is going to launch its own healthcare scheme named Mukhyamantri Aam Aadmi Swasthya Bima Yojana – Ayushman Bharat (MAASBY – AB). Under this scheme, all the people can avail health protection of upto Rs. 5 lakh for secondary and tertiary hospitalization. In Delhi, Pradhan Mantri Jan Arogya Yojana (PMJAY) which is a flagship Health Insurance Scheme of Modi govt. will be implemented with this name. Mukhyamantri Aam Aadmi Swasthya Bima Yojana – Ayushman Bharat (MAASBY – AB) will cover around 2 crore people in Delhi. Previously, the state govt. has denied to implement Centre's Ayushman Bhaat Scheme. The reason for denial was that it is covering only those 20 million people whose name appears in the SECC 2011 Data but the state govt. wants 50 million more people to be included in it. Latest Update – Check PM Jan Arogya Yojana List of Hospitals in Delhi to find Ayushman Bharat empanelled hospitals.

(adsbygoogle=window.adsbygoogle||[]).push({});

Now the state govt. is making assessment to launch its own healthcare scheme for citizens of Delhi. Delhi Mukhyamantri Aam Aadmi Swasthya Bima Yojana – Ayushman Bharat
Delhi govt. wants to implement Ayushman Bharat Yojana under its own banner. MAASBY Scheme will enable every poor citizen in Delhi to avail cashless and paperless treatment for major health diseases at pre-defined package rates. This treatment of upto Rs. 5 lakh would be given at every government and private empanelled hospitals (Health & Wellness Center).

(adsbygoogle=window.adsbygoogle||[]).push({});

Central govt. wants to implement this Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) in all states. Under AB-PMJAY, there is no restriction on family size, age or gender. No money needs to be paid by the family for treatment in case of hospitalization. People only need to carry any prescribed ID to receive treatment at the hospital.

Earlier, Delhi was the first state to refuse to implement this PMJAY Scheme along with Odisha. According to the state govt, the total number of beneficiaries covered were not enough and it wanted to add more no of beneficiaries to it.

Opposition says that it was a political move of the Aam Aadmi Party (AAP) government. This is just to derail the implementation of Mega Health Insurance Scheme for poor people. Just 3 weeks are left to implement the Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana and there is 1 week left to start process to send Quick Response Code. PM Narendra Modi has made a budgetary provision of Rs. 10,000 crore for the scheme.

AB-PMJAY Scheme is scheduled to roll out from 25 September 2018. Ayushman Bharat Yojana is the biggest universal healthcare scheme not only in India but worldwide too. The insurance scheme will provide poor people cashless insurance protection of Rs. 5 lakh per year. AB-NHPM Scheme is aimed at including 50 crore Indian.

Delhi government has issued warning of losing recognition to schools and strict disciplinary action against principals if guidelines for safety of children in schools are not met properly. DoE has issued New Delhi School Students Safety Rules to ensure that safety work is carried out as per schedule. Quarterly reports will be sent to directorate on a regular basis.

Director of Education Sanjay Goel has issued orders to various private and government institutions for their half-hearted compliance to DoE and HC orders. These Delhi School Students Safety Rules [New] are issued to tackle the rising number of incidents of physical, emotional and sexual assaults on school children.

The state govt. wants to ensure full-proof safety for school children during the school hours. This will also ensure that students are dropped to their houses safely after the school timings are over.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Schools Students Safety Rules [New] – DoE Guidelines

In the previous few months, incidents of physical, emotional, sexual assaults on school children are on a rise. These incidents are taking place inside the school boundary and outside the school premises. So, every govt. / govt. aided / private schools must be complaint to the issued directions. For this, they will have to follow the DoE Guidelines given below:-

Formation of School Safety Sub-Committee – DoE wants that all schools must form a School Safety Sub-Committee to oversee minimum safety standards. This committee must comprises of the following members:-

Principals, 4 Students, 4 Parents, Senior Teacher, Primary Teacher, Non-Teaching Staff.

Healthy balance of male and female members.

There would be different set of parents in the panel every year.

Boundary Intact & under CCTV Surveillance – All the boundary walls of the schools must be completely intact without any space for entrance of unknown persons. These boundaries must also be covered under CCTV for identification of unknown persons outside the schools.

Visitors Record – Schools must maintain a visitors register which will contain all the records of person who is visiting the school. This register must comprise of the name of visitor, address, purpose of visit and timings section. Nobody should be allowed without a pass.

Staff Id Check at Entrance – At entrance, all the staff members will have to provide their Identity Proofs to enter into the school premises.

Checking during Security walk – The following measures should be strictly taken:-

Each school must have 2 gates for entrance. At each gate, there must be at-least 2 guards sitting there.

Room of Administrator or Principal must be close to the School gates.

Any Public Office in the school premises must have a separate entry / exit gate.

Students can be only asked to stay back in school after the official hours with their parents prior concern.

All the building must possess all the necessary certificates issued by any govt. certified agency.

Delhi Schools Student Safety Guidelines

Monthly security walks would be conducted along with at-least 5 members of the panel. They must submit online safety reports to the directorate.

(adsbygoogle=window.adsbygoogle||[]).push({});

If any of the guidelines for safety of children in schools and circulars are not followed, then DoE will start

disciplinary proceedings against the heads of its own govt. schools and estate managers. For private schools, deliberate and repeated non-compliance of student safety guidelines will lead to withdrawal of recognition.

Cabinet Committee of Delhi govt. has approved the launch of a new Mukhyamantri Kisan Aay Badhotri Solar Yojana for farmers. Under this scheme, farmers can allow the private companies to install free solar panel on upto one-third area of their farmland. For this, they will be paid Rs. 1 lakh per acre with annual increase of 6% for the next 25 years. By the 25th year, each farmer will be paid Rs. 4.04 lakh per acre as rent from the private companies. This scheme is specially designed to raise the total annual income (Aay Badhotri) of the farmers engaged in agricultural activities. Every farmer could get 3 to 4 times of their current annual income by allowing solar panel installation. The state govt. has approved this scheme for the welfare of farmers and to provide financial support to promote farming activities. Moreover, another hidden objective is to reduce pollution as the dependence on solar panels will reduce it to a great extent.

Delhi Mukhyamantri Kisan Aay Badhotri Solar Yojana for Farmers

Delhi govt. will launch Mukhyamantri Kisan Aay Badhotri Solar Yojana to increase the overall income of farmers to 3-4 times. The important features and highlights of this Solar Scheme for Farmers in Delhi are as follows:-

All the farmers engaged in agriculture related activities can allow the private companies to install solar panels on their agricultural land. However, Private Companies are not allowed to install solar panels on more than one-third of total farmland.

Farmers will get Rs. 1 lakh per acre as rent with 6% increase p.a for 25 years. From 25th year onward, farmers will get Rs. 4.04 lakh / acre as rent from private companies.

There will be no upfront cost to install solar power plant on their agricultural land.

Solar Panels will be installed 3.5 meter above the surface level to ensure easy passing of tractors and uninterrupted farming activity.

All the farmers will also get 1,000 units of free electricity per year for each acre of land.

The current annual income of the farmer is Rs. 20,000 to Rs. 30,000 per acre from agricultural produce. After this scheme, farmer's earnings will get increased manifold.

Delhi Kisan Aay Badhotri Solar Yojana

As per the officials, 1 MW solar power plant installation requires six acres of land and can generate approx. 13 lakh units of electricity per annum.

Delhi govt. will save Rs. 300 to Rs. 400 crore using this farm solar scheme. It is a cleaner source of energy and will also help in reducing pollution. Farmers will start earning income after 8 to 9 months of installation.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Farmers Income Raising Scheme 2018 by Solar Panel Installation

Solar Power Developers are going to sign an agreement with Delhi govt. departments like Health, Public works, Delhi Jal Board and many others. Various Govt. departments are bulk electricity consumers which buys electricity on commercial rates and on higher tariff slabs. The current rate for purchase of electricity is Rs. 9 per unit and after the launch of this scheme, these departments will get electricity at Rs. 4 to Rs. 5 per unit.

Mukhyamantri Kisan Aay Badhotri Solar Yojana

Till today, around 5 private companies have shown interest and are ready to invest in this solar power project. Any farmer need not pay any fees or make investment in this scheme for capacity building purpose. Delhi govt. will implement this scheme on the basis of Renewable Energy Service Company (RESCO) model.

Any person who is planning to apply for a new Driving Licence (DL) or Transfer Registration Certificate (RC) in Delhi can now get these services at home. People won't have to go anywhere now rather Transport Department will come to them at their residence. The host would receive services under the Doorstep Delivery Scheme through Mobile Sahayaks. People will be assisted to fill the online application form for DL and RC services and it will be similar to approach a helpdesk at Regional Transport Offices (RTO).

Delhi govt. will start Doorstep Delivery Scheme and is finalising plans to start with DL and RCs. Assistants will fix an appointment for driving test & these services would be available at just Rs. 50.

Govt. is consistently making every possible effort to start Doorstep Delivery as soon as possible. This would reduce congestion and chaos at RTO office and will save time and money of Delhiites.

(adsbygoogle=window.adsbygoogle||[]).push({});

Doorstep Delivery Scheme – How to make DL & RC Registration

Below is the complete procedure to apply online for DL and RC Transfer at home under Doorstep Delivery Scheme:-

How to Apply Online for Driving Licence

Applicants will have to place a call at the helpline number that is being set up.

On making call, you will get an appointment with Mobile Sahayak. Then assistant will visit their homes with a tablet who will assist you to fill up forms online. You may have to pay a nominal fees of Rs. 50.

This process would be exactly same as approaching Helpdesk at Regional Transport Offices (RTO). This is same as the helpdesk actually comes to your home.

Then Mobile Sahayak will assist you to apply online to get a slot for driving test.

After fixing the appointment for the driving test, applicants needs to visit the RTO Office. All the candidates must clear the driving test.

After clearing driving test, permanent DL will be issued and will be sent to your home.

How to Apply Online for Vehicle Transfer / Registration Certificate

Firstly follow the same procedure as above.

Applicants needs to submit Original Registration Certificate and provide copies of Insurance Certificate, Address Proof of Purchaser and PUC Certificate.

Finally, candidates will get the Vehicle Transfer Certificate and Registration Certificate delivered at their home.

Delhi Doorstep Delivery DL RC Apply Online

These services are already available online, but some people find it difficult to fill application form online. Also some people does not have any access to Internet services and have to visit a cyber cafe which causes problem. So, Doorstep Delivery Scheme will prove a boon for all citizens.

(adsbygoogle=window.adsbygoogle||[]).push({});

Mobile Sahayaks under Doorstep Delivery Scheme

All the Mobile Sahayaks (assistants) have the responsibility to visit the houses of people and help people in filling application forms. Assistants may charge Rs. 50 for the services offered. All Mobile Sahayaks will be equipped with tablets and scanner to scan and upload supporting documents essential for Driving Licence / Registration Certificate and Vehicle Transfer. After completing the tests and subsequent uploading of certificates, the RC / DL will be delivered to

the home of the buyer of the vehicle.

Dept. has also streamlined process of conducting driving tests. New process will reduce congestion and chaos at RTOs. This process is started online and tests are conducted b/w 8.30 a.m & 2 p.m and by organising time slots, crowding will be reduced and entire process will be hassle free. Around 100 driving tests will be carried out at each RTO daily and videographed.

Delhi govt. is going to launch a new Loan Scheme for Safai Karamcharis. Under this scheme, the state govt. will provide loans to manual scavengers (safai karamchari) to buy new sewer cleaning machines. Any worker can get this machine at just 10% of the total machine cost and can earn upto Rs. 40,000 to Rs. 50,000 per month.

The primary objective of this loan scheme is to eliminate death risks of manual scavengers, raising their living standards and lead them to a dignified life. Moreover, these loans will also create a clean and safe environment to the people residing in National Capital – Delhi.

In the first phase, the state govt. will hire 220 machines. Every machine requires 4 persons to operate it. So, this will result in additional job opportunities.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Loan Scheme for Safai Karamcharis / Manual Scavengers – Sewer Cleaning Machines

All the workers (not contractors) who are engaged in manual scavenging activities or who cleans sewers can now take loans from the state govt. to buy Sewer Cleaning Machines. The important features and highlights of this Delhi Govt. Loan Scheme 2018 for manual scavengers are as follows:-

Need for Manual Scavengers Loan Scheme – This decision comes after the recent death incidents where at-least 12 workers have been killed during cleaning sewers or septic tanks in Delhi since August 2016. So, this initiative will put an end to manual scavenging and thus will reduce deaths caused while cleaning sewers.

Now all the safai karmis will no longer have to dig deep into the manholes risking their lives.

Number of Manual Scavenging Machines – Delhi Jal Board will procure 220 specialised machines which a workers can take on contract for 7 years. The state govt. will act as facilitator. This Delhi Govt. Loan Scheme will rehabilitate safai karamcharis or manual scavengers.

Cost of Sewer Cleaning Machines – One question still arises that how workers will be able to procure their own machines that can cost upto Rs. 38 lakh. SBI would provide 75% of the total machine cost at 11% per annum. SC / ST corporations will provide 15% of the total cost at 10% per annum. Remaining cost is to be borne by the individual. Govt. will provide them loans for procurement of specifically designed sewer cleaning machines and will turn them into entrepreneurs.

Earnings for Safai Karamcharis – To successfully implement this scheme, govt. must keep a check on the people who purchases these machines. All the workers who takes these machines on contract can earn b/w Rs. 40,000 to Rs. 50,000 per month for 5 months after deduction of the entire loan amount.

Other Measures – Govt. is also focusing on releasing new scavenging guidelines which needs to be followed by malls, hospitals and hotels.

Govt. will also pay special attention to the dependents of safai karamcharis who have lost their lives on duty i.e while cleaning sewers. Delhi govt. is also planning to launch other initiatives to ensure proper sewage systems and waste management techniques.

Delhi Vocational Training Scheme for Beggars
Begging – An offense in Delhi and Mumbai
Previous Begging Tackling Scheme – Background

Delhi Government proposes to launch a new Vocational Training Scheme for Beggars. Under this scheme, the state govt. will give them training on tailoring, handicraft and other skill development courses. This scheme will ensure that all roads, streets and signals are beggar free and will also ensure that beggars are able to earn at-least Rs. 250 per day for their livelihood.

This Vocational Training Course for Beggars will help in their sustenance so that they can contribute towards the development of Nation's Capital. Delhi govt. is also planning to provide them appropriate kits like sewing machines on completion of their training.

The primary objective of this scheme is to motivate beggars to work rather than begging for food. Moreover, this skill development training will also permanently cure problem of India's homelessness.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Vocational Training Scheme for Beggars

Begging is a major problem in the capital region as even small children are forced to beg on streets and signals for food. This spoils their childhood and deprive them of education as well. This scheme will ensure that the beggars give up begging for food. The important features and highlights of this scheme are as follows:-

Delhi govt. is planning to launch this training course for beggars to enable them to earn their livelihood. Now Govt. will provide them training on tailoring, handicraft and other skills to lead them towards a better life.

Govt's Plan –

All the beggars enrolled in this training course will get Rs. 250 per day.

All the beggars will be given Formal Identity Cards to motivate others to join the program.

All those beggars who successfully complete this training course will get relevant kits like sewing machines.

The state govt. will also show them videos of success stories of other beggars to motivate them.

Delhi govt. is mulling to launch this scheme on the lines of a similar scheme for beggars in Maharashtra. In Maharashtra, this scheme was led by Charity Commission supported by 20-25 individuals, NGOs & government.

(adsbygoogle=window.adsbygoogle||[]).push({});

Begging – An offense in Delhi and Mumbai

Begging is an offense in both Delhi and Mumbai. All the people involved in this illegal profession may be detained, trained and eventually employed elsewhere. Under Prevention of Begging Act, a child below the age of 16 years and girls below the age of 18 years are prohibited from begging.

In case the beggars found guilty by the Court, then they can be sentenced to minimum 1 year of imprisonment and max. 3 years in Beggar's Home. Moreover, the dependents of beggars are also liable to get punished.

This scheme is a good step of the govt. in the right direction to make Delhi Beggar-Free. If implemented successfully, this scheme can permanently cure India's homelessness.

Previous Begging Tackling Scheme – Background

Under the law, govt. often picks up beggars from signals, roads, streets and send them to government homes. But this is not a permanent solution for this major problem as beggars ends up on streets again. Before the Commonwealth Games in FY 2010, Delhi govt. had taken an intense drive to send them to govt's home but lack of resources naturally meant they had to be let go. So, Delhi govt. is bringing this new scheme and is going to place this scheme before cabinet very soon.

Delhi government is going to launch a Free Dialysis Scheme for patients in Private hospitals. Under this scheme, dialysis procedure will be made free by the state govt. at empanelled private hospitals and dialysis centers. The state govt. will implement this scheme on Public-Private-Partnership (PPP) basis subject to certain conditions. Govt. will pay the private hospitals a cost of Rs. 1,274 per dialysis for the entire procedure. Delhi Residents with annual income of upto Rs. 3 lakh can avail this facility.

The state govt. is focused towards raising the standards of healthcare services in the state. This scheme will enable poor people to get dialysis facility in their nearby hospitals absolutely free of cost with reduced travel time wastage.

This reimbursement scheme will change the entire course of health services in the state just like AIIMS.

(adsbygoogle=window.adsbygoogle||[]).push({});

Eligibility Criteria for Free Dialysis Scheme in Delhi

The hospitals and the patients must fulfill the following eligibility criteria to avail the scheme benefits:-

For Hospitals – All hospitals and standalone centers must fulfill these conditions to become a partner:-

Only the private hospitals and standalone centers having more than 10 dialysis machines are eligible. Moreover, these pvt. hospitals must be empanelled under the Delhi Government Employees Health Scheme (DGEHS) or the Central Government Health Scheme (CGHS).

For Patients – Patients must fulfill the following eligibility criteria to avail this service:-

Patient must be a permanent resident of Delhi.

He / She must be living in the state for the past 3 years.

Patients whose family income from all sources is less than Rs. 3 lakh per annum are eligible.

Free Dialysis Facility Delhi

Govt. can issue Free Dialysis Cards to patients to ease down the process of getting treatment. Moreover, govt. is making every possible effort to improve the standard of healthcare facilities at govt. hospitals.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Free Dialysis Scheme – Features

The important features and highlights of this Free Dialysis Scheme are as follows:-

Eligible patients can avail dialysis facility at any private or standalone center absolutely free of cost.

For each dialysis, govt. will pay Rs. 1274 to the pvt. hospitals from its Delhi Arogya Kosh.

The state govt. is regularly installing new dialysis machines at its own hospitals. Till date, govt. has installed 15 new dialysis machines at different hospitals and will install another 60 machines.

This scheme will reduce the travel time of the patients as the patients need to travel a long distance to reach govt. hospital to avail this facility. Free Dialysis Service at the pvt. hospitals or dialysis centers will eliminate the time wastage factor.

Free Dialysis Scheme in Delhi will act as a “Reverse Referral” system where patients will be referred to empaneled hospitals or centers nearby their home.

To provide high quality healthcare facilities to the citizens, the state govt. is following an “expansion mode” policy. Accordingly, 5 Hospitals of Delhi Govt. have already earned NABH entry-level accreditation – Pt Madan

Mohan Malviya Hospital, Shri Dada Dev Matri Avum Shishu Chikitsalaya, Acharya Shree Bhikshu Hospital, Guru Gobind Singh Hospital and Dr Baba Saheb Ambedkar Hospital.

Delhi government has Revised Power Subsidy Scheme to benefit electricity consumers. Now, all the domestic consumers will have to pay a minimal cost of Rs. 2 per unit till the electricity consumption reaches 400 units in a month. Moreover, all the power consumers who are consuming only 100 units per month will get subsidy of Rs. 100 per month on fixed charges. This revised scheme will benefit around 41 lakh registered electricity connection holders in Delhi. This decision to extend the existing subsidy scheme with revisions is taken in the Delhi cabinet meeting chaired by CM Arvind Kejriwal. This revised extension in subsidy would result in reduced cost per unit and thus will reduce the electricity bills of the people. All the lower middle income group people along with resettled residents who are consuming less than 100 and 400 units per month will get benefited.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Revised Power Subsidy Scheme

Previously in the month of March 2018, Delhi Electricity Regulatory Commission (DERC) has increased the fixed charges but reduced per unit charges of electricity consumed. This has varied govt. existing 50% power subsidy scheme for consumption of up to 400 units. The important features and highlights of the revised electricity subsidy scheme are as follows:-

Now under this revised scheme, govt. has approved flat rate of Rs. 2 per unit on electricity consumption upto 400 units in a single month.

Delhi Cabinet has also approved a subsidy of Rs. 100 per month per consumer on fixed electricity charges for domestic consumers. This subsidy is applicable only to the consumers who are consuming upto 100 units per month.

The state govt. has asked DERC to organize a special audit of subsidy amount through an external auditor. This revised scheme will ensure actual passage to the consumers.

Electricity Bills of around 41 lakh registered electricity connection holders will get reduced.

Discoms owe Rs. 8,000 crore the Delhi govt. owned utilities like DTL and IPGCL-PPCL. Delhi govt. will credit this subsidy amount directly into the account of these government-owned utilities. For the previous 2 years, govt. has not increased the power tariffs in Delhi.

Delhi Development Authority will launch DDA Housing Scheme 2018 with 21,000 flats in June this year. The new housing scheme will not include surrendered flats of the previous housing schemes i.e 2016 and 2017. This Latest Housing Scheme is bigger and better and new flats will be more spacious with minimum 430 sq. ft area. Moreover, all the eligible allottees can avail interest subsidy of Rs 1.40 lakh to Rs.2.67 lakh under CLSS component of Pradhan Mantri Awas Yojana (Urban).

All the smaller flats will not get included in one bedroom Lower Income Group (LIG) flats in Housing Scheme 2018. Rather, DDA will place such flats under economically weaker section (EWS) Category. Moreover, there will be separate flats for MIG and HIG categories with prices are yet to get revealed.

All the applicants can visit the newly constructed houses in Vasant Kunj, Dwarka, Rohini, Narela, Siraspur, Jasola before making application. For more details, visit dda.org.in

(adsbygoogle=window.adsbygoogle||[]).push({});

DDA Housing Scheme 2018

All the newly constructed one bedroom houses are more spacious with 430 square feet area while the previous scheme has flat area / size of 323 sq.ft. This year housing scheme will consists of mostly one bedroom flats in addition to two bedroom flats and three bedroom flats.

All the smaller houses will now get separately placed under EWS category in order to ensure that the applicant knows which type of flat he is applying. All the newly constructed flats are located in Vasant Kunj, Dwarka, Rohini, Narela, Siraspur.

(adsbygoogle=window.adsbygoogle||[]).push({});

DDA does not includes the surrendered flats as the 6500 allotted flats may get returned once again. Henceforth, DDA will work on changing their design to lure more home-buyers. Furthermore, DDA can merge the previously surrendered two one bedroom flats into one two bedroom flat.

DDA Housing Scheme 2018 also removes the 5 year lock-in period for resale purpose. All the Applicants can also avail benefits of home loans under CLSS component of PMAY Urban.

DDA Housing Scheme 2017

In the last year housing scheme, DDA offers 12,617 flats and has received 46,000 application forms. However, around 6,500 people have surrendered their allotted flats because of very small size and backward locations. Moreover, most of the surrendered flats were one bedroom flats with 323 sq.ft area which is very small and not fit for standard living.

The prices of flats under DDA Housing Scheme 2017 were between 7 lakh to 1.26 crore. So, DDA now urges applicants to firstly visit and check the flats before applying for DDA Housing Scheme 2018. This year the housing scheme will not include the surrendered flats of DDA Housing Scheme 2017.

Only the new flats which are constructed by DDA in the last six months will be on offer. For more information, click dda.org.in

Need for Mission BuniyaadImplementation of Mission BuniyaadMission Buniyaad – Details

Delhi government has launched new education scheme Mission Buniyaad for Students. Subsequently, this scheme will check the learning outcomes of various schools which are run either by the state govt. or by Municipal Corporations. Accordingly, govt. will appoint mentors monitor the performance of children studying between III standard to VII standard. Moreover, each mentor will perform this task for 5 schools. Delhi govt. will design and execute this scheme along with MCDs and other local bodies. Accordingly, govt. will design this scheme on the lines of Chunauti Scheme. Missions Buniyaad scheme is going to resolve the issue of learning crisis in schools. Accordingly, govt. will start this scheme from April 2018. Furthermore, govt. will make every possible effort to provide training to teacher / learning outcome coordinators. This new education scheme will ensure that all the students are able to read their grade level textbooks.

(adsbygoogle=window.adsbygoogle||[]).push({});

Need for Mission Buniyaad

The state govt. has decided to launch this new education scheme in lieu of the following things:-

National Achievement Survey (NAS) report shows that schools across the country (including Delhi) are facing learning crisis. This survey was conducted by National Council of Educational Research and Training (NCERT).

As per NAS report, approx. 50% of Class 3rd children in Indian Schools are unable to read their own grade level textbooks.

Children studying in primary classes in various MCD schools are unable to read which effects them in their secondary school studies. Accordingly, these students finds it difficult to cope up with the advanced level studies.

For this reason, Delhi govt. has already taken several initiatives for secondary school students to improve their reading ability up to 20%. However, govt. now wants to improve the learning process of primary school students.

Accordingly, the state govt. will categorize students in 3 categories – Ujjawal, Utkarsh and Udyam group and provide them efficient training to improve their learning skills.

(adsbygoogle=window.adsbygoogle||[]).push({});

Implementation of Mission Buniyaad

The state govt. wants to implement this new education scheme as soon as possible. The implementation of this mission will include the following provisions:-

For designing and execution, Delhi govt. will work in collaboration with MCDs and other local bodies. Subsequently, govt. will design this scheme similar to the previous Chunauti Scheme which assess students between Class 6th to 9th class.

Accordingly, Delhi govt. will appoint a single mentor for every 5 schools who will check and monitor the progress of learning outcomes of the concerned schools. Govt. will implement this program similar to the Mentor Teacher Programme of government schools.

Moreover, the primary task of mentors is to track the children's performance studying between 3rd class and 7th class.

The state govt. is going to extend this scheme to MCD schools as well.

Mission Buniyaad – Details

The important features and highlights of this scheme are as follows:-

This new education scheme will improve their reading skills and skills in mathematics as per their age appropriate level.

Under this scheme, govt. will divide students in 3 categories (groups) which are as follows:-

Ujjawal – Students who are excellent learners and who are able to properly read and prove their skills at par with the standards.

Utkarsh – All those students who scores medium level marks will get placed in this group.

Udyam – Govt. will mainly focus on this group which includes students who are behind their peers.

Subsequently, govt. focuses on bridging this gap through a collective approach.

Accordingly, govt. will train teaching coordinators or learning outcome coordinators.

Moreover, govt. urges all the parents to track the progress of their children. In addition to this, if parents feels that their ward requires some extra effort, then they can send their children on special training in the month of May – June this year.

Furthermore, the state govt. is also making efforts to provide food and facilities to the children who comes to school for special classes.

After the orders of Supreme Court, MCD is continuously carrying forward Delhi Sealing Drive. Subsequently, MCD is sealing all the shops in Delhi which are illegal commercial establishments running in the residential areas without any authorization. To resolve this issue, govt. had introduced Delhi Master plan 2021 which allows mixed land use policy, thus making commercial activity legal in residential areas. However, this Master Plan 2021 was not sufficient to resolve this sealing issue. Accordingly, Delhi Development Authority (DDA) headed by LG has finally approved 3 proposals to amend Master Plan 2021 – Increasing Floor Area Ratio (FAR), Reducing the Conversion Charges and lastly, regularization of Agricultural Godowns.

This move of DDA is expected to provide huge relief to the traders from the on-going sealing drive for commercial establishments.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi Sealing Drive – DDA 3 New Proposals

Delhi Lieutenant Governor, Mr. Anil Baijal (also DDA Chairman) has presided over the meeting to take decisions to tackle this sealing drive. The decisions taken in this meeting includes these 3 proposals:-

Raising Floor Area Ratio (FAR) – The decision includes the extension of floor area ratio of Local Shopping Complexes (LSC) from current 180 to 300.

Reduction in Conversion Charges Penalties – Other important decision is to reduce the penalties for non payment of conversion charges from existing 10 times to only 2 times.

Regularization Of Agricultural Godowns – Govt. will regularize godowns constructed on 12 metre wide roads.

Shop owners in Delhi are now holding state wise protests against this sealing drive. Businessman has extended their full support for two day bandh organized by Confederation of All India Traders (CAIT) against recent sealing of shops. Around 8 lakh shops and factories will participate in this protest and Delhi Market will remain shut for next 2 days.

(adsbygoogle=window.adsbygoogle||[]).push({});

CAIT is getting support for bandh from all shops, traders, businessman and factories across all parts of Delhi. Moreover, govt. will focus on legalizing 4th floor of sealing hit areas. Furthermore, there is increasing demand from CAIT to allow basement to get used for commercial activities.

Subsequently, this scheme is going to make travelling in public transport more convenient, easy, seamless and cashless for daily passengers in Delhi. Accordingly, people can make use of their metro cards to travel in Metro Trains, DTC and Cluster buses.

People can now use this Common Mobility Card (CMC) to board DTC buses as well as Metro Trains across the national capital. Moreover, people can use this CMC in any mode of transportation which incorporates an electronic ticketing system.

Latest Update – “One Delhi One Ride” Common Mobility Card in Metro / DTC Buses

Till date, people can use these cards in 200 DTC buses and 50 cluster buses. However, govt. is going to make this system functional for all Metro trains, DTC buses and cluster buses from 1 April 2018.

(adsbygoogle=window.adsbygoogle||[]).push({});

Common Mobility Card Scheme – Usage

The method to use this common card is described below:-

To use this common mobility card, people can tap the Metro Card option on the Electronic Ticketing Machine or ETM in the bus.

Afterwards, this machine will generate an e-ticket and will also show the remaining balance in the account of passenger. Currently, only the conductors utilize these ETM machines to generate tickets.

After deduction of the ticket amount, the money will get credited to the Delhi Metro Rail Corporation Account (DMRC).

Finally, DMRC will transfer this amount to the bank account of the Delhi Government.

Furthermore after the pilot phase is over, govt. will design new mobility cards having the names of DMRC and Delhi govt. embedded on it.

This common card will function like Debit Card in all buses in Delhi. The total number of DTC buses is 3900 and the number of cluster buses is 1600 in Delhi. People can make use of this Common Mobility Card in all buses from 1 April 2018.

Online RC Transfer Process for Used Cars Sending of RC at Residence Trade Certificate, Renewal Licence, Permits – Now Online

Transport Department, Delhi Government is going to launch the online process of transfer of ownership of vehicle in Delhi. People have to make lots of rounds to the Regional Transport Office (RTO) to transfer the Registration Certificate (RC) in their name. Now this online RC Transfer Process will reduce the hassle to make limitless rounds to the RTO office. This online system will also ensure transparency in the transfer of ownership.

Government is going to implement this process in phases. Subsequently in the first phase, department will start online RC transfer process for the 4 RTOs – Vasant Vihar, Janakpuri, Indraprastha Depot and Mall Road. Afterwards, govt. will start this online service for all RTOs and their respective zones in Delhi from 15 January 2018.

This online transfer process will reduce dependence of people on the public interface of the Transport Department. Delhi Transport Department is also sending the RCs to the owners through speed post. Furthermore, dept has also started online process for trade certificate for vehicle dealers, licence renewal and permits.

(adsbygoogle=window.adsbygoogle||[]).push({});

Online RC Transfer Process for Used Cars

Previously, all the applicants have to fill and submit the completed application forms with the necessary documents at RTO. Now, applicants can fill and submit the application form through online mode. Moreover, candidates can scan and upload the required documents for the completion of the online application process. However, dept. has not started this service for smartphones because mobile version for this service is not functional.

Sending of RC at Residence

Transport department also starts the process of sending registration certificates (RC) of vehicles through speed post to the owners. Subsequently this service is available for all applicants who makes their registrations after 1 October 2017. Henceforth, dept firstly sends an SMS on their registered mobile number and then send RCs at their residence.

(adsbygoogle=window.adsbygoogle||[]).push({});

Trade Certificate, Renewal Licence, Permits – Now Online

Moreover transport department of Delhi also started the online process of giving trade certificates to the dealers in addition to the process of licence renewal and permits. Accordingly, this online RC Transfer Process will lessen the burden on several offices of transport authority.

The number of visitors to the zonal transport authority offices are around 45,000 to 50,000 per day. So, the state govt. has made this plan for reduction in the public interface with the Transport Department. Furthermore, now all the applicants will get RC Certificates, renewal licences in a hassle free manner.

All the persons can transfer the RC of the used cars in their own name without making visit to the RTO through the online process. The transport dept. will resolve the minor issues for its successful implementation.

Delhi Government is going to launch Electric Vehicles Subsidy Scheme. Subsequently, this policy will provide incentives to the people who wants to switch from fossil fuels to cleaner energy (electric vehicles). The state govt. has to create a suitable infrastructure and ecosystem to switch to electric buses. Henceforth, central government has already started FAME (Faster Adoption and Manufacturing of Hybrid and Electric Vehicles) Scheme.

Under FAME scheme, central govt. provides incentives to the buyers of Electric Vehicles to improve adoption and sales. This type of Electric Vehicles Subsidy Scheme will ensure better standards of life to the citizens. For this reason, the state govt. will bring electric vehicles in automobiles and auto component sector.

Electric vehicles needs charging, so there should be a clarity on power tariff. In addition to this, govt. should also provide subsidy on the power consumption of the electric vehicles. Moreover, govt. should take measures to reduce the cost of purchasing Electric Vehicles making it viable for public transport.

(adsbygoogle=window.adsbygoogle||[]).push({});

Electric Vehicles Subsidy Scheme

The important features and highlights of this scheme are as follows:-

Under this scheme, govt. will provide support to all the Original Equipment Manufacturers (OEM) and Indian manufacturers.

Moreover, govt. will support several initiatives like inter-operable charging systems and lower road taxes.

Govt. will ensure that this scheme does not have any effect on the manufacturing of the combustion vehicles. Delhi state govt. has already committed to induct 100 electric buses. However, govt. wishes to increase these procurement numbers to 1000.

This is done in proper scale and size to make India a manufacturing center for battery as well as exports. This is possible as the per capital usage of car is still low in India.

Central govt. will focus to clear the gaps and ambiguity of manufacturers whether they qualifies in the kilometer scheme or not.

Moreover, govt. will include these buses in Automobiles and auto component sector.

Automobile and auto component sector contributes to around 7.2% of India's GDP (Gross Domestic Product). In addition to this, these sectors provides employment to around 3 crore people. Moreover, govt. exports around 25% of the total manufactured product.

Delhi state government is urging the central govt. to provide subsidy along with financial and technical assistance on the purchase of Electric Buses. To create the policy framework includes the following departments – Ministry of Road Transport, Power Sector and Heavy Industries.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi govt. is inviting suggestions from the electric vehicle manufacturers to simplify procurement of such buses.

Furthermore, govt. is making every possible effort for the expansion of automobiles and auto component sector for job creation, GDP contributor and increasing exports.

Delhi Cabinet has approved the proposal for the Free Treatment Scheme for accident victims in the state. The state govt. will now bear the entire cost of treatment of road accident and acid attacks victims. Accordingly, these victims can avail free treatment at any government or private hospitals. In addition to this, this scheme will also provide coverage to the victims of fire-related incidents on streets.

The Free Treatment Scheme will provide immediate financial assistance in order to reduce the mortality rate of the accident victims. Previously, the state govt. has launched Good Samaritan Scheme and now will also bear the treatment cost. Subsequently, Good Samaritans can admit the accident victims to any hospitals in the golden hour after accident to save their lives.

Details of Free Treatment Scheme for Road Accident Victims

The important features and highlights of this scheme are as follows:-

(adsbygoogle=window.adsbygoogle||[]).push({});

This treatment scheme is approved in the CM Kejriwal headed cabinet meeting and is now sent to the Governor for approval.

Under this scheme, govt. will provide treatment to the accidents victims as shown below:-

Type of Victims

Treatment Type

Hospital Type

Road Accident Victims

Free

Both Govt. and Private Hospitals

Acid attacks victims

Free

Both Govt. and Private Hospitals

Fire Incident Victims

Free

Both Govt. and Private Hospitals

Moreover, there is a provision that if the accident victim is not a resident of Delhi and the accident happens in Delhi, even in that case the state govt. is going to provide free treatment in any of the govt. or private hospitals.

In addition to this, the state govt. will give Rs 2000 to the persons who brings the victim to the hospital.

Need for Free Treatment Scheme for Accident Victims

“ In case of accident or any mis-happening, most people tend to take the victim to the govt. hospital even if the private hospital is nearby.

“ Subsequently, this results in denial of treatment to the victim in emergency (within the golden hour).

“ Accordingly to provide treatment and to save the lives of such people, govt. needs to launch this scheme.

As per the official data, around 8000 road accidents occurs on roads of Delhi annually which affects approx. 15000 to

20000 people. Moreover, around 1600 people die per year in these road accidents. So to reduce the mortality rate in the state due to accidents, the state govt. has launched this scheme.

Implementation of Delhi Free Coaching Scheme

This scheme was required because many intelligent students lack proper coaching from the renowned institutes. Therefore, the success rate for them is low in the competitive entrance examinations. This scheme is going to provide financial support for such candidates as follows:

Department will put an advertisement to inform various coaching centers about the scheme. Afterwards, the department will go to the institutes to make their voluntary registration for this scheme. Finally, govt. will prepare a list of credible coaching centers and ask the candidates to make registrations.

The state govt. is going to launch this scheme for the up-liftment of students belonging to lower categories. Delhi Free Coaching Scheme will result in better performance of the SC / ST candidates in the competitive examinations.

Delhi state govt. is going to issue Mobility Card to the citizens to make travelling via public transport easy in the state. Subsequently, citizens can use this card in Delhi Metro trains as well as buses run by Delhi Transport Corporation (DTC). Accordingly, the primary objective to launch this scheme is “One City, One Card”. Henceforth, Delhi govt. is going to launch this scheme in the month of January 2018.

Latest Update “ One Card for Common Mobility in Metro / DTC Buses

Initially, passengers can use this card only in a few DTC buses. However after some time, the state govt. will install this facility in all DTC buses and those operating under Delhi Integrated Multi-Modal Transit System (DIMTS).

(adsbygoogle=window.adsbygoogle||[]).push({});

Basic Requirement of Mobility Card

The basic requirement to implement this scheme is of infrastructure and system installation for connectivity purpose. Delhi Metro Rail Corporation (DMRC) will provide this basic facility.

Delhi govt. is keen to make use of Delhi Metro Card in several DTC buses as soon as possible.

For this reason, the state govt. has already resolved several issues of coordination and connectivity between DTC and DMRC.

Implementation of Mobility Card for Public Transport

This mobility Card project was proposed in the year 2010. Earlier the state govt. decided to launch this scheme in July 2016, but the implementation of the Mobility Card Project got delayed. Subsequently, the state govt. has carried out various trials to test the functioning of mobility cards in the DTC buses.

Delhi govt. has tried this facility in Phase III project and now they are going to install a machine on their buses.

Accordingly, now their systems are capable to accept the mobility cards. Henceforth, DTC will install several ETMs in the buses. This machine will read the cards and will also process the receipts.

(adsbygoogle=window.adsbygoogle||[]).push({});

Several mega cities such as London, Seoul, Singapore and Hong Kong are already using a common transport card for travelling purpose in public transport.

The state government of Delhi has announced that they will provide a tablet computer at free of cost for all teachers and principals in the national capital government schools. The distribution of tablet computers in schools will help to reduce the non-teaching burden.

The Delhi government will finance Rs. 50 crore to procure the tablets and computers for all the government schools. The digital gadgets will help the schools' teachers by collecting the data of students' attendance. In addition, teachers can send the direct message to parents by using the digital gadgets regarding the child's attendance.

Accordingly, the tablet computer will be equipped with an Internet data card to provide the help of teachers in their work. Moreover, the education department is going to prepare a proposal to procure tablet computers for around 50,000 teachers and principals of the 1024 government schools across the Delhi.

(adsbygoogle=window.adsbygoogle||[]).push({});

Delhi government schools

By using the data of the education department, Delhi government has informed that the transition loss from Class X to Class XII has come down over the last years. As per data, in the year of 2013-14 stood at 62,158 but now it came down to 18,405 in 2016-17.

The distribution of tablet computers to teachers will start in the next two month. Besides syllabus training, the government is also considering to provide training to the teachers in many activities. These activities will correct the interaction mistake between teacher and student.

(adsbygoogle=window.adsbygoogle||[]).push({});

The distribution of tablet computer decision was taken in cabinet meeting because most teachers are complaining to the government that they are not providing enough time for teaching as they are engaged in data entry or management works including maintenance of attendance registers, preparation of students' report cards, etc.

Therefore, Delhi government has decided to provide tablet computers to the teachers of all government schools. An internet data card also will be provided to the teachers so that they complete the required work online.

The state government of Delhi has launched Chunauti Scheme for primary class students (Class I to V). Earlier, this scheme was launched for students in Class 6 to 9. This scheme will help in correcting learning disparities among the students.

Under the Chunauti Scheme, all the students from the primary class will be segregated. The segregation of the students will be based on their learning abilities. The selected student will be given special classes in government and municipal schools.

Recently, a meeting was held in Delhi during which state advisory council for education has taken this decision. This decision was based on the success of Chunauti scheme in Classes 6 to 9. This scheme will improve the learning levels among students.

(adsbygoogle=window.adsbygoogle||[]).push({});

Chunauti Scheme for Students

The education department will organize a test to read, write Hindi and English and solve mathematical problems. On the basis of test, students will be segregated for the benefits of the scheme. As per the assessment, it was found that 74% of 2,01,997 children studying in class 6th could not read a paragraph from their own Hindi textbooks and 46% could not read a Hindi story of Class 2 level.

The state advisory council for education has decided to rank private and government schools of the state. The rank will be given on the basis of many parameters including academics, sports activities, cleanliness, exam results and extracurricular activities. The ranking of schools will be overlooked by the Delhi Commission for Protection of Child Rights (DCPCR).

(adsbygoogle=window.adsbygoogle||[]).push({});

The government will conduct a door-to-door survey with the help of Anganwadi workers to compile data on students who are dropped from the schools. Moreover, the government would find some volunteers who would help in ascertain those students who are out-of-school in their respective areas. They will help in enrollment of those students in the school.

Moreover, the government will launch a toll free helpline number to get the information about the students. In addition, the special training will be given to principals and teachers on how to behave with the students who are coming from economically weaker sections (EWS).

DDA Housing Scheme 2017 Launch Flats in DDA Housing Scheme 2017 DDA Housing Scheme 2017 Application Forms

Delhi Development Authority has almost decided the launch date of DDA housing scheme 2017, the scheme will now be launched in the end of May or beginning of June. According to the reports in HT, the authority has completed all the formalities of the scheme and the file is before the LG for final approval.

DDA Housing Scheme 2017 Launch

The scheme would be launched after the LG gives its final approval during a meeting with DDA officials to be held in 3rd or last week of this month. DDA housing scheme 2017 launch date has been extended a few times due to some other factors including Delhi Municipal Elections in April 2017 and demonetization in November 2016.

The authority is offering a total of about 13000 flats under its 2017 housing scheme out of which only 3509 flats are 2 BHK for Middle Income Group while rest are 1 BHK Lower Income Group flats or Janta flats. DDA this time has decided not to put a lock in period on the selling of flats which means the owner would be free to sell his/her flat anytime.

(adsbygoogle=window.adsbygoogle||[]).push({});

But, DDA has also decided to forfeit the registration amount of the lucky draw winner if he/she wish to surrender the flat or cancel the allotment. The lucky draw winners would have the option to either buy the flat or leave the registration fee which is Rs. 1 lakh for LIG and Janta flats and Rs. 2 lakh for MIG and HIG flats.

Most of the 1BHK flats being offered under the scheme are ones which were surrendered by the winners in 2014 housing scheme of DDA. Once the scheme is launched, people would be given a time of about one month to apply for the scheme. Thereafter, the scrutiny of applications would about take one month before the announcement of winners in lucky draw.

(adsbygoogle=window.adsbygoogle||[]).push({});

The possessions of flats under DDA housing scheme 2017 would be given in September-October as the unfinished civil work and services in the colonies will be completed around that time.

Flats in DDA Housing Scheme 2017

Below are the details of flats being offered under DDA housing scheme 2017.

13,148 – Total no. of flats

11,671 – LIG/one-bedroom flat

79 – HIG

398 – MIG

563 – EHS (Expandable Housing Scheme)

437 – Janta

Flats being offered are spread across Jasola, Sarita Vihar, Narela, Rohini, Paschim Vihar, Jahangirpuri, Bindapur, Pitampura, Loknayakpuram, Dwarka, Dilshad Garden, Sukhdev Vihar, Mukherjee Nagar.

DDA Housing Scheme 2017 Application Forms

The application forms of DDA housing scheme 2017 would be available at more than 450 branches of 5 private sector banks and 3 public sector banks across the country. The detailed list of bank branches for DDA housing scheme application forms would be available only after the scheme is launched.

Application forms may also be invited through online mode this year through the official website of DDA at www.dda.org.in.

Complete details of the application procedure, eligibility criteria, flats and other information would be available once the scheme is launched.

Pradhan Mantri Awas Yojana – Urban (PMAY-U), a flagship housing scheme of central government would soon be implemented in Delhi NCT. The Union Ministry of Housing and Urban Poverty Alleviation (HUPA) has signed an agreement with the state government of Delhi for implementation of PMAY in Delhi.

Pradhan Mantri Awas Yojana in Delhi

Nearly two years after the launch of Pradhan Mantri Awas Yojana, the government has resolved the key issues during a meeting with Delhi L-G Anil Baijal recently. Since the land ownership for most of the land in Delhi is hold by the central government under Delhi Development Authority while some lies with Delhi Urban Shelter Improvement Board (DUSIB) which is under the Delhi government.

In recent meeting, it was decided that the MoU would be signed between MHUPA, DDA and DUSIB for the implementation of Pradhan Mantri Awas Yojana in Delhi. Under the MoA, it has been decided that the state would comply with some certain conditions which includes

(adsbygoogle=window.adsbygoogle||[]).push({});

- Amendments in Master Plan of Delhi for earmarking land for affordable housing.
- Single window time-bound clearances for layout approvals and building permissions.

Implementation of PMAY in Delhi

Delhi Development Authority (DDA) and Delhi Urban Shelter Improvement Board (DUSIB) would act as the state nodal agencies for implementation of various components of Pradhan Mantri Awas Yojana – Urban in Delhi NCT.

(adsbygoogle=window.adsbygoogle||[]).push({});

The government has recently announced CLSS for MIG under which it is providing subsidy on housing loan to people belonging to MIG category. Earlier, the CLSS was applicable only for EWS and LIG categories. Construction of over 18.75 Lakh affordable homes have been approved by the MHUPA under PMAY since its launch. Several state governments and urban local bodies are conducting demand surveys for the implementation of PMAY.

The applications for assessment of candidates under PMAY are also being invited through the official website of PMAY at pmaymis.gov.in. Interested candidates can visit the official website and fill the assessment form.

The interested applicants would be required to pay the booking amount along with the application form. If the candidate is not selected in the draw, his/her entire registration/booking amount would be refunded without any deductions.

(adsbygoogle=window.adsbygoogle||[]).push({});

15% of the total flats would be reserved for the economically weaker section of the society.

This is the first time Delhi Metro is offering flats for the general public. The DMRC had constructed flats for its own staff in in Shastri Park, Yamuna Bank and Pushp Vihar until now. DMRC is working on finalizing the contours of the scheme and once ready, the corporation would publicize the scheme and invite applications from general public. More details about Delhi Metro housing scheme 2017 such as application procedure, eligibility and flat details etc would be available once the scheme is officially launched in May.

DDA Housing Scheme 2016-2017 which was expected to be launched by the end of January 2017, has been delayed once again. The Delhi Development Authority has decided to launch the scheme by the end of February or in March. The delay in launch date has been caused due to lack of basic infrastructure like approach roads, water supply and streetlights in the housing complexes to be offered in the upcoming scheme.

DDA Housing Scheme 2016-2017

Delhi Development Authority is planning to launch the scheme by the end of February or in March for about 13500 flats at different locations. A majority of flats are located in Rohini and Narela. Delhi Development Authority offered about 25 thousand flats in its 2014 housing scheme but more than 10000 winners returned their flats because of the too small size of flats and lack of basic infrastructure.

To make the 2016 housing scheme a success, the authority has decided to first revamp the basic infrastructure facilities and then launch the scheme. The engineering department of the authority has been directed to prepare the plan and complete the work within the given time frame. It will take about 2-3 months to complete the work related to approach roads, streetlights etc in the housing complexes.

(adsbygoogle=window.adsbygoogle||[]).push({});

Learning from the high rejection rate in previous housing scheme, the Delhi Development Authority has decided to sell the returned flats at older rates and doing away with the 5 year lock in period. The authority has decided to first improve the basic facilities to attract a good response from the home seekers.

The applications for the scheme will be invited through online mode only. DDA Housing Scheme 2016-2017 has not been announced yet, complete detailed information would be available only after the launch.

State-run Energy Efficiency Services Ltd (EESL) will be distributing 9 Watt LED bulbs in the capital city from July onward. The LED (Light Emitting Diode) bulbs will be available to both the home consumers as well as to commercial entities at same rates.

Under the central Governmentsâ€™s UJALA (Unnat Jyoti by Affordable LEDâ€™s for All), government will distribute 9 watt LED bulbs in Delhi at discounted prices.

Earlier, 7 Watt LED bulbs were being distributed under the scheme which will no longer be available for sale. The consumers who already bought these 7 watt LED bulbs and facing some issues can get those replaced from dedicated replacement centers.

(adsbygoogle=window.adsbygoogle||[]).push({});

The new 9 watt LED bulbs are technically superior than the earlier ones and each bulb can help save anywhere between Rs. 160 to Rs. 400 per year. The life expectancy of the bulb is 25000 hours, making the cost recovery in less than one year.

The Ujala LED scheme will be implemented across 87 circles in Delhi. Under the Ujala Scheme, over 66 lakh LED bulbs have already been distributed resulting in an annual energy saving of 86 crore kWh.

(adsbygoogle=window.adsbygoogle||[]).push({});

As per the Ujala online dashboard, 12,37,51,757 LED bulbs have been distributed across the country till June 28.

Pradhan Mantri Awas Yojana â€“ Gramin (PMAY-G) has finally been launched by the Prime Minister Shri Narendra Modi in Agra on 20th November 2016. Under the PM Awas Yojana Gramin affordable housing scheme, central government aims to develop 3 Crore homes by the year 2022 in rural areas for poor families including BPL. PMAY-G is the revamped version of Indira Awas Yojana which was renamed earlier this year with some pro-poor changes in the scheme. Housing units under the PMAY-G scheme are already being offered to the beneficiaries in rural areas across the country. Pradhan Mantri Narendra Modi also handed over the allotment letters to the beneficiaries during the launch event.

The minimum area of home under the new scheme has been increased to 25 Square meter (267 Square foot) from 20 Sq.Mt. in earlier scheme.

Government has also released the scheme logo and a video

<http://iay.nic.in/netiay/Video/PMAYGLaunch.mp4>

The objective of the scheme is to provide homes to every Indian by the year 2022. Pradhan Mantri Awas Yojana â€“ Gramin will be implemented across the country except Delhi and Chandigarh. The immediate target of PMAY-G is to construct 1 Crore affordable homes in rural areas by the year 2018-19.

Financial Assistance Under PMAY-G

The central government would be providing a financial assistance of Rs. Rs. 120,000 in plain areas and Rs. 130,000 in eastern, hilly and IAP areas to the beneficiaries. Along with this, an additional Rs. 12000 will also be provided to build toilet to each beneficiary under the Swachh Bharat Mission. The beneficiaries will also be provided daily wages of up to 90-95 days (Rs. 18000) through MGNREGA.

Hence, the total financial assistance amount will be 1 Lakh 50 thousand for plain areas and 1 Lakh 60 thousand for eastern, hilly and IAP areas. Interested beneficiaries can also avail a loan of upto Rs. 70000 from any of the nationalized banks for the construction of home.

Selection of beneficiaries under the Pradhan Mantri Awas Yojana â€“ Gramin will be done on the basis of SECC-2011 data. The government has also launched AwaasApp for beneficiaries to know the status of their application, funding or share the progress of construction.
