Odisha govt. is going to start a new Doubling of Farmers Income Scheme 2020. Directorate of Horticulture has initiated the process for introducing this scheme through convergence of agriculture and allied sectors. The Doubling of Farmer's Income scheme would be implemented as part of the 5T framework. The state govt. has already drawn a road map to achieve the income target by FY 2022-23.

As per the official sources, Doubling of Farmers Income Scheme will be implemented in 3 phases. In the first phase, govt. will start this scheme in 10 districts representing 10 Agro-Climatic Zones (ACZs). In the second phase and third phase, it will be rolled out in 10 districts each with representation of all ACZs.

Check the complete details of the Odisha govt. roadmap of realizing the objective of doubling farmer's income in the state.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Doubling of Farmers Income Scheme 2020 District List 1st Phase

In the first phase, the state govt. of Odisha will implement Doubling of Farmers Income Scheme in the following districts:-

Bhadrak
Bargarh
Dhenkanal
Kandhamal
Koraput
Malkangiri
Mayurbhanj
Nuapada
Puri
Sundargarh

The district-wise targets i.e the total number of farmers with source of funding from different schemes of agriculture and line departments have been finalised. The state govt. will support 5,910 farmers under the Doubling of Farmers Income programme during 2019-20 fiscal.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Doubling Farmer's Income 2020

Odisha govt's new Doubling of Farmers Income Scheme 2020 will ensure convergence and integration of various targets and financial outlays of ongoing schemes and programmes of the Centre and State. This includes various schemes as shown below:-

Matsya Pokhari Yojana (MPY)
Excavation of Farm Ponds under MGNREGA
Rural Backyard Poultry Yojana (RBPY)
Poultry rearing through deep litter system
National Horticulture Mission (NHM)
Various Schemes of NABARD

However, the complete focus of Odisha govt. will be on existing schemes for cash crops including papaya, banana, hybrid vegetables, rice under National Food Security Scheme, maize, nutri-cereals and pulses apart from vermi-compost and apiary.

To ensure accelerated growth in farmers income, there must be active involvement of multi-sectors, multi-stakeholders and multi-departments in agriculture and allied sectors. As a part of the Doubling Farmers Income Scheme, modules on regionally differentiated integrated farming system has been prepared and an operational guideline has been sent to all districts. All deputy directors and assistant directors of horticulture

have been instructed to take steps as per the guidelines.

It is important to note that govt. will provide credit linkages and subsidy assistance as per respective scheme guidelines. Kisan credit cards will also be made available for farmers to take up agricultural activities as per the norms of NABARD. Doubling of Farmers Income Scheme will be monitored at 3 levels through the State, district and block-level committees. Independent evaluation of the scheme will be conducted during and post project implementation to further refine the modus of operandi.

Odisha government has launched Mission Suvidya to ensure quality of basic facilities in tribal hostels. In this campaign, govt. will improve services like safe building, functional toilets, safe drinking water, proper kitchen and dining in hostel managed by SC / ST department. This scheme will help students to focus on their studies. For effective implementation of Mission Suvidya in Odisha, SC / ST dept. has signed 2 MoUs with Quality Council of India (QCI) and with Akshara Foundation. This Suvidya Scheme will guarantee quality services in safety and security, health, hygiene and food provisions for inmates. Mission Suvidya will conform to the objectives of 5T initiative of the Odisha government. This move will have a multiplier effect in overall quality of education in the state.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Mission Suvidya for Quality Services in Tribal Hostels

The state govt. of Odisha has started Mission Suvidya to bring qualitative shift in accommodation facilities provided to students in SC / ST hostels. Odisha Mission Suvidya has a maximum laid down standard to assure and sustain quality with an aim to achieve ISO certification. As per MoU signed, QCI would conduct a comprehensive assessment and evaluation of all hostels under SC / ST department. This will help in improving standard and quality of hostels to get ISO certificate.

The Akshara Foundation which is well known non-government organization (NGO) working on quality education will now collaborate with SC / ST dept. to improve learning outcomes of students. Akshara Foundation has developed specific education programmes for school kids, classroom / hostel library programmes and digital learning solutions. Over 2 lakh students at primary sections in schools under SC / ST dept. would be benefited in 1st phase.

(adsbygoogle=window.adsbygoogle||[]).push({});

There are more than 5.7 lakh students studying in 6500 tribal hostels. Mission Suvidya will provide pleasing atmosphere to all inmates in these hostels. Odisha govt. is facing criticism over reports of teenage pregnancy from these tribal hostels. During 2009-18, at-least 17 cases of teenage pregnancy and 14 cases of mental harassment were reported from schools and hostels managed by SC / ST department.

Attended the MoU signing program of #MissionSuvidya launched by Hon'ble CM @Naveen_Odisha , which is aimed at improving the basic services at residential schools managed by ST & SC Development Department.

Odisha government is soon going to launch Gaja Bandhu Scheme to check Jumbo deaths in the state. In the past few decades, there are a record number of cases of elephant deaths. This is due to man-animal conflict, loss of habitat, road accidents etc. So, the state govt. plans to deploy Gajabandhu volunteers to ensure safety and security of pachyderms. This Gaja Bandhu (Friend of Elephant) Scheme will involve local people residing close to forest areas in detecting jumbo herds in their locality. Odisha govt. may pay remuneration to people giving advance information about elephant herds to keep track of movement of elephants in their localities. A person on such duty would be identified as Gaja Bandhu and would be entitled to incentives.

Update – Odisha govt. to implement Gajabandhu Scheme from 1 October 2019.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Gajabandhu Scheme 2019

The important features and highlights of this scheme are as follows:-

Under the new Gaja Bandhu Scheme, the Forest department will appoint –Gajabandhus– in villages surrounding elephant corridors in the State to get information on their movement and location.

Each Gajabandhu (friend of elephants) will lead a team to track the movement of the jumbos. He/ she will also be responsible for coordination with field officials of Forest department.

The Gajabandhus will be entitled to Government remuneration. These volunteers can provide information about movement of elephants near periphery of human settlements to earn incentives.

This scheme will prevent elephant deaths due to road accidents and man-animal conflicts.

Odisha govt. will install speed breakers at 65 locations in elephant corridors to regulate speed of vehicles and will also install CCTVs at some of these locations.

The state govt. has identified 65 sensitive spots to install rumblers at these selected elephant movement zones in designated corridors.

Odisha Forest and Environment department has asked the NHAI authorities to construct underpass and overpass for elephants in 19 locations on Sambalpur-Angul road and Athagarh region.

In order to minimize man-animal conflicts caused by stray elephants, govt. proposed to install radio collars to track movement of elephants.

(adsbygoogle=window.adsbygoogle||[]).push({});

As per the reports of Wildlife Society of Odisha (NGO), around 1,497 elephants deaths recorded in state since 1990. Out of these, around 718 deaths were reported in last 9 years 5 months duration. These deaths includes 103 deaths by poachers, 67 by live electric wires, 45 by sagging electric supply lines and poorly fixed poles and 26 died by speeding trains.

Furthermore, the state govt. will also provide compensation to victims of elephant attacks online. Odisha govt. will soon launch a portal for this purpose. All the victims who seeks compensation would be required to apply online. The assistance will be provided by the state govt. to victims within 15 days.

Odisha government is soon going to launch Mo College campaign for development of colleges across the state. This abhiyan is announced by CM Naveen Patnaik. Under the Mo College campaign, the state govt. will distribute cash prize of Rs. 1 lakh to the best performing colleges in each block.

The main aim of Mo College Campaign is to connect the memories of the alumni with their colleges. The state government will make a decent budgetary provision to spread the campaign. All the active participants will make a part in the development journey.

The Mo College Campaign would be launched on the similar lines to that of Mo School programme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Mo College Campaign 2019-2020

CM Naveen Patnaik announced Odisha Mo College Campaign during a discussion on admissibility of an adjournment motion notice in Assembly on 30 July 2019. The proposed Mo College Campaign will be started for development of colleges with the help of their alumni. The previous Mo School campaign provides a platform for former students to connect with their childhood memories and be a part of the change they want to see in their schools.

The state government is committed to development of higher education. Accordingly, the state govt. of Odisha will setup 6 new degree colleges at Balangir, Kalahandi, Dhenkanal, Kandhamal, Koraput and Gajapati districts under Rashtriya Uchchatar Siksha Abhiyan (RUSA). Till date, there are 52 government degree colleges and eight model colleges in Odisha.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha govt. has taken various steps to fill up vacancies of teaching in staff in colleges. The students in Odisha are more inclined towards private colleges owing to large-scale vacancies in teaching staff and lack of infrastructure in government colleges. The main focus of the state govt. is on improving the overall quality of teaching.

Moreover, govt. will lay stress on the need of reorientation in teaching of history. Now the local heroes like Rana Pratap Singh would be given more importance over outsiders like Babar and Akbar. The state govt. has also decided that Sambalpur University must be trifurcated with two more universities at Bhawanipatna and Balangir.

Scheme for UPSC Civil Service Coaching Odisha – Background

For a long time, there was an urgent need for a state sponsored Centre for Administrative and Academic Career development for youth from Odisha. These youths includes all the students who completed their graduation and post graduation degree from universities and are looking for a career in administrative jobs in civil services, banks, insurance sectors or in private sectors. But the success rate of graduates from Odisha universities in national level competitive examinations without any preparatory training was lower.

So, the students had to travel to Delhi to prepare for Civil Service examinations. In Delhi, students get access to quality library and private coaching centres having good and dedicated teachers. For poor but talented students of Odisha, getting training in New Delhi by spending huge amount of fees and living expenses is difficult. So, the state govt. tries to tackle this problem by funding high quality training centres in universities.

Though these centres will take some time to stabilize, so govt. felt an urgent need of selection of coaching centre which can impart quality training in a focusses manner. Moreover, the coaching center must have credential of imparting effective coaching for UPSC civil service exam and whose success rate must also be high. So, DHE Odisha has selected M/s Dhyeya IAS, New Delhi after following a transparent tender process. The coaching center has been established in Bhubaneswar in order to ensure that Odia students gets coaching opportunity in their home State.

After the recent win in the assembly elections in Odisha, CM Naveen Patnaik has extended the scope of Krushak Assistance for Livelihood and Income Augmentation (Kalia) Yojana. This decision to extend the scope of Kalia Scheme beneficiaries was taken in the inaugural Odisha cabinet meeting held on 29th May 2019. Now the government has announced the inclusion of 33 lakh more farmer families as beneficiaries in the Kalia Yojana New Beneficiary List.

Now the target of Kalia Yojana beneficiaries has been increased to 75 lakh farmers families from the previous 42 lakh families. Around 25 lakh of the additional families would be assisted in the next one week time.

Accordingly, the fund release starts with immediate effect i.e from the date of cabinet meeting (29 May 2019).

Under the flagship Biju Swasthya Kalyan Yojana (BSKY), the Odisha govt. has decided to launch Swasthya Mitra Program. This scheme will facilitate treatment of BSKY card holders at private hospitals. Till date, around 70 lakh families have already been benefited by the BSKY scheme in availing cashless treatment at hospitals in Odisha. To further assist Biju Swasthya Kalyan Yojana beneficiaries, Swasthya Mitra Scheme would be launched. To ensure effective implementation of BSKY Scheme, Swasthya Mitra are going to be deployed in hospitals. The state govt. is going to initiate a 3rd party assessment of Swasthya Mitra Scheme. As per the external agency's report, further steps would be taken to equip the scheme better. All the BSKY beneficiaries will become eligible to avail free treatment in 200 private hospitals in the state of Odisha. Moreover, people can also avail treatment in 20 big hospital chains (super-specialty hospitals) outside the state.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Swasthya Mitra Scheme for BSKY Beneficiaries

To extend the outreach of BSKY, the state govt. has initiated measures for enrollment of more hospitals under the Biju Swasthya Kalyan Yojana (BSKY). The State Health Society is holding negotiations with various hospitals. The patients are finding it difficult to access the benefits of Biju Swasthya Kalyan Yojana (BSKY) in private hospitals, so the state govt. is going to implement Swasthya Mitra Scheme 2019. Swasthya Mitra Service is going to provide assistance to BSKY beneficiaries during their visits to the empanelled hospitals for treatment. This decision is taken at the meeting of State Health Assurance Society. Now each empanelled private hospitals would possess one help desk where Swasthya Mitras will guide and assist BSKY card holders who comes to avail medical facilities.

(adsbygoogle=window.adsbygoogle||[]).push({});

Approx. 70 lakh families of Odisha have been covered under BSKY Scheme who are entitled to get free medical treatment in both private and govt. hospitals. The state govt. has enrolled around 200 private hospitals in Odisha and around 20 super specialty hospitals outside the state. In addition to this, govt. has also decided to enroll more hospitals outside Odisha to provide better healthcare facilities under BSKY to Odia people living in other states. Previously, the state govt. was taking several steps for empanelment of all state and central govt. hospitals outside Odisha under BSKY for free treatment of Odia people. Health dept. will properly implement proposed Swasthya Mitra Scheme to provide quality service to BSKY beneficiaries with a provision of 3rd party audit. Odisha govt. has included over 44 lakh beneficiaries of Rashtriya Swasthya Bima Yojana (RSBY) into Biju Krushak Kalyan Yojana (BKKY). This move was taken after the validity of RSBY Scheme launched by the central govt. expires on 31 December 2018. All the beneficiaries have been advise to exchange their old RSBY cards with the new BSKY ones.

Odisha government is soon going to launch Revenue Portal to facilitate its citizens in all land related issues. Now all the land related services like Bhulekh, Bhunaksha, online land records management would be provided through a single platform. The previous bhulekh portal for land record of Orrisa state i.e bhulekh.ori.nic.in would continue to provide bhulekh information. While the new Odisha Revenue Portal would address all land related issues.

At this portal, citizens would be able to get their land records online and can even perform search operations. This new land record portal of Odisha would enable people to get their Jamabandi Nakal, Map, Khasra Number, Khatauni Number and other land services online.

People would be able to search land records by name, search of bhulekh, bhu naksha and can even make login to access land services and maps.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Revenue Portal – Bhulekh / Bhunaksha / Land Record Services

Odisha Revenue Portal is going to be developed by National Informatics Centre (NIC). This new land record portal will also possess an interface for all stakeholders which includes officials and the general public. The following services would remain available at this new single platform for land related services as it would integrate various online platforms whose list is given below:-

Services to Be Integrated on Revenue Portal

Bhulekh
BhuNaksha

Land Records Management System
Revenue Court Case Monitoring System

Dynamic Web Information System of Tehsils
Manual of Tehsil Accounts

Revenue Dashboard
Document Management System for Land Records

The main objective is going to transform the revenue administration into a modern and responsive system. This would be done through by adopting technology to effectively meet the needs and aspirations of the people. The primary focus would be on the strict audit trail, inter-operable systems and robust disaster recovery mechanism.

(adsbygoogle=window.adsbygoogle||[]).push({});

The state government has given top priority to identification and freezing of forest land through an application developed by NIC. Moreover, govt. has already asked Tehsildars of industrial districts like Angul, Sundargarh, Jajpur, Dhenkanal, Khurda, Cuttack, Keonjhar, Jharsuguda, Balangir, Kalahandi and Koraput to complete the process of identification till 28 February 2019.

NIC is also going to develop an application to automatically reflect status of forest land. In addition to this, Odisha

Space Applications Centre would be consulted for colour coding of maps published under high-tech survey. The state govt. is carrying on the process for consent-based Aadhaar seeding on land records.

Odisha state government has decided to launch a new Common Scholarship Portal (www.odishascholarships.gov.in) for students. Now all the meritorious students would be able to apply online to avail chhatravriti benefits. Odisha State Scholarship Portal is going to be developed as a single digital platform for all scholarship schemes. This website will be maintained by the Odisha Computer Application Center (OCAC).

This Odisha State Common Scholarship Portal will provide an easy to use interface to meritorious students to apply for all scholarships at one place. As per the higher education department, OCAC is also going to provide modules in the common portal for data analytics and blockchain for helping departments taking data based on policy decisions. It is expected that the common scholarship portal for students will go live from January 2020.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha State Common Scholarship Portal

The Odisha govt. has asked OCAC to complete the development, testing and trial run of the Common Scholarship Portal before launching. The official portal would be functional at www.odishascholarships.gov.in. Aadhaar authenticated e-KYC process would be explored to ensure the authentic disbursement of scholarship amount to the students. The state govt. has decided that pre-metric Unified District Information System of Education (UDISE) database of Odisha Primary Education Programme Authority (OPEPA) and Odisha School Education Programme Authority (OSEPA) and post-metric database of Student Academic Management System (SAMS) will be used for developing a comprehensive “Student Registry” system by the OCAC.

(adsbygoogle=window.adsbygoogle||[]).push({});

Both these departments will take necessary steps to provide application programme interface for real-time sharing of data with the scholarship portal. Accordingly, to ensure safe usage of student’s data, OCAC will define the data sharing protocol.

The Common Scholarship Portal of Odisha would also be integrated in the iFMS. This will be done to ensure an end-to-end scholarship disbursement process without any human intervention. The student registry could also be used to deliver many other benefits such as financial incentives to school students for purchase of bi-cycles by School and Mass Education Department.

Odisha govt. has raised the social security allowance under the Madhu Babu Pension Yojana. Now the old age pension for all the senior citizens under MBPY is hiked which will come into effect from 15 February 2019. CM had made this announcement at a programme organized under Ama Gaon Ama Bikash campaign in Bhubaneswar.

Earlier in the month of December 2018, the state govt. of Odisha had decided to include 5 lakh new beneficiaries in Madhu Babu Pension Yojana under PEETHA (People Empowerment – Enabling Transparency and Accountability of Odisha initiatives) Scheme. This inclusion is going to ensure that not a single eligible person is left out under social security scheme benefits.

Moreover, the state govt. has also hiked the social security allowance for all the beneficiaries who are receiving allowances under disabled and widow pension scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Old Age Pension Amount Hiked under MBPY

As per the official announcement, the new old age pension in Odisha has been revised to Rs. 500 from Rs. 300 for people b/w 60 to 79 years of age. Similar to this, people who are above 79 years of age would now get revised pension amount of Rs. 700 from previous Rs. 500 under Madhu Babu Pension Yojana in Odisha. In addition to this, the state govt. has also announced to hike allowance amount by Rs. 200 under Handicapped Pension Scheme and Widow Pension Scheme in Odisha. Around 48 lakh pension beneficiaries would be benefited by the hike in allowances which are going to be distributed under the sponsored social security scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

This announcement of raising the pension amount under Madhu Babu Pension Yojana (MBPY) is an effort to attract people towards it. This decision of raising the amount under Old Age Pension, Disability Pension and Widow Pension Scheme is an effort to strengthen social security in the state.

Odisha govt. has announced extension of free health services under Biju Swasthya Kalyan Yojana on 17 January 2019. Now healthcare services under BSKY scheme would remain available in all Government Medical College Hospitals from 1 February 2019. All the patients whether from above poverty line (APL) or below poverty line (BPL) category would be able to avail health services and blood bank facility free of cost.

Earlier under Biju Swasthya Kalyan Yojana in Odisha, the free treatment facilities for all were available from sub-centres at village level up to the district headquarters hospital level.

The state govt. of Odisha had launched BSKY scheme on 15 August 2018 which had received an overwhelming response with around 2.25 crore instance of free healthcare taken by the people.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha BSKY Scheme 2019 Extended to all Govt. Medical Colleges

Under Biju Swasthya Kalyan Yojana 2019, govt. provides cashless treatment upto Rs. 5 lakh for secondary and tertiary hospitalization. This cashless healthcare facility is being provided to all the people and even there is no requirement of any income, residence or any document.

Under BSKY Scheme 2019, govt. will provide free services which would cover all procedures in all government health facilities. This includes in-patient beds, surgeries, operation theatre (OT) facility, ICU facility without any charge. To successfully implement this decision of inclusion of govt. medical colleges, the state govt. has made an additional provision of over Rs. 100 crore from the state budget 2019-2020.

(adsbygoogle=window.adsbygoogle||[]).push({});

BSKY women beneficiaries can avail health cover upto Rs. 7 lakh. Odisha govt. has launched this health insurance scheme to benefit around 3.5 crore people at any govt. or private empanelled hospital. Now in all empanelled private hospitals, around 70 lakh families would continue to avail cashless treatment.

Happy to share that free health services under #BSKY will now be available in all Government Medical College Hospitals across #Odisha from Feb 2019. Patients, irrespective of APL or BPL category can now also avail free blood bank facility free of cost. @HFWOdisha pic.twitter.com/kVmdeFYjw3

â€” Naveen Patnaik (@Naveen_Odisha) January 18, 2019

By taking this decision to include all govt. medical colleges in BSKY Scheme 2019, govt. creates another milestone towards achieving the vision of Universal Health Coverage (UHC) for the people.

Odisha Government is going to launch a new Lightning Alert mobile application by the month of March of FY 2019. This mobile app will send alerts on thunderstorm, lightning and other calamities to all smartphone users. This state govt. move comes in the wake of increasing number of deaths due to lightening deaths. People can download this lightning alert mobile app to get all information on lightning incidents.

The state govt. of Odisha is working in collaboration with the US based firm Earth Networks to launch the mobile application. This mobile app is going to be developed within 2 months and will help people to know the exact time and place of lightning strike. This information can be used to reduce the related deaths in the state.

Till date, a total number of 4,689 deaths have been reported due to natural calamities between 2015-16 and 2017-18, out of which around 1,256 deaths occurred due to lightning.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Lightning Alert Mobile App Download

In the last FY 2017-18, around 460 people died due to lighting which is 15% more than deaths in 2016-17. A highest number of 130 deaths have been reported in the Mayurbhanj district followed by 95 deaths in Balasore and 89 deaths each in Ganjam and Keonjar districts. So, the state govt. of Odisha has decided to launch Lightning Alert Mobile App to provide latest information regarding lightning incidents in the state.

SRC said that the Odisha govt. is working in collaboration with the Earth Networks and has already installed the lightning detection and early warning systems in coastal districts of the state. This mobile app is going to disseminate information to people on lightning as well as cyclonic disasters.

(adsbygoogle=window.adsbygoogle||[]).push({});

This mobile app system will provide prediction about lightning around 45 minutes in advance. Moreover, this app can also predict hail winds, storms and thunderstorms in advance. The state govt. has already signed a pact with BSNL to send SMS alert to people on lightning. In addition, the state govt. of Odisha is also making efforts to collaborate with other telecom partners for the same purpose.

Odisha State Disaster Management Authority (OSDMA) in collaboration with Center for Environment and Climate at SOA University is going to organize a 3 day International conference on “Thunderstorms and Lightning in Tropics”. This conference would be organized in the varsity campus from 17 January 2019 to 19 January 2019. This International conference at SOA will be attended by more than 300 experts which would includes scientists and researchers from US, Malaysia, Sri Lanka and Thailand. The Indian Meteorological Society (IMS), Bhubaneswar Chapter, Indian Institute of Tropical Meteorology (IITM) Pune, Earth Networks and RIMES, Bangkok would also be one of the partners of OSDMA and SOA for the conference.

Central govt. has launched the Ujjwala Sanitary Napkins Initiative for women in Odisha. Under this scheme, all the women will get access to hygiene products along with employment opportunities in every district of the state. This scheme of Union govt. will be a counter of the state-run Khushi Scheme in which govt. provides free sanitary napkins to female students of govt. and govt. aided schools in the state.

In 1st phase of Ujjwala Sanitary Napkin Initiative, oil marketing companies will setup around 100 local manufacturing units. OMCs will setup these units at common service centers (CSCs) across 93 blocks in 30 districts in Odisha. Common Service Centres (CSCs) are facilities which are set up to deliver govt. e-services in rural and remote locations. As per the National Family Health Survey (NFHS) report, the overall usage of sanitary napkins in Odisha is 33.5% which is quite low. So, central govt. wants to make usage of sanitary napkins into a mass movement.

(adsbygoogle=window.adsbygoogle||[]).push({});

Ujjwala Sanitary Napkins Initiative by Central Govt.

The central govt. has started Ujjwala Sanitary Napkin Initiative to promote hygiene and providing job opportunities to women. Each manufacturing unit would be setup at an approx. cost of Rs. 2.94 crore. Each pack will comprise of 8 sanitary pads for which the cost is Rs. 42 per pack. Moreover, each manufacturing unit will employ 5 or 6 Ujjwala beneficiaries. So, this initiative will provide employment to nearly 600 women across all the districts.

All the women will first receive training in manufacturing and sale of sanitary napkins. This initiative will provide opportunities to women to earn between Rs. 5,000 and Rs. 15,000 per month. This scheme is going to make women self reliant as the previous measures of distributing money to women through revolving funds is insufficient.

(adsbygoogle=window.adsbygoogle||[]).push({});

Ujjwala Sanitary Napkins Initiative will raise the overall usage of sanitary napkins in women and will promote women hygiene. This initiative will provide an opportunity to all the ujjwala beneficiaries to earn in poor and rural areas. Now such ujjwala scheme beneficiaries can earn in the hours saved from no longer having to cook on firewood.

Union Minister @dpradhanbjp launched the “Ujjwala Sanitary Napkin”™ initiative in Bhubaneswar. Under this CSR initiative Oil Marketing Companies to set up manufacturing units of Ujjwala Sanitary Napkins at the Common Service Centres across the state. #EmpoweringWomen pic.twitter.com/bs1ySG9mK0
“ Rajesh Tripathy (@RajeshKTripathy) December 30, 2018

At each center, around 5 women would be involved in production and another 5 in marketing. Around 35 lakh women have been benefited by Ujjwala Yojana and now this number could reach upto 45 lakh women. Each facility can produce between 1200 to 2000 pads per days.

Sanitary pads would be made from biodegradable substances like virgin wood pulp sheet, non-woven white sheet and a gel sheet. Moreover, sterilisation rooms would be setup at units to ensure that the products are packed in a hygienic manner.

Odisha CM Naveen Patnaik has launched Soura Jalandidhi scheme for farmers on 30 November 2018 to increase the use of solar energy in agriculture & empowerment of farmers. Interested farmers can avail solar agricultural water pumps at 90% subsidized rates by filling the online application form at odishasolarpump.nic.in. The state govt. has now announced an ambitious plan to supply 5,000 solar-powered agricultural pumps to incentivize farmers and to reduce the state burden on subsidy.

Soura Jalandidhi scheme will promote the use of green energy, reduce pollution and will also ensure that farmers have sufficient electricity for farming activities. The scheme has been launched for the overall development and progress of villages and agriculture and to irrigate additional 2500 acres of land in the state.

In the first phase, the farmers of the unserved and underserved areas will be given the facility and later it will be implemented in the whole state.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Soura Jalandidhi Scheme Online Application Form for Farmers

The state govt. has started Soura Jalandidhi program under which solar pumps would be given to the farmers of Odisha with upto 90% subsidy. Below is the complete procedure to apply online for Soura Jalandidhi scheme:-

Visit the official website odishasolarpump.nic.in

At the homepage, click at the "Apply Online" link or directly click this link

Then enter the proceed button to open the Soura Jalnidhi scheme online application form and enter the complete details.

Next, click at the "Submit" button to submit the completed online application form. Finally, candidates can Login to avail subsidy on agricultural pumpsets.

This agriculture water pump scheme will benefit ryots as they would be able to irrigate their crops during day time. Moreover with an increase in electricity demand, the shift of agricultural load to solar energy will save investment on costly thermal power. This scheme will lessen the cost burden of our farmers and will also increase farm incomes.

(adsbygoogle=window.adsbygoogle||[]).push({});

All the small and marginal farmers having valid farmer ID with minimum 0.5 acre cultivable land holding and a dug well will be covered under the Soura Jalandidhi programme. Around 5,000 solar water pumps will be given to the farmers of Odisha which will create an irrigation potential of an additional 2500 acres in the state.

Odisha government has modified guidelines of Biju Swasthya Kalyan Yojana (BSKY) as the annual income limit for the treatment of cancer, heart and kidney diseases is now raised from Rs. 1 lakh p.a to Rs. 3 lakh p.a. In addition to this, all the premier hospitals which includes Tata Memorial Hospital, Mumbai, CMC Vellore, Narayana Hrudalaya have also been covered under the BSKY scheme. This scheme is to benefit 3.5 crore people (70 lakh families) at any govt. and private empanelled hospitals. CM Naveen Patnaik has termed the state's own healthcare scheme a success and informs that around 1.1 crore patients have been benefited within 2 months of BSKY scheme launch. The state govt. is claiming that Biju Swasthya Kalyan Yojana is better than Ayushman Bharat-PM Jan Arogya Yojana (AB-PMJAY) scheme of the central government. So, the state govt. has modified the guidelines to benefit more families in the state.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha New Guidelines for Biju Swasthya Kalyan Yojana
The modified guidelines for BSKY scheme are hereby stated as follows:-

Now people can avail treatment upto Rs. 3 lakh in case of treatment of cancer, heart and kidney diseases which was previously Rs. 1 lakh.

Odias who are living outside Odisha can now also avail the benefits of BSKY scheme anywhere across the country.

Moreover, the Odisha citizens who wish to seek the benefits the scheme outside the State will also be able to do so. For this, all the state & central govt. hospitals needs to be empanelled under BSKY scheme.

Around 4,036 medical packages are included under the Biju Swasthya Kalyan Yojana (BSKY) whereas the Pradhan Mantri Jan Arogya Yojana (PMJAY) covers only 1,343 packages.

All the premier hospitals such as Tata Memorial Hospital, Mumbai, CMC Vellore, Narayana Hrudalaya have been included in the BSKY scheme.

Any patient who will be referred to any hospital outside the state will also get a conveyance charge at the rate of Rs. 2,000. This amount will be transferred directly to the bank account of the beneficiaries.

Besides all the govt. hospitals within the state, BSKY will initially cover around 208 private hospitals. Package rates have also been revised upwards to attract more hospitals to be covered under the scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Biju Swasthya Kalyan Yojana will provide annual health coverage of Rs. 5 lakh per family and Rs. 7 lakh for women members of the family. Even all the beneficiary families need not pay any premium amount as the state govt. will pay the full premium on the behalf of beneficiary family.

After reviewing #BSKY, CM @Naveen_Odisha expanded scope of flagship healthcare scheme. It will now be available to Odias living outside the state and at all premier hospitals across India; income limit for cancer, heart & kidney hiked from ₹1L to ₹3L. #BSKYRollsAcrossIndia (1/2) pic.twitter.com/7Qys9AzLWv

Odisha CM Naveen Patnaik has launched Odia Virtual Academy Website ova.gov.in/de to preserve resources of Odia language and culture of the state. This will help the state govt. to present Odia as the language of knowledge & science before the current and future generation which will preserve the "Dignity" of nation. OVA portal contains library, magazines, dictionary, info. on cultural dance and music and even translation for Odia language. OVA website also contains links for other Odia websites, OVA webinar, virtual classes, online certification courses, citizen book upload, Odia software, Odia font, workshops, Odia blog and language learning. The first and foremost purpose to launch OVA is to portray the past and present in front of the future generation to recognize and widespread odia as a language of knowledge and science.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odia Virtual Academy Website

The primary objectives behind the launch of Odia Virtual Academy websites are as follows:-

To digitize approx. 2000 rare and copyright free books and to establish a free digital library.

To digitize various dictionaries which are presently available and to upload such dictionaries on Odia Virtual Academy website for free access to citizens.

Promotion of Odia unicode fontfaces by standardization of typing keyboards and to make them affordable for general public in the next 6 months.

To develop primers and their uploading on Odia Virtual Academy to ensure easy learning and speaking of Odia language by English, French, German, Japanese and Spanish people.

Dedicated Odia Virtual Academy website which hosts rich repository of digital version of our rare literary works. It will help researchers, language lovers and especially youngsters staying all over the world to read our magnificent literary works <https://t.co/uuvNF0y5bb> pic.twitter.com/hghwF5aaCb

(adsbygoogle=window.adsbygoogle||[]).push({});

“Naveen Patnaik (@Naveen_Odisha) October 27, 2018

All the details regarding Odia language are present at the official ova.gov.in which will provide all the necessary information about the language.

Purpose of Odia Virtual Academy

OVA website will serve the following purposes for protecting the integrity of Odia language:-

Odia Virtual Academy website has been launched to digitize and preserve rare Odia books, lexicon, ancient magazines-journals, traditional music, ancient documents and literature on science and history.

Moreover folk culture, tribal language and literature, history-oriented essays, speech of great personalities, Sri Jagannath culture, temple and architectures would also be preserved.

This website will preserve the contributions of poets, writers, playwrights, journalists, critics, translators and literary stalwarts, all those people who have enriched and protected the treasure of Odia language.

OVA website will work and promote the recent trend of computer and internet based application of language resources. This website will ensure simple and easy use of Odia language in computers, and will be helpful for relevant research work by govt/private organizations, institutions, academies and universities.

OVA website will develop an internet based dictionary, thesaurus, encyclopaedia in Odia though vocabulary and grammar are important for any language.

Odisha govt. has launched Star Rating Program for Industries to cut off air pollution and to improve air quality. Under this Star-Rating Programme, industries would be assign 1 star to 5 star ratings on the basis of their efforts to meet the standards set by Odisha State Pollution Control Board (SPCB). The state govt. has launched a new website where citizens can get all information related to industries at www.ospcb.info Star Rating Program will assist general public to find out whether industries located near them are fair in their environmental compliance and empower them to strengthen regulations through public participation. This programme is a first of its kind initiative in the state which focuses on ensuring transparency in compliance to pollution standards. This program aims to inform residents and industries and also strengthen the regulatory efforts by the Odisha SPCB through Real Time Check on Pollution.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Star Rating Program to Monitor Emissions of Industries

As per the pollution standards set by the regulatory authority, govt. will categorize the industries on scale of 1 to 5. Odisha Star-Rating Program is an initiative to help citizens to identify the sources of pollution in their neighbourhoods and cities. This scheme will empower people to ensure that industries near them comply with existing Indian Laws. Star Rating Program is an example of state's 3T framework – Teamwork, Transparency and Technology.

This programme is a joint effort of State Pollution Control Board (SPCB) and Energy Policy Institute of the University of Chicago (EPIC). Rating of Industries would help in strengthening the pollution board's regulatory efforts. Odisha Star Rating Program is based on particulate matter (PM) emissions of large manufacturers of steel, cement, aluminium and other major power plants.

(adsbygoogle=window.adsbygoogle||[]).push({});

CM Naveen Patnaik marked the launch of this Star Rating Programme and has demonstrated commitment to transparency and accountability. Govt. will utilize continuously monitored emissions data which is captured in real time from several major industrial plants. This will encourage industries to adopt clean technologies to maintain clean environment. To access rating, visit the official website <https://ospcb.info/> to ensure improved transparency and cleaner air.

CM @Naveen_Odisha launched first-of-its-kind star-rating programme for industries. The bold transparency initiative will disclose pollution information from nearby industries to public with real time data. @EPIC_India distilled emission data into ratings. #3T pic.twitter.com/a3ocsMaUiR

— CMO Odisha (@CMO_Odisha) September 17, 2018

Citizens will also be able to identify the sources of pollution through this Star-Rating Programme. This program aims to cover 20 industrial plants initially and will eventually cover all 136 plants with continuously monitored data. SPCB will conduct inspection and re-calibration drives to check air quality data and will update ratings every month. EPIC India researchers and TCD will implement this program in a phased manner.

Odisha govt. is soon going to conduct a Fresh Survey of Landless families under Pradhan Mantri Awas Yojana Gramin (PMAY-G) and Biju Pucca Ghar Yojana. The state govt. has asked collectors to identify total number of homestead landless households in rural areas. This identification process would run in campaign mode to identify beneficiaries under PMAY-G and Biju Pucca Ghar Yojana.

After the fresh survey is conducted, govt. will prepare a complete list of beneficiaries under PMAY-G & Biju Pucca Ghar Yojana. This list would be prepared on the basis of eligibility criteria to allot homestead land to beneficiaries under provisions of Odisha Government Land Settlement Act / Rules and Odisha Prevention of Land Encroachment Act / Rules.

On completion of survey, detailed guidelines would be issued to districts for distribution of house sites to eligible beneficiaries.

(adsbygoogle=window.adsbygoogle||[]).push({});

Fresh Survey of Landless Families under PMAY-G & Biju Pucca Ghar Yojana in Odisha

The state govt. is planning to conduct a fresh survey for landless families in order to ensure that no homestead landless families is left out of "Housing for All" scheme. Previously in the month of May, Revenue and Disaster Management dept. had invited applications from landless households through advertisements. Now as per the list of beneficiaries created after the survey, each landless family in Odisha would be given house under PMAY-G & Biju Pucca Ghar Yojana.

Govt. has also asked the collectors to purchase private land in districts in case the govt. land is unavailable for construction of houses. The state govt. has issued directions to collectors in mineral bearing districts to purchase private land from District Mineral Foundation (DMF) fund. Houses will then be constructed for the beneficiaries under Biju Pucca Ghar Yojana (Mining) and Pradhan Mantri Awas Yojana "Gramin (PMAY-G).

(adsbygoogle=window.adsbygoogle||[]).push({});

Till date, around 97,149 families have already being identified. After the fresh survey, govt. would place the necessary funds with the collectors to purchase private land in various districts. On completion of survey, detailed guidelines will be issued to districts to distribute housing sites to eligible beneficiaries. Sub-collectors and Additional District Magistrates (ADMs) are going to monitor the progress at regular intervals.

Revenue and Disaster Management dept. had asked the districts to report enumeration figures below 1,000 to re-examine and re-submit figures by August. Revenue Inspectors (RIs) are given directions to submit a certificate to respective tehsildars stating that no homestead families have been left uncovered in the survey. All the ADMs had been advised to ensure the cases are disposed in given time frame.

Odisha govt. has decided to distribute 4 crore Free LED Bulbs to beneficiaries of National Food Security Act (NFSA). The state govt. will distribute these bulbs under Ama Ghare LED Light Scheme with main focus on conservation of power. Each NFSA beneficiary will get 2 LED bulbs free of cost. Each bulb will have a warranty period of 3 years. The responsibility for Free Distribution of 4 crore LED bulbs is given to Odisha Power Transmission Corporation Limited (OPTCL). The state govt. wants that all the process for implementation must be completed till September end. Govt. will implement this Free LED Bulb Scheme from next month of October 2018. people can get these Bulbs at PDS and fair price shops.

(adsbygoogle=window.adsbygoogle||[]).push({});

Free LED Bulbs to NFSA beneficiaries in Odisha

Under this scheme, poor people in the state will now get 2 LED lights absolutely free of cost. This LED Bulb Distribution Scheme in Odisha will be carried out under Ama Ghare LED Light Karyakram. All the bulbs to be supplied are energy efficient and usage of these bulbs will lessen the electricity bills of poor people. These LED bulbs will light up the houses of the people from economically weaker sections who can't afford to buy energy efficient LED bulbs. Bulbs will be distributed to the beneficiaries through Public Distribution System Retail Shops and fair price on the dates specified for ration distribution. All the PDS dealers will be paid commission to distribute LED Bulbs. Earlier, the state govt. has made this announcement in Odisha Budget 2018-19 with focus on raising the living standards of people. For this Free LED Bulb Distribution Scheme, the state govt. has allocated Rs. 125 crore.

(adsbygoogle=window.adsbygoogle||[]).push({});

In another directive, govt. has issued directions to food supply officers to immediately update the number of food security scheme beneficiaries. Odisha govt. will issue ration cards to all those beneficiaries who submitted their records till 2 September 2018.

As per the latest report, around 79.51 lakh out of 96.23 lakh families in the state are electrified under Pradhan Mantri Sahaj Bijli Har Ghar Yojana "Saubhagya Scheme. This scheme will counter the UJALA Scheme of Central government.

Union Minister for MSME, Mr. Giriraj Singh has announced to launch One District One Product Scheme in Odisha very soon. Under ODOP scheme, each district in Odisha is assigned a single product which is available in abundance and for which the place is famous. This is done to provide market link to the farmers and to make small industries successful in the state. Central govt. will publish the complete list of district wise products (pdf) and launches the website soon.

Govt. will conduct a survey of districts in Odisha on potentials of starting new MSME units. These units are in aromatic, agro, marine food processing, organic food marketing, turmeric and ginger processing. List of products will be made on the basis of this survey and then will be uploaded on the official website.

This announcement was made while participating at the inaugural function of SC-ST State Conclave cum Exhibition under National SC-ST Hub and inauguration of NSICs Dharmapada Bhawan here.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha One District One Product (ODOP) Scheme – List & Website

One District One Product Scheme in Odisha will help farmers and small traders to a large extent. Under ODOP Scheme, people can start their small business with the product being designated to the district and create more employment opportunities. List of Products for each district and website will be launched soon. Govt. will take farmers of Kandhamal district to Maharashtra for on the field visit. These farmers will see the agro-clusters and then around 50,000 entrepreneurs will be imparted training in Odisha.

Central govt. is planning to make 18 lakh new youth entrepreneurs in the near future. Several Mobile Vans will move in rural areas of the state to impart basic skill training by MSME Ministry. Mr. Dharmendra Pradhan said that the National SC-ST Hub launched by PM Modi has already become a mass movement in MSME sector. This unique initiative is to groom SC-ST entrepreneurs. This will create hundreds of new job opportunities and enable them to become a 'Job Creator' rather than a 'Job Seeker'.

(adsbygoogle=window.adsbygoogle||[]).push({});

Micro, Small and Medium Enterprise (MSME) sector is a major contributor to GDP and to promote economic growth. Consistent efforts to include all stakeholders including states, industry associations, incubators, banks, CPSEs to identify synergies are being made. This is to ensure that all stakeholders must work collaboratively and cohesively towards a shared goal.

Govt. is making every possible effort to encourage entrepreneurs to start new ventures. This would enable them to sell minor forest produce and organic agri products which are available in tribal dominated districts.

Odisha govt. has launched Mu Hero Mu Odisha (I am Hero, I am Odisha) Scheme 2018 under Biju Yuva Vahini Programme. This campaign is launched to identify agents of change and recognizing their contribution for the state. At the launch event, Chief Minister Naveen Patnaik facilitated several youths who have won awards, both on National and International level and have done inspirational work for the welfare of the society.

The primary objective of Mu Hero Mu Odisha Scheme is to identify young talents who have performed well in various competitions and to give them recognition. This will enable other children across the state to take inspiration from them and contribute to the progress of the state.

Recognition to such achievers will make them real heroes and role models for the rest of youths. They will acknowledge their contribution and start working hard to become a role model like them.

Odisha govt. is going to introduce its new Food Security Scheme 2018 in the state. This scheme will cover an additional 34.44 lakh people who are previously left out from the National Food Security Act (NFSA) 2013. The state govt. will start implementing this scheme from 2 October 2018 (Gandhi Jayanti).

After the implementation of Food Security Scheme, not a single poor person would be left out and deprived of their rights of food security. NFSA is being implemented on the basis of 2011 Census and total number of beneficiaries is increased in the recent years.

Previously, CM has taken up this matter with the PM Narendra Modi but this issue was not addressed and no further steps were taken to resolve this issue. So, govt. is now going to implement its own Food Security Scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Food Security Scheme 2018

Central govt. is implementing National Food Security Act (NFSA) as per the Socio-Economic Caste Census (SECC-2011) Data. A large number of poor people whose name does not appears in SECC-2011 Data are deprived of the food security benefits. Accordingly, the state govt. has decided to roll-out its own Food Security Scheme 2018 for all those whose name is not present in the NFSA beneficiary list.

As per the official data, there are more than 34 lakh beneficiaries who are not included in NFSA. For these, govt. will implement new Food Security Act from 2 October 2018. CM has made this announcement while addressing a video conference under "Ama Mukhyamantri, Ama Katha"™ program held on 28 July 2018.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha state government is giving importance to food security. The state govt. is providing Rice at Rs. 2 per kg since 2008. The successful implementation of this prompts govt. to provide Rice at Rs. 1 to poor families. So, govt. is providing rice at Rs. 1 per kg after 2013. It has been a milestone in food security in the entire country.

Need for Odisha Food Security Act, 2018

The total population of state is around 4.19 crore. Odisha govt. is implementing NFSA from November 2015. Out of total population, around 3.26 crore people (78% of total population) are already covered under NFSA. Now the state govt. wants to tweak Odisha Food Security Rules 2017 to add 34.44 lakh more beneficiaries.

There are provisions in the rules which empowers the state govt. to expand the scope of coverage. Odisha govt. aims to cover 3.6 crore beneficiaries under the NFSA.

Odisha Government is running a new health centric scheme named as "Nirmal Scheme" from 2018-2019. This scheme provides free ancillary (additional) services to the people in all the state run government hospitals & district headquarters hospitals. The primary focus will be on providing basic facilities like sanitation, security services and to ensure quality health care services affordable for everyone. This scheme will strengthen delivery of proper healthcare services through public health system. The state govt. has launched this Nirmal Scheme to upgrade standards of supplementary services in healthcare. Govt. will lay special emphasis for promotion of healthy and hygienic hospitals. In addition to this, govt. will also provide basic services like sanitation, laundry, security and lift services at various public health-care facilities. Govt. wants to provide Universal Health Coverage and to ensure Health For All. In Odisha, around 91% citizens depend on the public sector for health care services. So, the state govt. will also launch other health care schemes including free sanitary napkins to adolescent girls, free diagnostic services, free eye care (Sunetra) and medicines.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Nirmal Scheme

There are 3 components for this Nirmal Scheme in Odisha which includes Clinic Establishments, Up-gradation and Procurement of Advanced Equipment. First 2 components will get launched in the first phase while the 3rd component will be launched in the next phase.

Phase 1 – In the initial phase, govt. will establish new clinics at the capital hospital and upgrade the clinics it already exists as follows:-

1st Component – Setting Up of Clinics – Health and Family Welfare Dept. is going to establish clinics at government hospitals for the purpose of fast treatment. The newly set up clinics can be for cancer detection, sterility, family welfare, child rehabilitation, child guidance, child welfare and immunization.

2nd Component – Upgradation of Services – In the hospitals where such facilities already exist, the state govt. will strengthen these services and will upgrade them in order to ensure proper treatment for citizens.

Phase 2 – In the later phase, the state govt. will procure equipment to bring facilities at district headquarters hospitals as follows:-

3rd Component – Procurement of Equipment – Govt. will soon take further stride towards the procurement of advanced equipment. This will ensure world-class infrastructure and facilities at district headquarters hospitals.

Odisha Nirmal Scheme Extended

State Government has decided to extend 'Nirmal' Scheme to strengthen ancillary services at public health facilities with an estimated Budget of Rs. 199815.46 Lakh for the period of 5 years covering 1864 health institutions.

(adsbygoogle=window.adsbygoogle||[]).push({});

Below are the main objectives of the extended Nirmal scheme

To provide better ambience to the patients and their attendants at public health facilities
To minimize hospital acquired infections
To improve patients' satisfaction at all levels.

Read the official press release for updates

The scheme shall also include the Medical Colleges and Hospitals, AYUSH Colleges and Hospitals, Nursing Schools and Colleges up to PHC level.

The state govt. wants to improve health services at all the state-run hospitals and district headquarters hospitals. Odisha CM, Naveen Patnaik announced this scheme on 7 April 2018 on the occasion of World Health Scheme.

Odisha Govt. has announced to relaunch Sarba Khyama Yojana 2018 (Amnesty scheme) to regularise unapproved constructions. Housing and Urban Development Authority will regularize unauthorised buildings and establishments in several urban areas which are made against the original approved plan on legal land. Now residents can fill the application form from 21 June till 19 December 2018.

As per the reports from the sources, concerned authority has already issued a notification in this regard. All types of buildings either residential, commercial, institutional and clinical establishments under all the 9 developmental authorities will be eligible.

Under this amnesty scheme, people can easily apply for regularisation of their unauthorized constructions subject to certain conditions. Applicants who wants to avail the benefits of Sarba Khyama Yojana 2018 can submit the application forms to their concerned Housing & Urban Development Authority. Application process starts from today i.e 21 June 2018 and will end on 19 December 2018.

(adsbygoogle=window.adsbygoogle||[]).push({});

Odisha Sarba Khyama Yojana 2018 Application Form

Housing & Urban Development Dept. has issued a notification on "Scheme for Regularisation of Unauthorised Constructions-2018". All the illegal constructions which have not received the necessary approval as per building rules and regulations will be regularized. All the owners who wants to apply for Odisha Sarba Khyama Yojana 2018 for regularization of unauthorized building can now apply offline.

For this, the applicants will have to submit a specific application form to their respective development authorities. Along with this form, applicants also needs to furnish supporting documents including building construction plan, fire clearance certificate and submission of a specific fees.

(adsbygoogle=window.adsbygoogle||[]).push({});

All the owners can now submit the applications within 6 months duration (21 June to 19 December 2018). While submitting the application form, all the plots with area greater than 300 sq.m are required to obtain No Objection Certificate (NOC) from neighbours while the plots within 300 sq.m are not required to furnish any NOC. In addition to this, urban development authority will provide certain relaxation for regularization of unauthorised clinical establishments.

BDA Sarba Khyama Yojana 2018 – Amnesty Scheme Details

Housing and Urban Development Authority has decided to legally regularize unauthorized colonies instead of demolishing illegal structures on adjacent lands. To regularize their land, residents will have to apply for Amnesty Scheme and development authority will charge amount for this on the basis of sq. ft area.

A large section of the state's population is living in constructions deviated from the original building plan. It is not possible to demolish all such structures as most of these are in dense housing areas. This Sarba Khyama Yojana 2018 is a compromise to deal with all such violations. This scheme will help the development authority to raise the revenue and will be a major solution to the land deals.

Odisha govt. has first launched this scheme as per the BDA Planning and Building Standard Regulation, 2001 but was dropped in FY 2008. Now, govt. is going to re-launch this amnesty scheme. Residents have already regularize their constructions where deviation was less than 10% but this limit is now increased to 50% in renewed scheme. Previously, BDA collected compounding fees at Rs. 25 / sq. ft. Govt. will now calculate this fees as per the benchmark price fixed by the government.

The state govt. of Odisha has launched a new initiative named Bhoochetana on 9 April 2018. This Soil Health Card Scheme will include soil health mapping, info. on essential nutrients and will also provide financial support to the farmers. Accordingly soil card scheme is a 3 years agreement to reach around 6.1 million hectares of agricultural land in 30 districts. Soil Health Scheme is going to benefit around 4.35 million farmers in Odisha.

Agricultural department, Odisha and International Crops Research Institute for the Semi-Arid Tropics (ICRISAT) has signed a Memorandum of Agreement for this purpose. Earlier, Karnataka govt. has implemented this scheme where it shows excellent results.

The primary objective is to increase productivity of farmers and to bring green revolution in Odisha.

(adsbygoogle=window.adsbygoogle||[]).push({});

Bhoochetana – Odisha Soil Health Card Scheme

Bhoochetana signifies –revival of land– and includes various practices like soil health mapping, providing nutrient recommendations to farmers. This initiative was firstly launched in Karnataka where it changes and completely transforms the life of 4.75 million poor farmers. Moreover this soil health scheme also results in significant increase in the crop production (20-66%) and net benefits around 350 million dollars.

Odisha Soil Health Scheme target to cover 6.1 million hectares in 30 districts. Bhoochetana will follow a scientific and innovative approach to achieve its targets. All the reports of soil analysis, nutrients and other treatment practices will be shared with the farmers.

(adsbygoogle=window.adsbygoogle||[]).push({});

The state gov. will also implement other improved practices for cultivation like local seed banks, land and water management practices and capacity building initiatives for farmers. Soil Health Card Scheme will focus on both the increase in productivity through judicious usage of inputs along with welfare of farmers like ensuring MSP and financial assistance.

Farmers can also opt for diversification to ensure food security in the state. New Soil Management practices will help in retaining of valuable nutrients in the farmland and restore the soil health. Bhoochetana Scheme will reduce the risk factor involved in farming and overall cultivation cost will also get reduced. For more details, visit the official website icrisat.org

Objectives of Fertilizer Subsidy Scheme

Implementation of DBT Transfer

Reason for Delay in Fertilizer Subsidy Scheme

Agriculture Department, Odisha government is going to start Fertilizer Subsidy Scheme from 1 February 2018. Subsequently, govt. will provide Direct Benefit Transfer (DBT) to the retailers for the distribution of fertilizers to the farmers. Accordingly, this scheme will ensure that the subsidized fertilizers must reach only the selected beneficiaries / farmers.

Earlier the state govt. plan was to start DBT for subsidy on fertilizers on 1 January 2018. However, Point of Sale (PoS) devices were not delivered to the retailers on time. So the agricultural department delays this scheme for about a month.

The state govt. is going to launch this scheme through PoS machines on the shops of retailers. This scheme will ensure transparency in the distribution of fertilizers to the selected beneficiaries. This scheme will save a large amount of the government. Central government spends Rs. 70,000 crore per annum towards fertilizers.

(adsbygoogle=window.adsbygoogle||[]).push({});

Objectives of Fertilizer Subsidy Scheme

The main objectives of this scheme are as follows:-

The primary objective of the Fertilizer Subsidy Scheme is to ensure transparency for the sale of subsidized fertilizers.

For this reason, all the retailers must record the details of all the transactions in their PoS devices.

This Subsidy Scheme will restrict the illegal flow of fertilizers to the industries.

Moreover the state govt. is going to save a large amount of money towards subsidy.

Implementation of DBT Transfer

Beneficiaries have to verify their identity through bio-metric authentication (Aadhar based). Subsequently, all the details of the buyers of the fertilizers will get captured in retailer PoS devices.

(adsbygoogle=window.adsbygoogle||[]).push({});

DBT Cell, Dept. of Fertilizers, Ministry of Chemical and Fertilizers will ensure that all the given Point of Sale Machines which consists of latest S/W. In addition to this, retailers will have to update their stock book to enroll for the DBT Scheme.

Reason for Delay in Fertilizer Subsidy Scheme

The state govt. has delayed the start of this scheme from 1st Jan 2018 to 1 Feb 2018 due to following reasons:-

— Agricultural Dept. has selected total 11,680 retailers for sale of fertilizers out of which 6,174 retailers receives their machines.

— Govt. will implement this scheme only after the equipment of PoS devices on all retail shops and opening of bank account of farmers.

— Primary Agriculture Cooperative Society (PACS) and Large Area Multi Purpose Cooperatives Societies (LAMPS) were to distribute chemical fertilizers.

— However, cooperation dept. has provided PoS machines to only 913 societies till date.

Ministry of Chemical and Fertilizers will provide the remaining PoS machines to the retailers. Moreover it will take time to create the Retailer ID and to install the software. Accordingly, the state govt. will implement this scheme from 1 February 2018.

Odisha state government has launched SAMPURNA (Shishu Abond Matru Mrutyuhara Purna Nirakaran Abhiyan) Scheme to provide financial assistance for pregnant women of the state. This scheme will provide Rs. 1000 as transportation cost to reach the hospital at time delivery to the pregnant women who are living in inaccessible areas. The objective of SAMPURNA scheme is to bring down the death rate of the new born Child (Infant Mortality Rate) and also of the Mother (Mother Mortality Rate) during pregnancy across the state. Therefore, all the pregnant women from the inaccessible regions who reaches the hospital for delivery by arranging vehicles spending their own money, will receive Rs. 1,000 as the transportation cost.

Latest Update (on 30 January 2019) – Odisha SAMMPURNA Yojana 2019

(adsbygoogle=window.adsbygoogle||[]).push({});

The scheme will be applicable only for pregnant women who are living in inaccessible areas where the ambulances of government hospitals (102 / 108) and other four vehicle hospitals can not reach. The scheme is expected to provide benefits to about 60,000 pregnant women every year.

Salient Features of Odisha SAMPURNA Scheme

Below are some of the salient features of Odisha SAMPURNA scheme

(adsbygoogle=window.adsbygoogle||[]).push({});

The pregnant woman will receive financial assistance of Rs. 1000 from state government.

This scheme is only be applicable for women who are living in inaccessible regions to provide transportation cost to reach hospital.

The intention of government is to reduce Infant Mortality Rate (IMR) and Mother Mortality Rate (MMR) during pregnancy.

The Odisha government is planning to spend Rs. 6 crore on this scheme.

This scheme will cover a total of 7853 villages across 30 districts of Odisha as soon as possible.

Rs. 1000 will be transferred directly into the bank account of beneficiary through DBT.

The state govt. realizes that the large number of mishappening occur due to the pregnant women being carried on shoulders or walking to reach the hospital for delivery. This happens due to government ambulances and other four vehicles not reaching the spot on time. Therefore, the government has decided to provide Rs. 1000 to each beneficiary through DBT to arrange for the transportation.

The State Government of Odisha is planning to launch a new scheme named as “Tritiya Prakriti Surakshya Abhiyan (TPSA)” for the welfare of the transgender community. The aim of the scheme is to provide rehabilitation facilities, scholarships to transgender students, generate employment opportunities and other basic facilities to the transgenders. TPSA scheme guidelines will be introduced and operated by the department of social security and empowerment of persons with disabilities (SSEPD) for the upliftment of the transgender community. Before implementation of the scheme, SSEPD department will soon start the survey to identify the transgender people across the state.

Benefits of Tritiya Prakriti Surakshya Abhiyan (TPSA)

The benefits of the scheme would be provided only to the transgender community.

Identification and rehabilitation of transgenders.

Employment opportunities.

The students will get monthly post-metric scholarship of Rs. 550 for day scholar.

Transgender students will get Rs. 1,200 for hostel boarders for 10 months.

The state government will Conduct skill development program and provide Rs. 15,000 per transgender trainee for 200 hours of the course.

The transgender population in Odisha state stood at 43,161 in rural areas and 4,632 in urban areas, according to Socio “ Economic Caste Census (SECC) 2011. Transgenders have marginalized and alienated for so long despite being a part of the society.

(adsbygoogle=window.adsbygoogle||[]).push({});

In 2014, the landmark judgment of SC recognizes transgender as a legal third gender. It becomes the duty of center and state to provide them all the opportunities and give them a dignified life.

Guidelines of Biju Pucca Ghar Yojana

Biju Pucca Ghar Yojana is a rural housing scheme being run by the Odisha Government to provide pucca houses in rural areas. The basic approach behind the scheme is that Housing is a fundamental human need and is a basic requirement for human survival as well as for a decent life.

Objective of Biju Pucca Ghar Yojana

The objective of the scheme is to convert all kutcha houses to pucca houses in rural areas of the state in a fixed time frame in a mission mode approach. A pucca house means that it should be able to withstand normal wear and tear due to usage and natural forces including climatic conditions.

Under the scheme, the kutcha houses in the rural area will be converted into pucca homes with foundation, walls & roof made of permanent material. Wall material include stones, fly ash bricks, burnt bricks, cement concrete, timber etc. The expected minimum life of the constructed pucca house should be 30 years.

(adsbygoogle=window.adsbygoogle||[]).push({});

Key features of Biju Pucca Ghar Yojana

Designed to provide new permanent homes to deserving & genuinely poor rural households living in kutcha houses.

Selection of beneficiaries to be made basis on number of kutcha homes in SECC 2011 survey, updated time to time.

Sanction of housing unit under the scheme in the name of women head of the household is preferred.

No contractor shall be involved in the construction of homes under the Biju Pucca Ghar Yojana.

Funds will directly be transferred to the beneficiary account through Direct Account Transfer/NEFT/RTGS/electronic fund management system.

Who is covered under the scheme

There are two components of the scheme for this purpose, BPGY (Normal) and BPGY (Special). Under the BPGY (Normal) the households from SECC 2011 having kutcha houses are covered under the scheme.

Under the BPGY (Special), rural households affected by natural/man made calamities such as fire, flood, cyclone, earthquake, communal violence, major law and order problem, elephant menace etc, and extremely poor, vulnerable and deserving who needs pucca house are covered.

(adsbygoogle=window.adsbygoogle||[]).push({});

To be eligible for the scheme, the beneficiary should not have any pucca house, registered in SECC 2011 list of kutcha house, not constructed pucca home in the meantime and should not have availed pucca house in any of the government housing schemes.

Unit cost & fund

The cost of construction of pucca home with a minimum built up area of 20 Sq.Mt. excluding the toilet is Rs. 70,000/- for non IAP districts and 75,000/- for IAP districts. The cost can be revised by the state government time to time.

The funds under the scheme are released in installments on the basis of the progress in construction.

Implementation and Monitoring Strategy

The homes under the Biju Pucca Ghar Yojana are constructed by the beneficiary itself with financial support from the state government. The beneficiaries are free to set the layout, size, and design of their pucca homes as per their preferences.

District collectors will be responsible for monitoring the whole progress of Biju Pucca Ghar Yojana in their respective

districts. BDO will be responsible for monitoring the scheme at block level.

The state government of Odisha is all set to launch a new housing scheme named “Nirman Shramik Pucca Ghar Yojana” for the construction workers in the state. The new housing scheme will be launched on 20th February 2016, a day before the proposed rally of Prime Minister Mr. Narendra Modi.

The construction workers who have registered with the Odisha Building and Other Construction Workers Welfare Board (OBOCWWB) for more than 5 years and not availed houses under any housing schemes would be the beneficiaries of the scheme.

Under the scheme, the state government will provide Rs. 1 Lakh to each construction worker. The money would be provided to Panchayati Raj department by the labour department and then will be distributed among the eligible genuine beneficiaries of the scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Only 27,000 of a total of about 12 Lakh construction workers in the state are eligible for the scheme. Initially the state government has identified 2,000 workers as the scheme beneficiaries.

Pradhan Mantri Awas Yojana â€“ Gramin (PMAY-G) has finally been launched by the Prime Minister Shri Narendra Modi in Agra on 20th November 2016. Under the PM Awas Yojana Gramin affordable housing scheme, central government aims to develop 3 Crore homes by the year 2022 in rural areas for poor families including BPL. PMAY-G is the revamped version of Indira Awas Yojana which was renamed earlier this year with some pro-poor changes in the scheme. Housing units under the PMAY-G scheme are already being offered to the beneficiaries in rural areas across the country. Pradhan Mantri Narendra Modi also handed over the allotment letters to the beneficiaries during the launch event.

The minimum area of home under the new scheme has been increased to 25 Square meter (267 Square foot) from 20 Sq.Mt. in earlier scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Government has also released the scheme logo and a video

<http://iay.nic.in/netiay/Video/PMAYGLaunch.mp4>

The objective of the scheme is to provide homes to every Indian by the year 2022. Pradhan Mantri Awas Yojana â€“ Gramin will be implemented across the country except Delhi and Chandigarh. The immediate target of PMAY-G is to construct 1 Crore affordable homes in rural areas by the year 2018-19.

(adsbygoogle=window.adsbygoogle||[]).push({});

Financial Assistance Under PMAY-G

The central government would be providing a financial assistance of Rs. Rs. 120,000 in plain areas and Rs. 130,000 in eastern, hilly and IAP areas to the beneficiaries. Along with this, an additional Rs. 12000 will also be provided to build toilet to each beneficiary under the Swachh Bharat Mission. The beneficiaries will also be provided daily wages of up to 90-95 days (Rs. 18000) through MGNREGA.

Hence, the total financial assistance amount will be 1 Lakh 50 thousand for plain areas and 1 Lakh 60 thousand for eastern, hilly and IAP areas. Interested beneficiaries can also avail a loan of upto Rs. 70000 from any of the nationalized banks for the construction of home.

Selection of beneficiaries under the Pradhan Mantri Awas Yojana â€“ Gramin will be done on the basis of SECC-2011 data. The government has also launched AwaasApp for beneficiaries to know the status of their application, funding or share the progress of construction.
