Himachal Pradesh government has started a new HP Single Use Plastic Buy Back Scheme 2019. Under this scheme, the state govt. will buyback single-use, non-recyclable plastic waste with a minimum support price of Rs. 75 per kg. This scheme is started by CM Jai Ram Thakur at a function held on 2 October 2019 to mark the 150th birth anniversary of Mahatma Gandhi.

As per initial estimates, the total plastic which is likely to be collected will be about 75,000 kg. The budget required for plastic buy back is around Rs. 2.81 crore. The non-recyclable waste will include polythene bags and govt. will purchase this waste from rag-pickers, households and urban local bodies (ULBs).

Since 2 October 2009, there has been a complete ban on the use of polythene bags in Himachal Pradesh state. The HP single-use plastic buyback scheme got the cabinet approval on 16 September 2019.

HP Single Use Plastic Buy Back Scheme 2019

CM Jai Ram Thakur of Himachal Pradesh has launched HP Single Use Plastic Buy Back Scheme. At a function organized here to celebrate the birth anniversary of Mahatma Gandhi, CM said that single use plastic (disposable) is not only an environment hazard but also a health threat for humans and animals.

This scheme will encourage people to use environment-friendly bags instead of polythene. HP state govt. has already imposed ban on usage of plastic bags and cutlery made of plastic and thermocol. Jute bags are an alternative to plastic bags.

(adsbygoogle=window.adsbygoogle||[]).push({});

There is a need to adopt Gandhiji's humanistic message and ideology in life. This year, the state govt. celebrates 150th birth anniversary of Father of Nation as "Swachhata Hi Seva" campaign. On 2 October 2019, the state govt. also celebrates the day to perform "Shramdaan" to eradicate plastic waste. Himachal Pradesh is the first state to tackle the threat of plastic and other non-biodegradable waste. The polythene waste collected through various awareness campaigns would be used as an alternative in road construction and as fuel in cement kilns.

HP Akhand Shiksha Jyoti – Mere School Se Nikle Moti Scheme

Himachal Pradesh has made a rapid stride in education as the state has educational institutions even in the remotest areas of state. CM has launched Akhand Shiksha Jyoti – Mere School Se Nikle Moti scheme in govt. school, Bagsiad, where once he was a student. Old students names would be written on the "Roll of Honour board" to motivate current batch students to take inspiration from these alumni.

CM announced metalling of roads which leads to the school and announced assistance of Rs. 10 lakh for expansion of school ground. A stadium is also going to be constructed in the school. CM announced Rs. 1 crore to construct an additional building in Bagsiad school and also announced 10 solar lights for Bagsiad bazaar.

(adsbygoogle=window.adsbygoogle||[]).push({});

The state govt. will provide an assistance of Rs. 51000 for the school in his personal capacity. CM will also provide Rs. 31,000 from his discretionary fund for students performing cultural programme at the occasion. Schools and teachers plays a major role to shape careers of individuals and thus every individual needs to repay back to the institution as gratitude.

CM has also honoured the old students whose name was written on the "School Roll of Honour Board" under this scheme. This scheme aims to motivate students to work hard to achieve new heights in their life. Old students who have excelled in various fields should contribute for development and strengthening of their schools.

Himachal Pradesh Medha Protsahan Yojana

The state govt. has started HP Medha Protsahan Yojana to provide coaching facility to 500 meritorious students to prepare for competitive exams like IAS, HAS, NEET, JEE,IIT etc. Under this scheme, govt. will provide Rs. 1 lakh to each student for coaching purposes. This scheme will strengthen institutions to contribute in shaping life of students of these institutions to perform better.

HP govt. has also started nursery classes in govt. schools as it is felt that due to non-availability of nursery classes, parents were admitting their children in private schools. This scheme will motivate parents to admit their children in government schools.

CM has also provided free gas connections to the beneficiaries of Mukhyamantri Grahini Suvidha Yojana. GSY Scheme will result in women empowerment and also a pollution free environment in HP with an outlay of Rs. 12 crore.

Himachal Pradesh govt. is going to provide free stainless steel water bottles to 90,000 govt. school students studying in class 9th in the state. This decision will discourage the usage of plastic bottles as the state govt. has imposed ban on the plastic items, thermocol plates, polythene & glasses. The initiative will be funded under Mukhya Mantri Vardi Yojana – free school uniform scheme.

HP govt. has initiated the process of distribution of steel water bottles to IX class govt. school students. On 11 October 2018, CM will attend a high level meeting comprising of the officials of education, dept. of food & public distribution and dept. of environment. Govt. will purchase stainless steel water bottles through the medium of dept. of food and public distribution and environment dept. will allocate budget.

CM has made this announcement to distribute free steel water bottles on 5 June 2018 at the occasion of World Environment Day.

(adsbygoogle=window.adsbygoogle||[]).push({});

Free Steel Water Bottles for 90,000 Govt. School Students in HP

CM Jai Ram Thakur announced that free stainless steel water bottles would be provided to around 90,000 class IX students in govt. schools to discourage the use of plastic bottles. This decision is in accordance with the recent Himachal Pradesh plastic ban notification which impose ban on plastic bags, polythene, thermocol plates and plastic made glasses as these materials causes pollution. The state govt. has also banned plastic water bottles of less than one-litre capacity at official functions.

The state govt. has realized the severity of plastic bag usage in daily life and how it contributed in polluting the environment. The current water crisis has its roots in the usage of plastic and its discriminate dumping in rivers. This distribution of steel water bottles will ensure that plastic and thermocol usage is reduced which in turn would lead to reduction in pollution.

(adsbygoogle=window.adsbygoogle||[]).push({});

This decision to provide free steel water bottles for 90k govt. school students will be implemented in phases. In the first phase, only class 9th students would be covered which would be extended to other classes in later phases. In the next phases, govt. will cover the students of other classes as well and dept. of education is preparing a proposal for that purpose. Department of food and public distribution will invite tenders for the purchase of stainless steel bottles.

There is a proposal to set up 10 solid waste management plants for scientific disposal of waste. A polythene shredder machine will also be installed in Sundernagar and Ghumarwin town. Recently, there was a severe shortage of water in Shimla due to pollution and degradation of water catchment areas, rivers and water bodies. So, pollution reducing plants would be developed in state nurseries and will be provided to the people for plantation. CM Jairam Thakur has also requested tourists visiting the state to use jute or paper bags instead of polythene bags.

HP Van Samridhi Jan Samridhi Yojana – How Rural People can Earn Money

The important features and highlights of this HP Van Samridhi Jan Samridhi Yojana are as follows:-

HP Van Samridhi Jan Samridhi Yojana will ensure economic returns to rural households who are engaged in collecting and selling of Non-Timber forest produce which includes medicinal plants.

Moreover, govt. will focus on post harvest handling, value addition and marketing.

All the rural people will have to grow medicinal plants on their land. For this, the state govt. will provide 25% subsidy.

When all the herbs are prepared in the forest, then people will call Self Help Groups (SHGs) to take out the medicines.

For these medicines, all the people would get the appropriate prices similar to the market price of that particular herb.

Any person would not be able to take out or steal such medicines from the forests.

The main objective is to provide appropriate prices of the medicinal plants which are grown in the forests of the state. In addition to this, people can sell them at reasonable prices to earn money necessary for their survival.

Himachal Pradesh Jan Samriddhi Van Samriddhi Yojana

Himachal Pradesh state cabinet has approved this scheme on 5 September 2018. The state govt. is performing mapping of those 5 districts where such crucial and priceless medicinal plants are found.

Himachal Pradesh govt. has launched Anubhav Yojana in Kullu district on 4 September 2018. Under this scheme, all the citizens can now Book Appointment with Doctors Online even while sitting at their home. This would be done on the basis of a Token System and people can fix their timings to meet doctors easily. The main tagline of this scheme is “One Step Towards Digital Health” .

Now after the launch of Anubhav Yojana in the district, all the people will not have to stand in queue at the hospitals. Rather they can just book appointment (parchi) for OPD online. This would save lots of time which could have been wasted if the people stand in lines at the hospitals.

In the initial phase, the state govt. has started this facility for the Kullu district only. But soon it will be launched in other districts as well.

(adsbygoogle=window.adsbygoogle||[]).push({});

HP Anubhav Yojana “ Book Appointment with Doctors Online

Under this scheme, people in Kullu district can avail Digital Health facilities and get appointment with doctors from their home. Under Anubhav Yojana, citizens can get e-receipt (parchi) to meet doctors by making online registrations through Asha workers or health workers of Rural health department. People can then meet the specialized doctor at the time fixed in the appointment and avail treatment for their disease.

Himachal Pradesh Anubhav Yojana Book Appointment Doctors Online

This will provide easy and timely access to proper treatment to the people and will ensure good health of the citizens. All the citizens who have made online registrations for appointment under Anubhav Yojana will also get an SMS. This SMS will be sent to confirm the appointment (date and timings) details. This scheme will benefit 4.5 lakh people in the Kullu district.

(adsbygoogle=window.adsbygoogle||[]).push({});

Anubhav Yojana will also assist people in case the date or timings to meet the doctor are changed. Then they will get the message (SMS) on their registered mobile number regarding the change in date or time. This scheme will enable people to take suggestions and advice from the doctors directly at their fixed timings without any delay.

It is a hassle free process and people will not have to roam here and there and make unnecessary visits at the hospitals to get treatment. CM Jai Ram Thakur has received a warm welcome from the people of Kullu district. On this occasion, Yunus (DC Kullu) and CMO Dr. Sushil Chandra along with other officers were present.

The state government of Himachal Pradesh has started the initiative of providing quality food at very low cost under the scheme named as Rajiv Thali Yojana. Under a similar scheme named as “Amma Canteens”, Tamil Nadu government is providing subsidy on food. But Rajiv Thali Yojana is different from Amma Canteens, through this scheme, the government is providing a thali (Plate of food) with two rotis, a bowl of dal, sabzi and rice at just Rs. 25. A plan is being introduced by the government to provide food under this scheme at all the bus stands in the state. The idea of introducing the scheme on bus stands was given by transport minister of Himachal Pradesh, G S Bali. Once the scheme is implemented at bus stands, the passengers traveling by Himachal Road Transport Corporation (HRTC) buses, will not face the problems of getting food from overcharging dhabas where buses halted during the journey.

Rajiv Thali Yojana

After the success of Rajiv Thali Yojana, the concerned department is targeting to provide quality food the passengers of Volvo buses. The price of a single thali would be bit higher for Volvo bus passengers. The department is working on the task of identifying the places where the facility could be stated for Volvo buses.

(adsbygoogle=window.adsbygoogle||[]).push({});

HRTC minster said that, initially, it was difficult for the transport department to find contractors to run the scheme who saw no or marginal profit. In the beginning, nobody had come forward, forcing us to issue the advertisement twice. But now the situations has been changed as they tied-up with unemployed youth and cooperative societies to run the canteens.

As per the information, if a person sells 500 thali in a day then he would save Rs. 2 per plate and his daily income would be Rs. 1,000. In the beginning the main target of Rajiv Thali Yojana at identified bus stands is to end the complaints of overcharging at dhabas. To keep the price of a thali nominal, the government is providing only required infrastructures to run the scheme. Besides, to ensure the food quality at these canteens, HRTC has provided space and HP Civil Supplies Corporation provides utensils under CSR initiative.

(adsbygoogle=window.adsbygoogle||[]).push({});

Apart from providing food at nominal rates, drinking water packages are also being provided to the customers at Rs. 5 on no-profit basis. Officials of HP Civil Supplies Corporation and HRTC have been assigned a task of ensuring the quality of food in these canteens.

Rajiv Thali Yojana is currently active in few bus stands including, Palampur and Dharamshala of Kangra district, Una and Mandi while it would be made available at identified bus stands of remaining nine districts shortly.
