#### Manipur School Fagadaba Scheme 2019

Manipur govt. focuses on providing renewed thrust towards improvement of govt. schools in terms of physical and manpower infrastructure through School Fagathansi mission. Manipur has 60 Assembly Constituencies. Under this scheme, one High or Higher Secondary School in each Assembly Constituency was selected in the 1st phase. Earlier, the "Go to Hill" and "Go to Village" mission were successful in connecting people with the government.

The overall objective of the School Fagabada mission is to improve the government schools in terms of physical and manpower gaps and increase in enrollment of students. Manipur CM Biren Singh told that around 2,200 teachers / lecturers had applied for posting in the model schools selected in all 60 Assembly constituencies under the mission.

(adsbygoogle=window.adsbygoogle||[]).push({});

Manipur state education department has set a target to increase enrollment of students from 26,000 at present to around 44,000 in the next academic session. Once a teacher got posted in these schools, then he / she will have to stay there for at-least 3 years.

The CM N. Biren Singh has also assured additional infrastructures like decent school campus, sufficient school furniture, outdoor gymnasium for students. Moreover, there would be separate toilets for boys and girls, drinking water facilities among other basic standards as per the Right to Education (RTE) norms.

Manipur govt. has launched School Fagat Hansi mission as an initiative under the government's popular "Go to Village" mission. This mission was launched at a function organized at Yumnam Huidrom Govt. High School in Imphal West District on 19 January 2019. Manipur School Fagat-Hansi Scheme is launched with an objective to give renewed thrust towards improvement of govt. schools in terms of physical and manpower infrastructure.

Now all the state govt. run schools in 60 assembly constituencies of Manipur are going to be developed as model schools in 1st phase under School Fagat-Hansi Mission. The state govt. would run and develop all these schools in a uniform pattern.

Previously, the "Go to Hill" and "Go to Village" mission were successful in connecting people with the government.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Manipur School Fagat Hansi Mission

Now the govt. intends to put special focus on development of govt. schools in Manipur through School Fagat-Hansi Mission as economic condition of general public is not improving. Chief Minister N Biren Singh expressed hope that new mission is going to garner trust of people towards govt. schools. Now all the model schools will comprise of classes from pre-nursery to class 10th. Moreover, no govt. teachers would be transferred from these model schools for at-least 3 years to maintain stability in teaching manpower. Manipur CM urges involvement and cooperation of local people, educationists, local club members and Meira Paibee leaders in the scheme to make it a huge success. In addition to existing school mgmt. committees, selected schools are going to be managed by the re-defined managing committees which would be headed by circle MLAs concerned.

(adsbygoogle=window.adsbygoogle||[]).push({});

In the previous year, Manipur govt. had announced incentive awards for meritorious students of govt. schools. These awards would be given to students who have secured positions in class 10th and 12th examinations conducted by Board of Secondary Education Manipur (BOSEM) and Council of Higher Secondary Education Manipur (COHSEM). Accordingly, Rs. 50 lakhs had been sanctioned by the State Planning dept. for early distribution of cash prizes to students.

The state government of Manipur has launched “Pradhan Mantri Sahaj Bijli Har Ghar Yojana” or “SAUBHAGYA” to provide electricity for all the households in rural and urban areas. This scheme was launched by the Union Minister of State (IC) for Power and New & Renewable Energy. The government is expecting to cover approximately 1.75 lakh households in Manipur under the scheme.

Under SAUBHAGYA scheme, the government will provide power connection to every household at the doorstep. A total 1.75 lakh household, out of which 1.62 lakh rural households and 0.13 lakh urban households will get the benefit of the scheme. The main objective of this scheme is to provide last mile power connection which covers all rural and urban households across the nation.

#### SAUBHAGYA Scheme

The benefit of this scheme is especially for the poor household under which they can easily buy the electricity for their homes. The government has promised that every household will get 24×7 power supply by March 2019. For this, the government has already given instruction to private companies to provide 24×7 power supply to each household.

(adsbygoogle=window.adsbygoogle||[]).push({});

Moreover, the central government has assured that they will provide expected financial assistance for procuring of transformers, meters etc. to strengthen the power sector in Manipur. This scheme is being implemented by the Rural Electrification Corporation Limited (REC), Under the Ministry of Power. The beneficiary of the scheme will be identified using Socio Economic and Caste Census (SECC), 2011 data. Recently, the central government launched Saubhagya portal to check the working progress of electrification of households in the country. The citizen can make their registration on the portal to pay the electricity bills and get the information regarding reducing power losses.

(adsbygoogle=window.adsbygoogle||[]).push({});

On the Saubhagya portal, the candidate will get the relevant information regarding electrification areas-wise. The government will provide electrical connections to the 4 crore un-electrified households by 2018 Under Saubhagya scheme.

Pradhan Mantri Awas Yojana – Gramin (PMAY-G), the centrally sponsored rural housing scheme has been launched in Assam by the Chief Minister Sarbananda Sonowal. The scheme launch was marked by distributing sanction letters to some of the beneficiaries of PMAY-G at Sarusojai Stadium. Under the scheme, the state government has started the scheme for the construction of 1,64,245 pucca houses in the year 2016-17.

Pradhan Mantri Awas Yojana Gramin – Assam

Under the PMAY-G in Assam, the housing scheme beneficiaries will get 1.3 Lakh as financial assistance along with Rs. 12000 under the Swachh Bharat Mission for building toilet and Rs. 18000 under MGNREGA (Mahatma Gandhi National Rural Employment Guarantee Act). The central government has also extended the size of housing unit from 20 sqmt in earlier Indira Awas Yojana to 25 sqmt.

The state government is making all efforts to make the right selection of beneficiaries & construction of houses through a strong mechanism developed for the implementation. The state government has also appointed a nodal officer in each gram panchayat to monitor the whole process of PMAY-G implementation.

(adsbygoogle=window.adsbygoogle||[]).push({});

The selection of the beneficiaries for Pradhan Mantri Awas Yojana – Gramin is being done on the basis of SECC-2011 data considering several factors and validating those through gram sabha.

PMAY-G also provides a provision of a loan of up to Rs. 70000 for further extension of the house. A loan of up to Rs. 2 Lakh taken in 2017 for new home construction or extension will receive an interest subvention of 3% resulting in significant less burden of interest and less EMI's for the borrowers.

(adsbygoogle=window.adsbygoogle||[]).push({});

IN All, Narendra Modi on 31st December 2016 has also announced 33% increase in the number of houses to be constructed under the rural housing scheme by the year 2022.

The details and sanction details of the PMAY-G beneficiaries can be checked on [awaassoft.nic.in](http://awaassoft.nic.in) using the registration number or by beneficiary name, sanction number, BPL number or father/husband number.

Pradhan Mantri Awas Yojana (PMAY) â€“ Urban, a flagship affordable housing scheme of central government has been extended to all 97 towns in Assam. However, the scheme was initially planned to be implemented in just 9 towns of the state. The urban development department of the state would start implementation of the scheme in all 97 towns simultaneously in first week of February 2017.

The government would stress on uniform structure of the houses to be constructed under PMAY. Government is working towards the successful implementation of the scheme in all towns and give new life to urban poor home seekers in the state.

Launched on June 25, 2015 by central government, Pradhan Mantri Awas Yojana â€“ Urban aims to provide 2 Crore homes to urban poor by the year 2022. The scheme offers financial assistance to the beneficiaries through several means including direct benefit transfer, subsidy and lower interest rates.
