Kaleshwaram Lift Irrigation Scheme Benefits
Kaleshwaram Lift Irrigation Project Records
Stage Wise
Kaleshwaram Lift Irrigation Process

Kaleshwaram Lift Irrigation Scheme is a Telangana government's gift to the entire India. This is the world's largest multi-stage multi-purpose lift irrigation scheme coming from the brainchild of CM K Chandrasekhar Rao. The new Kaleshwaram Lift Irrigation project is expected to turn the parched and barren outback of Telangana into a verdant land of milk and honey. For the upcoming years, Kaleshwaram will remain a testimony of Telangana's gift to the nation which is struggling to grow up the GDP ladder.

After solving all the inter state disputes, obtaining all clearances and permissions, overcoming all obstacles strategically within a short duration of 3 years, the Kaleshwaram Lift Irrigation Project is constructed by the Telangana government. Now there would be no more wastelands and no more thirsty throats.

On 21 June 2019, CM KCR will inaugurate the engineering marvel Kaleshwaram Lift Irrigation Project at Medigadda which is moment of pride and honor for India.

(adsbygoogle=window.adsbygoogle||[]).push({});

Kaleshwaram Lift Irrigation Scheme Benefits

The major benefits by the Kaleshwaram Lift Irrigation Scheme are as follows:-

Water is supplied for 2 crops in a year to 45 lakh acres.

40 TMC of water through Mission Bhagiratha to supply safe drinking water daily to each household.

Drinking water to be supplied to 1 crore population in Greater Hyderabad city daily.

Supply of 16 TMC of water to thousands of industries in the state for industrial usage.

Moreover, there is also an opportunity for Hydel power generation.

CM KCR will also switch on the first motor at Kannepally. This is not only the beginning of a new chapter in Telangana but also the beginning of a new book altogether indeed. The 1st book was the "over the decade" movement for Telangana state. The 2nd book in the Telangana's history is the development through irrigation which will commence through this Kharif season with the inauguration of Kaleshwaram.

(adsbygoogle=window.adsbygoogle||[]).push({});

Kaleshwaram Lift Irrigation Project Records

Utilization of 139 MW maximum capacity pumps which were never used anywhere in the world.

World's longest tunnel route of 203 kilometers.

Kaleshwaram is the one and only project which can lift 2 TMC of water everyday. Efforts are on to lift 3 TMC of water from FY 2020.

This is the only project in the world which caters to the water needs of 45 lakh acres of agricultural land, hundreds of industries and drinking water to thousands of villages.

It is for the 1st time that water is lifted from Godavari river in phases from 92 meters height for supply of water to farmland taking it upto 618 meters height.

One of the main reason for construction of Kaleshwaram Lift Irrigation Project is to get state's legitimate share in river waters. Telangana is geographically located 100 metres above the sea level and could not construct a dam across the Godavari to tap water. In case a huge dam was constructed, almost half of the Telangana and neighbouring Maharashtra and Chhattisgarh would be submerged. So, the CM KCR led Telangana govt. has conceptualised the Kaleshwaram lift irrigation scheme.

Telangana government has announced Crop Loan Waiver Scheme in Budget 2019-20 presented on 22 February 2019. Now the state govt. has proposed to waive off all agricultural term loans upto Rs. 1 lakh. Outstanding farm loans of farmers which are taken till 11 December 2018 are going to be waived off. This is the next major step of the KCR govt. for farmers welfare after the introduction of Rythu Bandhu Scheme. Chief Minister K. Chandrasekhar Rao who also holds the finance portfolio has now presented vote-on-account budget in the state's legislative assembly. For the successful implementation of Telangana Farm Loan Waiver Scheme, the state govt. is going to spend an amount of Rs. 32,000 crore. Telangana govt. presents Rs. 1,82,017 crore budget and Revenue expenditure is estimated at Rs. 1,32,629 crore. Around 42 lakh farmers to benefit from Farm Loan Waiver Scheme in Telangana.

Telangana Crop Loan Waiver Scheme 2019-20

The state govt. of Telangana has proposed to waive off all agricultural term loans upto Rs. 1 lakh outstanding as on 11 December 2018. For this Crop Loan Waiver Scheme, an amount of Rs 32,000 crore has been estimated for FY 2019. Telangana Rashtra Samiti (TRS) party led by CM KCR had made a pre-poll promise of waiving off crop loans of farmers before the 7 December 2018 assembly elections. This is the highest amount which a state govt. is going to spend on Telangana Farm Loan Waiver Scheme. Previously, Maharashtra, Karnataka, Uttar Pradesh have given much higher costs on loan waiver but their actual allocation was less. Telangana's estimated and actual allocation is same for the Farm Loan Waiver Scheme in the previous few years. A recent report of the state-level bankers' committee (SLBC) put Telangana's estimated cost at Rs. 32,000 crore which is far above Rs. 17,000 allocated in FY 2014-15.

(adsbygoogle=window.adsbygoogle||[]).push({});

Previously for the welfare of farmers, the state govt. had launched Rythu Bandhu Scheme. The govt. is extending support of Rs. 4,000 per acre per crop season amounting to Rs. 8,000 per annum. As per the announcement made in Budget 2019-20, CM KCR has increased this support amount to Rs. 5,000 per acre per crop. The total support in a single year will now be Rs. 10,000 per acre.

Now the state govt. has also proposed to introduce an unemployment allowance scheme in which each eligible youth would get Berojgari Bhatta of Rs. 3,016 per month. The state govt. is working out on the scheme and implementation guidelines of this new scheme for berojgar youth.

The 'Aasara' pensions which covers the aged, widows, single women, beedi workers, people suffering from filariasis, handloom workers and toddy-tappers are proposed to be increased from Rs 1,000 per month to Rs 2,016 per month. For the differently abled person, CM has proposed to raise their monthly pension from Rs. 1,500 to Rs. 3,106.

Telangana Rythu Bandhu Scheme 2019 Now Online Need to Stop Cheque Distribution of Rythu Bandhu Scheme

Telangana Rythu Bandhu Scheme Background
The state government of Telangana has decided to transfer amount under Rythu Bandhu Scheme directly into bank accounts of farmers. Now the Telangana Rythu Bandhu Scheme 2019 has been made online. The state govt. will not issue any more cheques for the farmers as it was done in the 1st & 2nd installments of Rythu Bandhu Yojana 2018. CM K Chandrashekhar Rao (KCR) said that it would be for the first time that an enhanced amount of Rs. 5,000 per acre per season would be distributed. Previously, CM KCR has raised the assistance amount from Rs. 8,000 per acre to Rs. 10,000 per acre in a single year as cash incentive. Now process of giving 1st installment for FY 2019 for Kharif season under Rythu Bandhu Scheme in Telangana would be initiated in the last week of May. This decision is taken in a high-level meeting chaired by CM KCR with the top officials of Agriculture and Finance departments recently.

(adsbygoogle=window.adsbygoogle||[]).push({});

Telangana Rythu Bandhu Scheme 2019 Now Online

Telangana govt. has made Rythu Bandhu Scheme online and govt. will now stop cheque distribution and introduce online payments. Now the state govt. will deposit Rythu Bandhu money directly into the bank accounts of the farmers. In 2018, before the assembly polls, the state govt. had organized meetings and distributed cheques to the farmers. But from FY 2019 onward, the govt. will credit this amount into bank accounts of beneficiaries. As per the official report, there are around 54-55 lakh farmers in the state of Telangana. Each farmer will get Rs. 5,000 per acre in last week of May for Kharif season and the next installment of Rs. 5,000 per acre for Rabi season would be given in month of November. The estimated amount required for Rythu Bandhu Scheme for Kharif season is Rs. 7,500 crore. For this purpose, govt. has given directions to finance department to keep money ready till specified time.

(adsbygoogle=window.adsbygoogle||[]).push({});

Till date, there are around 5 to 6 lakh farmers who had not given their bank account details to the government. This may be due to non-interest in receiving Rythu Bandhu amounts. Those beneficiaries who are not interested in receiving this amount would save around 700-1000 crore of the government. The state govt. will not deposit the amount into the bank accounts of 54 lakh farmers in a single day. This amount would be credited in a phase wise manner.

Need to Stop Cheque Distribution of Rythu Bandhu Scheme

In the high level meeting chaired by CM KCR, the officials explained the difficulty faced by the machinery at ground level in distribution of cheques to farmers. Moreover, there is a difficulty in the laborious process involved in the preparation and disbursement of cheques from the state head quarter to the village level.

In view of the enforcement of Model Code of conduct during Lok Sabha election, Election Commission of India has asked the Telangana govt. to stop cheque distribution. Moreover, instructions are given to the Agriculture department to disburse the scheme benefit to the farmers accounts directly through online without any publicity.

Telangana Rythu Bandhu Scheme Background

Telangana govt. has launched Rythu Bandhu Scheme as an investment support scheme for farmers. Initially, the state govt. has decided to provide Rs. 8,000 per year (Rs. 4,000 per acre per season) in FY 2018. But from this year i.e 2019, the state govt. will provide Rs. 10,000 per year (Rs. 5,000 per acre per season). The total requirement of fund for the implementation of the scheme in 2019-20 financial year will be Rs 15,000 crore (Rs. 7,500 cr for each Kharif & Rabi season). Last year, the government earmarked Rs 12,000 crore.

Under this scheme, the state govt. is going to provide Rs. 3,016 per month to all the eligible unemployed candidates. CM KCR govt. has proposed Rs. 1,810 crore in his vote-on-account budget to provide berojgari bhatta. CM K Chandrasekhar Rao has also announced the launch of a new Farm Loan Waiver Scheme in Telangana. Under this new Crop Loan Waiver Scheme, govt. will waive off crop loans of farmers upto Rs. 1 lakh outstanding till 11 December 2018. For Telangana Farm Loan Waiver Scheme, the state govt. has allocated Rs. 6,000 crore. Assistance under Rythu Bandhu Scheme in Telangana has also increased from Rs. 4,000 per acre per crop per season (Rs. 8,000 p.a) to Rs. 5,000 per acre per season (Rs. 10,000 p.a).

(adsbygoogle=window.adsbygoogle||[]).push({});

Telangana Unemployment Allowance Scheme (Berojgari Bhatta)

The state govt. of Telangana has presented its budget on 22 February 2019 with an estimated expenditure of Rs. 1,82,017 crore which is 4% increase over the previous year. The state govt. has announced to launch Telangana Unemployment Allowance Scheme for unemployed youths. Under this berojgari bhatta scheme, the state govt. will provide Rs. 3,016 p.m to all eligible jobless candidates. For this scheme, the state govt. has allocated Rs. 1,810 crore in the budget.

The details of the scheme are being worked out. Instructions have been given to officials in this regard. This announcement is made by CM K Chandrasekhar Rao in the Budget 2019-20 for the welfare of jobless candidates. CM KCR said that the GSDP of Telangana has been doubled since the formation of the state in FY 2014. The new budget showed a revenue expenditure of Rs. 1,31,629 crore and a capital expenditure of Rs. 32,815 crore.

(adsbygoogle=window.adsbygoogle||[]).push({});

In Telangana Budget 2019-20, the estimated revenue surplus is Rs. 6,564 crore and fiscal deficit is Rs. 27,749 crore. The fiscal deficit is 2.81% of the Gross State Domestic Product (GSDP). The own revenues of the state for Budget Estimate (BE) of 2019-20 are at Rs. 94,776 crore in comparison with the Revised Estimate (RE) of 2018-19 at Rs. 72,777 crore. The transfer from the central govt. as per BE 2019-20 is Rs. 22,835 crore while in RE 2018-19, these are estimated at Rs. 28,042 crore.

Telangana government plans to start Farm Loan Waiver Scheme Second Phase worth Rs 24,000 crore in a phase wise manner. The timeline for this crop loan waiver scheme is yet to be decided and the Telangana state govt. will implement this scheme after the Lok Sabha elections.

As pre-poll promise of the Telangana Rashtriya Samiti (TRS) in FY 2014, CM KCR had waived off all kind of farm loans which cost Rs. 17,000 crore to the state exchequer. This process of waiving off crop loans was completed in 2017. Latest Update – CM KCR announces Telangana Crop Loan Waiver Scheme in Budget 2019-2020.

(adsbygoogle=window.adsbygoogle||[]).push({});

Telangana Farm Loan Waiver Scheme 2nd Phase

The 2nd phase of Farm Loan Waiver Scheme in Telangana is going to include all kinds of loans taken for agricultural purposes. This scheme to waive off agriculture loans of farmers will be implemented with an outlay of Rs. 24,000 crore. As per the official reports, the state govt. is working to finalize the modalities of this scheme.

KCR government has definite plans to implement its plans and would not be shooting arrows in the dark. On direct cash benefit transfer or Rythu Bandhu Scheme, govt. would waive off farm loans worth Rs. 1 lakh and would increase the incentive to Rs. 10,000 per acre.

(adsbygoogle=window.adsbygoogle||[]).push({});

Till date under Rythu Bandhu Scheme in Telangana, the state govt. provides Rs. 8,000 per acre per year per crop in 2 phases. These includes Rs. 4,000 per acre each for Kharif and Rabi seasons. CM KCR had made it clear that tenant farmers are not going to be included in the Rythu Bandhu Scheme and they would have to be taken care off by the land owners.

The state govt. is also working on finding an absolute solution on unemployment by giving allowances to jobless youth. Telangana govt. will form a policy on roads and is going to spend huge amount on development of existing major roads and connect every new gram panchayat with BT road.

The state govt. would also strictly enforce new Panchayati Raj Act to ensure clean and green villages. Every person who is found littering, would have to pay a fine of Rs. 500.

Telangana government has launched Rythu Bandhu Life Insurance Bonds Scheme 2018 for farmers. Under this scheme, govt. will provide Rs. 5 lakh insurance to ryots. All the families of farmers covered under Rythu Bandhu Scheme will get this amount irrespective of whether the death is natural or accidental.

All the farmers between the age group of 18 to 60 years can avail benefits of Rythu Bandhu Life Insurance Bonds Scheme. This Life Insurance Scheme will benefit around 28 lakh (2.8 million) farmers out of the total 5.8 million farmers.

This is first of its kind initiative across the country and the state govt. has marked the official launch of the scheme on 6 August 2018. Most of the bonds are expected to be given to the farmers by 15 September 2018.

(adsbygoogle=window.adsbygoogle||[]).push({});

Telangana Rythu Bandhu Life Insurance Bonds Scheme 2018

The important features and highlights of this Life Insurance Scheme are as follows:-

All the land owners who have received monetary assistance of Rs. 4,000 under the Input / Financial Investment Support Scheme (FISS) are eligible.

This scheme is limited to farmers falling in the age group of 18 to 60 years.

The insurance amount in case of either death or accident will be given to the family of farmers in 10 days itself. The state govt. has made an investment of around 650 crore in Rythu Bandhu Life Insurance Bonds.

Rythu Bandhu Life Insurance Bonds (as the scheme is called) is expected to benefit 2.8 million farmers (out of 5.8 million).

Previously under the Rythu Bandhu Scheme, the state govt. has given investment support to bear farming costs to boost agricultural production.

On 6th August 2018, Agriculture Minister Pocharam Srinivas has distributed the life insurance bonds to farmers in Kamareddy district. Various officials from the agriculture department took up the distribution in other parts of the state. The state govt. believes that most of the insurance bonds will be given to the farmers by 15 September.

Rythu Bandhu Life Insurance Bonds Scheme is continuous as eligible farmers will be added from time to time.

Moreover, all those beneficiaries who become ineligible after attaining the age of 60 years will be removed from the list of beneficiaries.

Telangana 5 Lakh Life Insurance Farmers

Tenant farmers are consistently demanding to add their names in the list of beneficiaries. But the tenant farmers are not included in this Life Insurance Scheme as well as in Rythu Bandhu Scheme. Such farmers are left out because it is very difficult to identify tenant farmers and that they have no rights over the lands.

(adsbygoogle=window.adsbygoogle||[]).push({});

Earlier, the state govt. had distributed cheques of Rs. 4,000 under Rythu Bandhu programme. This scheme benefited around 5.8 million (58 lakh) land holding farmers and provides assistance to bear farming costs such as purchase of fertilizers and seeds.

Telangana govt. is going to launch 100% Input Subsidy Scheme for Backward Classes from August 2018. Under this scheme, govt. will provide investment support of upto Rs. 1 lakh to attract backward castes. These includes especially small businessmen and those in hereditary professions. For this, govt. has already given Rs. 500 crore to the BC Welfare Corporation.

100 per cent Input Subsidy Scheme for Backward Classes in Telangana will benefit over 100 castes who are poor, economically weaker and requires financial assistance. Particularly barbers, blacksmiths, goldsmiths, potters, masons, small traders like vegetable vendors and flower businessmen will get benefited.

The state govt. is committed towards the welfare of people from Backward Community. This is an investment support scheme for small businessmen to purchase tools and equipment.

(adsbygoogle=window.adsbygoogle||[]).push({});

Telangana 100% Input Subsidy Scheme for Backward Castes (BC)

The highlights and important features of this investment support scheme are as follows:-

Telangana govt. has announced a scheme where each BC beneficiary will get 100% input subsidy up to Rs 1 lakh.

The new scheme is for poor people of around 100 castes in BCs who requires investment support.

Barbers, Blacksmiths, Goldsmiths, Potters, Masons, and other small traders from BC community like vegetable vendors and flower businessmen will benefit.

In the first phase, there would be no bank linkage.

Financial assistance will be given to all those people who are in their hereditary professions and small trades from backward castes (BC Category).

These people indulged in hereditary business can purchase tools with this input subsidy.

For the major castes in BCs, the state govt. has been already implementing schemes like sheep rearing for Yadavas and Gollas, washing machines for the washermen caste and schemes for fishermen.

Previously, govt. has launched a similar Input Subsidy Scheme to provide investment support to farmers named as Rythu Bandhu Scheme. First phase of Rythu Bandhu Scheme is already ongoing and second phase is expected to be implemented from October 2018.

(adsbygoogle=window.adsbygoogle||[]).push({});

Telangana 100% Input Subsidy Scheme – Investment Support Implementation

Govt. will identify all the beneficiaries at the village level. Govt. will form committees in every district with collector as chairman, BC welfare officer as convenor and joint collector as members. After preparing the List of beneficiaries, govt. will provide financial assistance to all such beneficiaries.

All the people in the Beneficiary List must possess a valid Bank Account as this assistance amount will be transferred directly to their bank accounts. Govt. will provide funds allocated to the BC welfare department and MBC Corporation for this purpose.

The state govt. has made a budgetary allocation of Rs. 12,000 crore for this Farmers Investment Support Scheme in Telangana Budget 2018-19. This scheme was earlier named as "Rythu Lakshmi". This scheme will lead to empowerment of farmers.

Rythu Bandhu Scheme 2018

All the small and marginal farmers / SC-ST farmers / Record of Forest Rights (ROFR) Pattadars will get financial assistance twice every year directly without the involvement of a middlemen. FISS does not specifies any upper limit on the land holdings as 97% of the total farmers have less than 10 acres of land holdings. The important features and highlights of this scheme are as follows:-

(adsbygoogle=window.adsbygoogle||[]).push({});

Rythu Bandhu is a transparent per acre investment support scheme for farmers.

Telangana govt. will provide Rs. 8000 per acre to be paid annually in 2 equal pay order cheques of Rs. 4000 per crop season.

Out of the total 71.75 lakh farmers in the state, around 58 lakh farmers will get benefited from this scheme. Tenant farmers are excluded from this input assistance scheme.

Telangana govt. has made a provision of Rs. 12000 crore exclusively for Rythu Bandhu Investment Support Scheme.

This scheme will cover 1.42 crore acres of farming land as ownership of this land is clearly established and recorded.

Rythu Samanvaya Samiti will give this assistance to the farmers through a bank bearer cheque. Agriculture Extension Officers (AEOs) will consistently monitor the Rythu Bandhu cheques distribution at rural / village level. These AEOs also holds the responsibility to make entry of cheque details on tablet computer provided. Rythu Bandhu Investment Support Scheme

Each Farmer will receive a tamper proof "Pattadar Passbook" with 17 unique security features. this passbook will now serve as proof for an absolute ownership.

New Pattadar Passbook Initiative – Dharani

The state govt. is going to provide "New Pattadar Passbooks" to the farmers along with the cheques. This is a historical land cleansing drive in which 1523 revenue teams have approached farmers directly to verify their land records once and for all. The important features and highlights of this Pattadar Passbook drive are as follows:-

This initiative will end all land disputes of the farmers.

Telangana govt. has completed the entire process in just 100 days on a fast tack basis (15 September 2017 to 31 December 2017).

This entire passbook preparation process was carried out in 3 stages and every information was made available in respective Gram Panchayats (GPs).

The state govt. has contacted each and every farmer to verify their rightful ownership. The state govt. has examined all the objections and made the necessary modifications. Now all the records are saved in the digital format at Dharani Website. These records will now get treated as single evidence in all land record matters.

These 2 initiatives will redefine the future of agriculture in the state as well as across the entire country. Both these initiatives are first-of-their-kind never seen initiative for farmers welfare.

Central government has now launched its flagship Pradhan Mantri Ujjwala Yojana (PMUY) in Telangana on 14 April 2018. Under this scheme, govt. will now provide Free LPG Gas Connection to all the below poverty line (BPL) families in the state. PMUY in Telangana LPG Scheme will provide free gas connections to around 20 lakh families.

Oil Minister Dharmendra Pradhan has announced the launch of PMUY Scheme and has participated in the official launch event. This event was held at SV Degree College Grounds, Suryapet where 1000 connections will be provided to the beneficiaries marking PMUY launch in the state. Due to existing deepam scheme, the number of beneficiaries in Telangana are less.

Pradhan Mantri Ujjwala Yojana (PMUY) in its 2nd phase will cover all the SC / ST households along with other beneficiaries. This scheme will benefit the women belonging to poor and deprived sections of the society. PMUY will emphasize on reducing usage of firewood and traditional Biomass fuels that have the potential to cause respiratory diseases.

(adsbygoogle=window.adsbygoogle||[]).push({});

Pradhan Mantri Ujjwala Yojana (PMUY) in Telangana

Central govt. has launched PMUY Scheme in the state to cover all the bpl households and to provide smoke free environment to kids and women. In the first year, 3 oil marketing companies – IOC, BPCL and HPCL targets to issue 2-3 lakh new free gas connections. All the beneficiaries will get stove, regulator and 6 LPG Gas Cylinders free of cost. For this, Central govt. has sanctioned 707 distribution points in Telangana. There are approx. 94.36 lakh domestic gas connections in Telangana. Most of the people in the state already possess LPG connections under the existing Deepam Scheme. Still around 20 lakh people does not have any gas connection, so the central govt. will launch this scheme. This scheme will benefit mostly rural households as only 60% to 70% poor families posses gas connections.

(adsbygoogle=window.adsbygoogle||[]).push({});

PMUY in Telangana will also possess the EMI option which companies offers to their beneficiaries to get stove and first refill. All the PMUY beneficiaries will get an option to pay their EMI directly through their LPG subsidy amount in their bank accounts. First EMI / Installment will start from supply of 7th refill.

Revised Pradhan Mantri Ujjwala Yojana (PMUY)

PMUY Scheme was launched on 1 May 2016 from Ballia, Uttar Pradesh. Under this scheme, govt. had decided to provided free lpg gas connections to 5 crore families. The total allocation for 3 years (2016,17,18) was Rs. 8000 crore. Till date, central govt. has already provided these free LPG connections to around 3.54 crore families. Identification of families is done as per the SECC 2011 Data – All India Final BPL List.

As per the revised guidelines, the target is now raised to provide free gas connections to 8 crore beneficiaries till FY 2020. PMUY LPG Gas Connection Scheme will now include all SC/ST households, PMAY G beneficiaries and Antyodaya Anna Yojana – AAY beneficiaries, forest dwellers, most-backward classes, tea / ex-tea garden tribes along with people living in islands and rivers. For this scheme, central govt. has allocated an additional Rs. 4800 crore.

Under PMUY, central govt. gives Rs. 1600 per connection as financial assistance. This amount is given to OMCs for security deposit of 14.2 kg cylinder, pressure regulator and installation / demonstration charges (payable to distributors) along with cost of Domestic Gas Consumer Card booklet / Blue Book.

Free LPG Gas Connections are issued in the name of women belonging to BPL families. As a security constraint, only the bpl women households with 'pucca' ghar can only avail this scheme to ensure their safety.

Telangana govt. has announced KCR Mega Health Cum Life Insurance Scheme for Ryots. Subsequently, the state govt. will provide an insurance cover of Rs. 5 lakh p.a for health-care and hospitalization and even in the case of death. Accordingly, KCR govt. is going to allocate Rs. 500 crore in Telangana Budget 2018-19 for successful implementation of this health-cum-life insurance scheme. Moreover, this scheme will benefit around 70 lakh small and marginal farmers in the state.

Under Mega Health Cum Life Insurance Scheme, govt. will provide the insurance amount to the families of farmers in case of accidental death or death due to any natural cause. Henceforth, farmers will not have to pay any premium for this insurance coverage. Telangana state govt. will bear the entire premium amount for the benefit of farmers.

Latest Update – Telangana govt. is going to launch LIC New Insurance Scheme for Farmers to provide Rs. 5 lakh on the death of farmers – [View Details](#)

(adsbygoogle=window.adsbygoogle||[]).push({});

KCR announced this pro-farmer initiative in response to a farmer seeking insurance in Regional Conference of Mandal Level Farmers Coordination Committee. This Regional Rythu Samanvaya Committees awareness meeting event held at Ambedkar Stadium on 26 February 2018.

Telangana Mega Health Cum Life Insurance Scheme – Application Forms

Similar to other schemes, farmers have to fill the application forms to avail the benefits of this Mega Health Cum Life Insurance Scheme. Accordingly, KCR govt. will soon send the insurance application forms to the villages. Henceforth, FCC members will ensure that each and every farmer in rural areas fills this Insurance Form.

(adsbygoogle=window.adsbygoogle||[]).push({});

FCC members are given the responsibility to provide insurance facilities to all ryots. Moreover, for the welfare of farmers, govt. is also going to start Input Assistance Scheme / Farmers Investment Support Scheme (FISS) to provide financial assistance of Rs. 4000 per acre for Yasangi and Kharif crops.

Moreover, FISS Scheme is not for tenant farmers as the rules of Tenant Act are very strict. As per the rules in Tenant Act, tenant farmers are not actual farmers rather other farmers cultivate their land. Accordingly, around 97% of farmers in the state cultivates their land on their own instead of giving it on rent to other. Moreover, all types of orchards and non-tribal cultivating land are eligible for financial assistance under FISS Scheme. Henceforth, FISS scheme will protect the interest of land owners with total outlay of Rs. 12000 crore.

Minimum Support Price – MSP Issue of Farmers

CM KCR also responded on the question of Minimum Support Price (MSP) of the farmers. Central govt. has the authority to fix and announce the MSP of crops. Telangana govt. is making every possible effort to increase the MSP and is also raising this issue in the parliament.

Telangana govt. seeks Rs. 2200 MSP for Paddy and also urges the Central govt. to enhance the MSP of Wheat. Furthermore, the state govt. will launch an agitation in support of farmers if Central govt. does not take any positive decision on MSP.

(adsbygoogle=window.adsbygoogle||[]).push({});

Telangana govt. will upload all the necessary details of land on the website to eradicate corruption. For this reason, govt. is going to introduce new land reforms.

Free Passbooks to Telangana Farmers

The important features and highlights of this programme are as follows:-

(adsbygoogle=window.adsbygoogle||[]).push({});

Telangana govt. is going to implement this programme as a model. This new passbook will contain all details of land records which are present with the govt. agencies.

Subsequently, govt. will put all the information on an official website – Dharani. Thus, the state govt. will implement this process just like a Core Banking System.

Govt. will update all the land transactions on this website on a daily basis. People can also use this information for sale and purchase of land. For this reason, govt. has created an IT wing to update this info. Revenue department will take over the process of land administration and records maintenance.

This will bring a new transparent and corruption free "Land and Reforms Based Registration Policy".

On 11 March 2018, govt. will implement an Input Subsidy Scheme and also distribute new passbooks to Telangana Farmers.

KCR also announced that all the farmers can avail this registration facility at each Mandal Office.

Furthermore for eliminating corruption, govt. will introduce new reforms – put an end to fake documents for Registration, Sale and Purchase of lands. In addition to this, process of Land Records Maintenance will also get introduced.

This will ease down the process for farmers and other people. Now, people don't have to make unnecessary visits to the govt. offices. They shall come to the registration office only once which will further eradicate corruption. Accordingly, govt. will strengthen land records maintenance and other reforms through the official website Dharani which will record each transaction.

Input Assistance Scheme for Ryots / Rythu Bandhu / Farmers Investment Support Scheme (FISS)

The important features and highlights of this scheme are as follows:-

This scheme is going to benefit Ryots / Peasant Cultivators of Telangana.

Subsequently, the input assistance to the farmers is fixed at Rs. 4000 per acre for Yasangi and Kharif Crops..

Accordingly, the farmers will get money for the purchase of farm inputs to increase their cultivation.

This scheme will raise the growth rate of the farm sector of the state.

For its successful implementation, govt. will implement this scheme on a pilot basis in some villages.

Telangana govt. is going to shortlist the villages in the next week. Initially, the govt. will select these villages from Medak, Mahabubnagar, Nalgonda and Nizamabad districts.

Furthermore, the state govt. will spend around Rs. 8000 to Rs. 12000 crore for the successful implementation of Farmers Investment Support Scheme.

Telangana govt. is implementing this scheme on a pilot basis to address the issues of bank accounts of farmers.

Accordingly, the state govt. is going to prepare a flawless system to provide the necessary financial assistance to the farmers. Under this scheme, the mode of payments is not yet finalized. However, the state govt. is planing to introduce online transfer mechanism which will make use of ATM Cards, Rupay Cards, Demand Draft or cheques in the name of farmers.

Implementation of Input Assistance Scheme / Rythu Bandhu

Telangana govt. has made its preparations to successfully implement this Farmers Investment Support Scheme (FISS).

However, the main concern is to ensure transparency in the transfer of assistance amount to the farmers.

This scheme is a continuous scheme which will involve huge money transfer. Accordingly, govt. would require a proper transfer mechanism in order to make this scheme successful. This pilot run will get completed in around 1 month time.

Under this scheme, govt. is going to distribute gifts to around 2 lakh Christians from the poor and economically backward sections of the society. Accordingly, the state govt. will provide clothes and also host Christmas dinners for the people from impoverished background. The state govt. starts this scheme in the year 2015 and now the state govt. is carrying forward this initiative.

The state govt. will provide sarees or cloth pieces to the beneficiaries. The beneficiary can stitch the given cloth pieces into a pair of shirt and pant or salwar kameez. Telangana govt. will distribute gift hampers to the poor people on 14 December 2017 and also organize dinner on 18 December 2017. The state govt. will spend Rs 15 crore for successful implementation of this scheme.

Details of Christmas Gift Scheme 2017

The important features and highlights of this scheme are as follows:-

(adsbygoogle=window.adsbygoogle||[]).push({});

This scheme is launched to provide Christmas Gifts which includes clothes and dinner to the weaker sections of the Telangana state.

Under this scheme, the state will ensure that the distributed clothes are of high quality.

As per the collected data, there are around 1 lakh Christians in Hyderabad and Secunderabad city and 1 lakh in rest of the state. So this scheme will benefit around 2 lakh Christians belonging to the weaker sections.

Subsequently, MLAs and Corporates along with the Christian Organizations are given the responsibility to identify beneficiaries.

After the identification of beneficiaries, govt. will transfer the specified amount directly to the account of the church. These churches will hand over the gift hampers and organize the dinner facility.

Accordingly, the state govt. has identified 190 churches to avail the benefits of this scheme.

The state govt. firstly launches this scheme in December 2015 and is now going to continue this scheme.

Furthermore, CM will also host a grand dinner party for some best Christian families in Hyderabad on the Christmas eve.

In addition to this, Deputy CM also laid the foundation of Christian Bhavan at Medchal situated at the city suburbs on 4 December 2017.

The state government of Telangana has launched Handloom Weavers Loan Waiver Scheme to give a boost to the handloom sector. Under the scheme, the government will pay the loans of weavers so that they can become debt-free. The beneficiary will get the loan waiver of up to Rs. 1 Lakh. This handloom weaver loan waiver scheme will cover about 2,467 handloom weavers across the state.

This Handloom Weavers Loan Waiver Scheme will cover the loans taken by the weavers from any Nationalized bank or District Cooperative Central Banks (DCCBs). This scheme will waive off only the loans that were taken between 1 June 2014 and 31 March 2017. However, the weavers who have taken loans of above Rs. 1 lakh will also be eligible for the scheme but the government will pay maximum Rs. 1 Lakh which would be directly transferred to the loan account of the beneficiary.

However, the government has informed that about 205 weavers (out of 2,467) who have paid their loans balance, will also be eligible to get Rs. 1 lakh under Handloom Weavers Loan Waiver Scheme. Such handloom weavers also faced several problems to make repay the amount of loan.

(adsbygoogle=window.adsbygoogle||[]).push({});

Handloom Weavers Loan Waiver Scheme Telangana

The state govt. will spend Rs. 10.10 crore to protect handloom weavers from debt-trap and the remaining amount of Rs. 5.65 crore will be spend for 1,018 powerloom weavers. The aim of the scheme is to ensure sustainable employment and welfare of weavers. The government will also provide marketing facilities to increase brand promotion of products. Moreover, the state government has extended the benefits of the Cooperative Thrift Fund Scheme to weavers both within the cooperative sector and outside including the ancillary workers like winders, designers and dyers.

(adsbygoogle=window.adsbygoogle||[]).push({});

Moreover, this loan waiver scheme will resolve the problems of insufficient raw material supply, tough competition, insufficient marketing facilities etc. The government will also provide adequate budgetary support to the Handloom Sector. This scheme will also help the weavers to increase their livelihood earnings in the handloom sector.

The state government of Telangana has announced 24×7 power supply to the agriculture sector across the state from March, 2018. The TRS government has started to provide 24×7 power to agriculture sector on experimental basis from 6th November 2017. However, the government has set a deadline to provide 24×7 power to all households, industry, commercial business, public needs etc. by 2018-19.

Under the 24×7 power supply experiment, the state government would provide power to agriculture sector for 5 or 6 days a week. The government will then study the pros and cons of the implementation to come up with better and effective solution. If everything goes right, the experiment would be converted into full fledged implementation for permanent 24×7 power to agriculture sector from March 2018.

Telangana state is among the highest power consumption States all over India. As per data of electricity department, per capita power consumption of the state is over 985 units against the national average of 917 units. The government will invest Rs. 1600 crore to strengthen the electricity transmission and distribution network in the state.

(adsbygoogle=window.adsbygoogle||[]).push({});

Telangana government has promised that they will ensure 24 hour power supply to all section of the state including 24 hours supply to rural section by 2017-18 against 15 hours supply. Govt. also promised to provide 9 hours power supply to agriculture during day time against 7 hours.

According to the official data, there are 44,532 urban and 721,588 rural households to be electrified in the state. The power department has planned to complete the electrification of all households by the end of 2017-18. The present demand of power is expected to be in the range of 13,500 MW to 14,000 MW. This demand can provide uninterrupted supply of power to agriculture pump sets in the State.

(adsbygoogle=window.adsbygoogle||[]).push({});

The government has informed that this year demand of state was 8,300 MW against 6,890 MW last year. Therefore, Telangana State Power Generation Corporation Limited (TSGENCO) is planning for investments of Rs. 42,491 Crore to set up more thermal power station to meet the increasing demand of the state by 2018-19.

The government has informed that they bear the cost for supply of 24×7 power in the form of subsidy. Moreover, several projects are already working in the state to capacity addition. Govt. informed that, the 800 MW seventh unit of KTPS is being expected to be completed in December this year.

The state government of Telangana has announced to provide subsidy for those farmers who are buying buffaloes in the state. As per the notification, the government is planning to frame a comprehensive scheme for the development of dairy sector to start a milkâ€™srevolution (Ksheera Viplavam) across the state.

According to the notification, government will provide 50 per cent subsidy to the farmer from general categories while SC/ST community farmers will get 75 per cent subsidy for buying a buffalo. The scheme would be implemented through several dairy development societies.

Dairy Development Societies

Below is the list of dairy societies will get top priority under the scheme

(adsbygoogle=window.adsbygoogle||[]).push({});

Vijaya Dairy Development Society

Mulkanur Dairy Development Society

Nalgonda and Rangareddy Districts Dairy Development Societies

Karimnagar Dairy Development Societies

State government has also accepted the demand of other dairy farmers to provide Rs. 4 per liter as incentive. Earlier, the demand of incentive was accepted only in the case of Vijaya dairy development society. The accepted demand of incentive of Rs. 4 per liter will be implemented from 24 September 2017.

The milk production percentage is a very small when compared to the demand of 1 crore litres. All dairy development societies put together across the state are producing around 7 lakh liters. Karnataka state is supplying 6 lakh liters, AP 4 lakh liters and Gujarat 2 lakh liters to the state.

(adsbygoogle=window.adsbygoogle||[]).push({});

Therefore, State government is planning to frame a comprehensive policy for dairy sector through which milk production in state can be increased and the state wonâ€™t rely on supply from other states.

Telangana state govt. has declared to sponsor 100 merit students from minority under the free coaching scheme. The government would sponsor the coaching for preparation of civil service examination at the reputed coaching centres. The govt. would provide financial support and hostel facilities to the selected students.

The govt. has shortlisted 100 students from the minority for the 2018 civil service examination. A committee was constituted by the state govt. to select and identify five best institutions in Hyderabad based on proven track record, infrastructure, faculty and other elements. The selected students has been given the option to choose the institute of their choice.

Benefits of Free Coaching Scheme

Under the free coaching scheme to minority students, the government is also providing Rs. 5000 incentives for the rural students and Rs. 2500 for the urban students. The govt. is also providing hostel facility to Muslim students who are selected to take the benefit of free coaching.

(adsbygoogle=window.adsbygoogle||[]).push({});

The state govt. has taken this decision in consultation with the Minority and Welfare Department of Telangana. The Department has conceived a novel scheme to provide free coaching for Union Public Service Commission (UPSC). The main purpose of the scheme is to provide opportunity to minority students and improve their living standard. Through this scheme, a good candidate can become a civil servant and impart their skill to serve the country.

(adsbygoogle=window.adsbygoogle||[]).push({});

Last year, in civil services exam, around 75 students were qualified from the two telugu states. The free coaching scheme would encourage more students for next session to take benefit of the scheme.

Under the Scheme-C, the small scale industry can be setup. Preference will be given to the industry being setup in the rural areas in the state.

How to Apply

The candidates selected under the Scheme-B and C would become eligible for the loan after undergoing a special Entrepreneurship Development Programme (EDP) training.

The eligible candidates as per the qualification and age limit can apply for the scheme through MPDO, municipal commissioners concerned. The applications then will be scrutinized and recommended to the district level committee. Then, the district sanction committee will scrutinize the applications and accord administrative sanction to release financial assistance in the form of subsidy to the bank account of the selected beneficiary.

Mission Bhagiratha, a great initiative by the state government of Telangana has been launched by the Prime Minister Shri Narendra Modi Ji. Mission Bhagiratha is an initiative to provide safe drinking water to everyone through dedicated water pipeline in the state.

To accomplish the mission, state government has designed a water grid project to provide a sustainable and permanent solution to the problem of safe drinking water. The objective of Mission Bhagiratha is to provide 100 liters of clean drinking water per person in rural households and 150 liters per person in urban households.

Mission Bhagiratha – The Water Grid System

The project will cover about 25000 rural and 67 urban habitations across the state. The cost of the project is estimated to be Rs. 42,000 Crores. The project will also rejuvenate more than 45,000 water tanks along with laying the dedicated pipeline grid.

According to the official website, the state-level grid will comprise of a total of 26 internal grids. The main trunk pipelines of this project would run about 5000 km, and the secondary pipelines running a length of about 50000 km would be used to fill service tanks in habitations. From here the village-level pipeline network of about 75,000 km would be used to provide clean drinking water to households.

The project will draw water from the two main rivers flowing through the state, Krishna and Godavari. A total of 34,000 million cubic meters of water from Godavari and 215000 million cubic meters from Krishna river would be used for the water grid.
