

Tripura government is going to launch a new scheme namely Super 30 Scheme for the academic year 2020-21. This scheme would be launched to help students of Tripura state to crack the engineering (IIT / JEE) and medical (MBBS) entrance examinations conducted. This scheme is based on Super 30 programme of the Patna based mathematician Anand Kumar.

Education Minister of Tripura said that Super 30 Scheme will fund 30 students from science stream in the state to get coaching at Kota based coaching centers. This Free Coaching Scheme will enable students to crack the engineering and medical exams every year.

All those students who miss out on educational opportunities, training courses, tuitions due to lack of economic or other resources would be benefited from this new educational scheme.

Tripura Super 30 Scheme for Academic Year 2020-21

Tripura Super 30 Scheme will help students from science stream to take coaching from Kota based coaching centers of their preference. All the beneficiary students would be selected on the basis of their merit and reservation policy. The selected students will get financial assistance in the form of coaching fee to secure good marks in engineering and medical competitive exams.

Initially, the Super 30 Scheme would be launched on pilot basis in the state of Tripura. The govt. will provide Rs. 2.40 lakh (on an average) as coaching fee per annum to each Super 30 beneficiary students. In the first year, Tripura govt. will invest Rs. 72 lakh on Super 30 scheme. Moreover, the state govt. will invest Rs. 1.44 crores in the subsequent years.

(adsbygoogle=window.adsbygoogle||[]).push({});

After this assistance, brilliant students from poor sections would be able to score better to get admission in top colleges for engineering and medical studies in the country. Tripura board saw pass percentage of 80.51% in class 12th examinations while science stream had pass percentage of 88.85%.

Super 30 programme was an initiative taken by Patna based mathematician Anand Kumar. Under this initiative, he took up coaching of 30 students belonging to underprivileged section of society. Most of the students of Super 30 programme had cracked the top engineering entrance examinations in the country over the years.

Tripura government is soon going to launch a new healthcare scheme on lines of Ayushman Bharat – PM Jan Arogya Yojana. The new scheme will be named as Ayushman Tripura Scheme & will provide cashless and paperless treatment upto Rs. 5 lakh. Poor people will get this free of cost treatment at all government and private empanelled hospitals.

Ayushman Tripura Scheme would cover 3.57 lakh persons and issuance of cards to the beneficiaries would cost the state exchequer around Rs. 9 crores. Poor people will be either benefited by the Ayushman Bharat Scheme or Ayushman Tripura. As the Ayushman Bharat Scheme only covers those whose name is present in SECC 2011 data but this scheme will cover all poor people.

The state govt. will introduce Ayushman Tripura Scheme soon where poor people will not have to pay anything to avail treatment.

(adsbygoogle=window.adsbygoogle||[]).push({});

Ayushman Tripura Scheme 2019

Ayushman Tripura Scheme will enable quality treatment for all poor people across the state. All the people whose name is not present in the SECC 2011 data list (Ayushman Bharat List) but are poor would be covered under Ayushman Tripura scheme. E-cards would be issued to beneficiaries to avail cashless treatment at all govt. / empanelled private hospitals.

In future, health services will be cheaper for poor people. The state govt. has made all health services free for Antyodaya Annapurna Yojana (AAY) beneficiaries. The tariff rates have been reduced by 35% for priority group households. However, tariffs for the Above Poverty Level people or APL have been hiked. There are around 1.08 lakh AAY families, 4.70 lakh families from Priority Group households and 12 lakh families from APL category.

(adsbygoogle=window.adsbygoogle||[]).push({});

Tripura Healthcare Tariff Rates Notification Dated 6 Sept 2019

Notification dated 6 September 2019 contains revised tariff rates of health care services like oxygen cylinders, Intensive Care Unit (ICU), diagnoses, cabin charges and diet. Some of the important features of revised tariff rates are as follows:-

- APL and Priority Group households needs to pay Rs. 20
- Rs. 10 for Outdoor Patient Treatment (OPD) Registration
- APL category & Priority Group In-patient Registration – Rs. 30 & 20
- ICU bed for Priority Group & AAY patients – Rs. 300
- ICU Bed for APL patients – Rs. 600 per day
- Hospital Diet for AAY & Priority Group – Free
- Hospital Diet for APL category – Rs. 50 per day
- Diagnostics Tests for AAY beneficiaries – Free
- Diagnostics Tests for Priority Group – 50% of Central govt. health scheme (CGHS)
- Diagnostics Test for APL patients – As per CGHS

The notification comprises of 337 clinical tests including radiology and pathological diagnostic tests. However, the actual figure is only 286. Till date, no revised tariff rates have been implemented while 51 items in notification were repeated.

Tripura govt. has announced to launch a scheme to distribute 2-2 cows each among 5000 families in the state. In the next 2 months, the state govt. will provide 10,000 cows (2 cows to 5000 families) to the people with the help of bank loans which will also ensure direct income to the families.

CM Biplab Deb also expressed his wish to domesticate cows at the CM's residence for his family and consume its milk. This move of the chief minister would give inspiration to the other people of the state to do the same. Also, this scheme will help in tackling the problem of malnutrition.

This scheme will ensure that the state is self sufficient in the production of milk in the upcoming 2 years.

Scheme to Distribute Cows to 5000 Families in Tripura

The state govt. of Tripura has decided to provide 10,000 cows to around 5000 poor families in the state. The primary objective of this scheme is to make the state self sufficient in the production of milk and dairy products. CM will start domestication of cows at CM's residence along with his family and will consume its milk to inspire other people for the same purpose of domestication of cows.

CM said that a scheme to distribute 2 cows each to poor families would soon be launched. CM clarifies that he is not against the setting up of industries but in that task, the investment is very high. One has to invest approx. Rs. 10,000 (Rs. 100 billion) for employing 2,000 people. But in case the state govt. has given 10,000 cows to 5,000 families, then they would start earning in the next 6 months.

(adsbygoogle=window.adsbygoogle||[]).push({});

Chief minister has been in the news earlier for a series of controversial comments. He earlier advised the youth of Tripura to not to waste their crucial time and instead of milk cows and run pan stalls for livelihood.

#त्रिपुरा सरकार ने अगले दो वर्षों में दुग्ध उत्पादन के मामले में राज्य को आत्मनिर्भर बनाने का संकल्प लिया है. इस बाबत सरकार ने अगले दो महीनों में राज्य के 5000 परिवारों को दो-दो गाय मुहैया कराने का निर्णय लिया है. बैंकों से ऋण के जरिए 5000 परिवारों को 10000 गाय मुहैया कराई जाएगी. pic.twitter.com/FVj6ih3NCw

— Biplab Kumar Deb (@BjpBiplab) November 3, 2018

The state govt. believed that the scheme will ensure that the Tripura state becomes self sufficient in the production of milk.

Tripura govt. has announced to launch Chief Ministerâ€™s B.Ed Anuprerana Yojana 2018. Under this scheme, the state govt. will provide interest subsidy on bank loans to B.Ed trainee teachers. This scheme will encourage students to pursue B.Ed Training Course to become eligible for teaching jobs. In this scheme, around 5000 candidates will be sponsored.

However, this subsidy on interest of bank loan is only applicable for those teachers who are taking admissions in B.Ed colleges with National Assessment and Accreditation Council (NAAC) accreditation.

Govt. is going to start the first batch under this Bank Loan Interest Subsidy Scheme from the current academic session. This scheme will cost Rs. 35.5 crore per annum to the state government.

(adsbygoogle=window.adsbygoogle||[]).push({});

CM B.Ed Anuprerana Yojana in Tripura â€“ Features

The state govt. of Tripura is going to launch this scheme for those who cannot afford free of cost B.Ed training. The important features and highlights of this govt. loan scheme for B.Ed Teachers is as follows:-

Govt. will provide interest subsidy on loans given to B.Ed training purposes.

Students who are going to take admissions in B.Ed colleges with NAAC accreditation are eligible.

This scheme will cost Rs. 35.5 p.a to Tripura government.

The batch will start from this session onward.

All B.Ed trainee teachers can now make repayment of loans after they get suitable jobs. The trainees will not have to pay any interest for the first 4 years. Govt. will soon sign a Memorandum of Understanding (MoU) with different banks to start the loan process for B.Ed Training.

(adsbygoogle=window.adsbygoogle||[]).push({});

Need for Interest Subsidy on Bank Loans for Teachers

There are 4,385 schools in the state which includes govt. / govt. aided schools and aided madrasas. There is severe shortage of trained teachers in such institutions. There are 41,912 teachers in govt. service and only 9,022 possess the necessary training as per Right to Education and National Council of Teachers Education (NCTE).

There are around 32,000 teachers serving in different schools without proper training. The state govt. wants to ensure proper availability of trained teachers as per national guidelines through CM B.Ed Anuprerana Yojana. Previously, SC terminates jobs of 10,323 school teachers from Tripura owing to faulty recruitment process. Most of these teachers could not fulfill the eligibility criteria as per NCTE guidelines.

Tripura government has launched CCL scheme for female employees to help the working females for better care of their children. Subsequently, women employees of the state having minor children can take 730 days paid leave under Child Care Scheme during their entire service life.

All the female employees will get paid leave salary even for their children sickness or their examinations. Moreover, this leave salary is equal to the actual salary of the employee. Female employees can avail this service for taking care of up to 2 children and for their basic necessities.

Female employees of Tripura state can avail this scheme only once in their entire tenure of service. Furthermore, women can take leave of uninterrupted two years for child care and also for sickness and examination purposes.

(adsbygoogle=window.adsbygoogle||[]).push({});

CCL Scheme for Female Employees

The important features and highlights of this scheme are as follows:-

The council of Ministers approves this Child Care Leave Scheme.

Subsequently, all the female employees having children below the age of 18 years can get leave for maximum 730 days in their entire service life.

The state govt. is not going to deduct the salary but the initial condition is that the employee must be working under state government.

In addition to this, employees must work in the state of Tripura. Moreover, the female employees can avail this service only once.

Accordingly, this scheme is necessary keeping in view the better nourishment of the children.

Childrenâ€™s in this growing stage of life seek attention of the parents especially of the mother.

Henceforth, govt. is starting this scheme for all the female employees serving in the state.

Supreme Court Decision on CCL Scheme

As per the decision of the Honorable Supreme Court in 2014 which stated that a women employee working under Central Government can take an uninterrupted leave for 2 years for child care. Moreover, the reasons for examination and sickness are also inclusive for the leave purpose.

(adsbygoogle=window.adsbygoogle||[]).push({});

Following the decision of Supreme Court, the officials of the Tripura state met several times to carry forward this initiative. Finally, govt. decided to facilitate the in-service females working in the state. They can avail the benefits of this scheme for proper nourishment of the children. Furthermore, this scheme is essential and will mark its contribution in the progress of the state.

The state government of Tripura has launched the central government's ambitious LPG distribution scheme for BPL families across the state. Under the scheme, free cooking gas connections would be provided to the BPL households. The scheme is named as Pradhan Mantri Ujjwala Yojana and is financially assisted by the central government. At present, the LPG coverage in Tripura stands at 48.9 percent and there are about 9.22 lakh households with LPG connection in the state. The LPG connection is being distributed under Pradhan Mantri Ujjwala Yojana (PMUY) throughout the country after the launch of the scheme by Prime Minister Narendra Modi on 1st May 2016 from Ballia in Uttar Pradesh.

The government would add 40 new LPG distributors and 40 new retail outlets to strengthen the supply of the LPG in the state.

(adsbygoogle=window.adsbygoogle||[]).push({});

Pradhan Mantri Ujjwala Yojana (PMUY)

Under the PM Ujjwala Yojana, government is providing free LPG connection with a financial assistance of Rs. 1600 to BPL household beneficiary. This scheme also covers the cost of LPG connection installation, suraksha hose, domestic pressure regulator and domestic gas consumer card etc. EMI facility is also available for the BPL household beneficiaries to pay the cost of their first refill and gas stove.

The preference will be given to the weaker sections of the society under the scheme. Under the Ujjwala Yojana, various sizes of cylinders (like 14.2 kg, 5 kg, etc.) are being offered depending upon the demand of householders.

(adsbygoogle=window.adsbygoogle||[]).push({});

Under PMUY, all the connections will be registered and given to women head of the households. Many poor woman households have been identified as the ones who are still using conventional and dangerous fuel for cooking. The oil marketing companies (OMCs) are distributing the free LPG connection to the women belonging to the Below Poverty Line (BPL) under the scheme. The households whose name is present in the SECC-2011 data list are eligible to take the scheme benefits.

For a subsidized LPG cylinder, a person who is registered as BPL category whether they reside in rural or urban areas can proceed with their BPL card to the nearest LPG distributor and register themselves under PMUY.

Pradhan Mantri Awas Yojana – Gramin (PMAY-G), the centrally sponsored rural housing scheme has been launched in Assam by the Chief Minister Sarbananda Sonowal. The scheme launch was marked by distributing sanction letters to some of the beneficiaries of PMAY-G at Sarusojai Stadium. Under the scheme, the state government has started the scheme for the construction of 1,64,245 pucca houses in the year 2016-17.

Pradhan Mantri Awas Yojana Gramin – Assam

Under the PMAY-G in Assam, the housing scheme beneficiaries will get 1.3 Lakh as financial assistance along with Rs. 12000 under the Swachh Bharat Mission for building toilet and Rs. 18000 under MGNREGA (Mahatma Gandhi National Rural Employment Guarantee Act). The central government has also extended the size of housing unit from 20 sqmt in earlier Indira Awas Yojana to 25 sqmt.

The state government is making all efforts to make the right selection of beneficiaries & construction of houses through a strong mechanism developed for the implementation. The state government has also appointed a nodal officer in each gram panchayat to monitor the whole process of PMAY-G implementation.

(adsbygoogle=window.adsbygoogle||[]).push({});

The selection of the beneficiaries for Pradhan Mantri Awas Yojana – Gramin is being done on the basis of SECC-2011 data considering several factors and validating those through gram sabha.

PMAY-G also provides a provision of a loan of up to Rs. 70000 for further extension of the house. A loan of up to Rs. 2 Lakh taken in 2017 for new home construction or extension will receive an interest subvention of 3% resulting in significant less burden of interest and less EMI's for the borrowers.

(adsbygoogle=window.adsbygoogle||[]).push({});

IN All, Narendra Modi on 31st December 2016 has also announced 33% increase in the number of houses to be constructed under the rural housing scheme by the year 2022.

The details and sanction details of the PMAY-G beneficiaries can be checked on awaassoft.nic.in using the registration number or by beneficiary name, sanction number, BPL number or father/husband number.

Pradhan Mantri Awas Yojana (PMAY) â€“ Urban, a flagship affordable housing scheme of central government has been extended to all 97 towns in Assam. However, the scheme was initially planned to be implemented in just 9 towns of the state. The urban development department of the state would start implementation of the scheme in all 97 towns simultaneously in first week of February 2017.

The government would stress on uniform structure of the houses to be constructed under PMAY. Government is working towards the successful implementation of the scheme in all towns and give new life to urban poor home seekers in the state.

Launched on June 25, 2015 by central government, Pradhan Mantri Awas Yojana â€“ Urban aims to provide 2 Crore homes to urban poor by the year 2022. The scheme offers financial assistance to the beneficiaries through several means including direct benefit transfer, subsidy and lower interest rates.

(adsbygoogle=window.adsbygoogle||[]).push({});

The central government recently have also started accepting online applications for Pradhan Mantri Awas Yojana through common service centers across the country. The interested eligible candidates can apply for PMAY â€“ Urban by visiting their nearest common service centers.

The beneficiary selection for PMAY-Urban is being done using the SECC-2011 data. The candidate selection and approval process starts from the Panchayat level and reaches all the way to ministry of housing and urban poverty alleviation.
