

Maharashtra CM Uddhav Thackeray has announced the launch of Shiv Bhojan Yojana for poor people across the state. In this Rs. 10 Meal Canteen Scheme, the state govt. will provide Shiv Thali to needy one at price of just ten rupees. This Shiv Food Scheme is named after the Shivaji Maharaj who was the king of the poor. Hinduhradaysamrat Balasaheb Thackeray Anna-rath would be operational in Maharashtra after launch of Shiv Meal Scheme.

The state govt. of Maharashtra will initially launch Shiv Bhojan Yojana for Rs. 10 from 50 places. In the next phase of Shiv Rs. 10 Meal Scheme, the state govt. will expand the scheme to other areas.

Latest Update – In the wake of nation-wide Coronavirus (COVID-19) lockdown, the state govt. of Maharashtra has decided to provide meals at Rs. 5 to 1 lakh people daily. This scheme will run for the 3 months and will ensure that poor people particularly daily wagers will not remain hungry.

Shiv Thali Scheme was a pre poll promise of Shiv Sena which is now implemented by the Maharashtra Vikas Aghadi (MVA) govt. led by coalition of Shivsena-Congress-NCP.

Maharashtra Shiv Bhojan Yojana 2020 (Rs. 10 Thali Scheme)

Shiv Bhojan Yojana is announced by the Maharashtra CM Uddhav Thackeray to provide food to poor people at subsidized price of ten rupees. This subsidized Rs. 10 Meal Canteen Scheme to be implemented by Hinduhradaysamrat Balasaheb Thackeray Anna-rath which would be started by the government. The Shiv Food Thali Scheme will start from the next year i.e 2020. The Rs. 10 Shiv Meal Scheme is part of the MVA government's official common minimum programme (CMP).

The Hinduhradaysamrat Balasaheb Thackeray Anna-rath are those vehicles from where the Rs. 10 Shiv Meal Yojana will be implemented. These food vans will serve meals at subsidized prices to needy and marginalised people. The meal would be known as Shiv Thali and include 3 chapatis, a vegetable dish, a portion of rice-dal/curry and a sweets preparation. The menu for Shiv Bhojan Yojana will be changed every day. This Shiv Thali Scheme will follow the similar lines of Tamil Nadu Amma Canteen, AP Anna Canteen Scheme & Karnataka Indira Canteen Scheme.

"आमच्या सरकारने असं ठरवलं आहे की गोरगरिबांना १० रुपयांमध्ये शिवभोजन देण्याची योजना आम्ही सुरू करत आहोत."-मुख्यमंत्री मा. श्री. उद्धव बाळासाहेब ठाकरे [pic.twitter.com/ZBoHJSrpLf](https://pic.twitter.com/ZBoHJSrpLf)

— Office of Uddhav Thackeray (@OfficeofUT) December 21, 2019

This scheme will not discriminate any person on the basis of their caste, colour and religion. All the poor people who are needy or hungry can take benefits of this Shiv Bhojan Yojana.

**Maharashtra Mahatma Jyotirao Phule Shetkari Loan Waiver Scheme Apply Offline**

Maharashtra govt. has announced a loan waiver of upto Rs. 2 lakh for farmers with cut off date of 30 September 2019. The Mahatma Jyotirao Phule Farmer Loan Waiver Scheme of the newly formed Shiv Sena, NCP & Congress coalition regime comes over two years after the Rs. 34,000 crore loan waiver announced by the then BJP-Sena government. Previously, the state govt. had launched the Chhatrapati Shivaji Maharaj Shetkari Samman Yojana (छत्रपती शिवाजी महाराज शेतकरी सन्मान सन २०१७ कर्जमाफी वितरण योजना) in 2017. CM Uddhav Thackeray has made this announcement in the legislative assembly on the last day of winter session of legislature. However, there was no word on how much financial burden the new Farm Loan Waiver Scheme in Maharashtra would put on the state treasury. Mahatma Jyotiba Phule Loan Waiver Scheme would require minimum documentation and would be hassle free.

Member of Parliament (MP), state legislators and government employees will not receive the benefit of Maharashtra Mahatma Jyotiba Phule Shetkari Karj Mukti Yojana. The new Kisan Karz Mafi Yojana will cover

farmers who cultivate fruit trees and sugarcane as well as conventional crops.

#### Maharashtra Mahatma Jyotiba Phule Loan Waiver Scheme Application Process

The state govt. will make a film for farmers to better understand the application procedure for Mahatma Jyotiba Phule Farm Loan Waiver Scheme. No person will have to stand in long queues unlike previous CSMSSY loan waiver scheme. All the farmers who wish to avail benefits of crop loan waiver scheme will need to approach their bank only with Aadhaar card.

Upon reaching the banks, Bank officials will take the person's thumb print and the government will transfer the amount to the loan account of the farmer. In addition to this, it is important to note that no online form submission will be needed for Mahatma Jyotirao Phule Farm Loan Waiver Scheme 2020-21. Applicants will have to follow the offline application process to get their name enrolled in Mahatma Jyotiba Phule Shetkari karj Mukti Yojana list of beneficiaries.

#### Opposition of Maharashtra Jyotirao Phule Shetkari Karj Mukti Yojana

Former CM and current leader of opposition, Devendra Fadnavis alleged that the government had not fulfilled its original promise of full loan waiver. He questioned the govt's failure to provide financial assistance of Rs. 25,000 per hectare to farmers who suffered losses due to unseasonal rain.

Fadnavis and other BJP MLAs then staged a walk out in protest of Mahatma Jyotirao Phule Farm Loan Waiver Scheme. Moreover, Devendra Fadnavis also alleged that the scheme will benefit very few farmers as most of them were already covered by his government's CSMSSY 2017 scheme. He said that the govt. is cheating farmers as it is not offering full loan waiver.

Maharashtra govt. has launched a unified web portal for Mahaswayam Employment Registration. All those people who are looking for jobs in Maharashtra can register online at Mahaswayam portal. Accordingly, Rojgar Mahaswayam registration will provide an easy access of jobs to jobs seekers as specified by various employers. Interested candidates can make Mahaswayam registration through the official website [mahaswayam.in](http://mahaswayam.in) or can directly login at [rojgar.mahaswayam.gov.in](http://rojgar.mahaswayam.gov.in).

Maharashtra govt. has launched mahaswayam unified web portal which consists of 3 parts – first is employment for youth (Maharogjar), second is skill development (MSSDS) and third is self employment (Mahaswayamrojgar).

Latest Update (6 July 2020) – A New Maha Jobs Portal is now functional at <https://mahajobs.maharashtra.gov.in/>. Jobseekers make registration online, login at the Maha Job Portal, upload documents, create their profile, search for jobs and apply for jobs instantly.

(adsbygoogle=window.adsbygoogle||[]).push({});

Earlier, Maharashtra govt. has 3 different portal for above mentioned 3 parts – MSSDS ([kaushalya.mahaswayam.gov.in](http://kaushalya.mahaswayam.gov.in)), Maharogjar ([rojgar.mahaswayam.gov.in](http://rojgar.mahaswayam.gov.in)) and Mahaswayamrojgar ([udyog.mahaswayam.gov.in](http://udyog.mahaswayam.gov.in)). Now all these web portals get merged into a single Mahaswayam Web Portal. All the interested job seekers can make mahaswayam employment registration and subsequent login at [mahaswayam.gov.in](http://mahaswayam.gov.in)

Maharashtra Mahaswayam Employment Registration 2020

Below is the complete procedure to register online and make login:-

(adsbygoogle=window.adsbygoogle||[]).push({});

Firstly visit the official website [www.mahaswayam.gov.in](http://www.mahaswayam.gov.in)

Subsequently on the homepage, click the "Employment" tab present in the main menu.

Direct Link – Candidates can directly click the given link for Rojgar Mahaswayam Registration –

<https://rojgar.mahaswayam.gov.in/#/home/index>

Here candidates can search relevant jobs from List of Jobs by entering their skills / education / district.

However to apply for job, job seekers will first have to mahaswayam register at online portal.

For this reason, candidates have to click the "Register" tab under "Jobseeker Login" section.

Afterwards, New Jobseeker Registration Form will appear as shown below:-

Rojgar Mahaswayam Registration Job Seekers

Here candidates have to fill the necessary details as per the details in their Aadhaar Card. Finally, candidates can click the "Register" button to complete the Mahaswayam Employment Registration Process.

After all the steps are completed, candidates will get Mahaswayam registration id and password through which job-seekers can make login and apply for new jobs.

Mahaswayam Rojgar Portal Login

After completion of this entire process of rojgar mahaswayam registration and login, candidates can choose appropriate job from the list at mahaswayam web portal.

Maharashtra Rs. 10 Meal Canteen Scheme (Shiv Thali)

The state govt. of Maharashtra led by Shiv Sena will launch a pilot project of the highly-anticipated Rs. 10 Meal Scheme for the poor at Mulund on 6 December 2019. The affordable mobile meal canteen scheme is a part of MVA govt's common minimum programme and will formally be launched sometime next month. The Balasaheb Thackeray Anna-rath launch event will coincide with Dr. Ambedkar Mahaparinirwan Divas or the 63rd death anniversary of Dr BR Ambedkar. This Rs. 10 Mobile Meal Canteen Scheme is launched in view of demands from poor sections of society in Mulund.

The Hinduhridaysamrat Balasaheb Thackeray Anna-rath is a vehicle from where the Rs. 10 meal will be served to the needy and marginalised people. The meal will be known as Shiv Thali and would include 3 chapatis, a vegetable dish, a portion of rice-dal/curry and a sweets preparation. The menu for Rs. 10 Meal Canteen Scheme will be changed every day. The Mulund scheme will be run by Shetty's Shree Swami Charitable Trust and as per the response from public, this scheme will be extended to other areas.

(adsbygoogle=window.adsbygoogle||[]).push({});

This Rs. 10 Meal Canteen Scheme will follow the similar lines of Tamil Nadu govt's Amma Unavagam / AmmaCanteen and AP govt's Anna Canteen Scheme. However, AP YSR govt. had closed TDP's flagship Anna Canteens due to non-renewal of contract with the Akshaya Patra Foundation. As per reports, the scheme might be renamed as Rajanna and launched again under new management of CM Jagan Mohan Reddy. In Karnataka also, the Indira Canteen is on the verge of closing down due to lack of adequate funds. As per the local media reports, Bengaluru civic body had warned that Indira Canteens may be forced to shut down the food outlets by the first week of September if they do not get adequate funds from the canteen.

Maharashtra govt. has decided to issue Labour Smart Cards for building and construction workers. The online registration of construction workers and allocation of smart cards will start from January 2020. These Workers Smart Card will ensure safety and security of labourers on working sites. Maharashtra Labor Welfare Board will setup 41 work facilitation centers across the state.

These centers will facilitate building workers to register themselves without any hassle. Till date, workers welfare board offices are ready at 8 locations – Aurangabad, Jalna, Worli, Solapur, Amravati, Panvel, Bhandara and Nanded. The rest offices will become operational on successful allocation of required areas.

Maharashtra Building & Other Construction Workers Welfare Board mentioned that 5 officials from private company would be appointed in each center to help district labour offices. 3 officers will operate from office and 2 officers will visit sites to register workers.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Maharashtra Building Workers Smart Cards

Maharashtra Labour Welfare Board is statutory body formed under Bombay Labour Welfare Fund Act 1953. This body conducts labour welfare activities through welfare centers and encourages all workers to register with it. The contractors working on projects such as road construction, water supply, drainage and pipelines can register as workers to get Building Workers Smart Cards.

Currently, there are around 20.6 lakh registered workers and around 13.1 lakh are active workers. The number of construction workers will increase on roll-out of Maharashtra Labour Smart Cards online registration. Workers can register themselves on having 90 day work certificate from labour offices and developer.

(adsbygoogle=window.adsbygoogle||[]).push({});

After submission of identity details and biometrics, construction workers can make registration with minimal fees of Rs. 25. Labourers will have to deposit Rs. 1 per month for the next 5 years which totals to Rs. 60. Each building labour will have to renew their membership every year at the online centers. All the registered labourers will get several social security benefits under Labour Welfare Act.

The Maharashtra Labour Smart Card with unique identification number will help workers to access social security schemes. The Construction Workers Smart Cards will be issued to beneficiaries under Unorganized Workers Social Security Act 2008. These smart cards for building labour & construction workers will allow beneficiaries to self certify that they are unorganized sector workers & can get benefits.

Maharashtra government is going to change the eligibility criteria to "One Family One House" for beneficiaries in government housing schemes. This rule is being changed as an aftermath of the Bombay High Court order. Now under One Family One House Scheme, a person will not be eligible to get a flat in a government scheme if he or his immediate family has previously been allotted a flat anywhere in Maharashtra.

In the FY 2018, Bombay High Court was hearing a plea that no other house will be allotted to a beneficiary if he has already 1 under govt. housing scheme. In this One Family One House scheme, a person and immediate family will only have 1 house anywhere in the state.

This rule will even apply in case the beneficiary is a judge or a bureaucrat. The challenge in HC was to an allotment made to a society of sitting HC judges in the suburbs of Mumbai.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Maharashtra One Family One House Scheme 2019

As per the existing policy, there are restrictions only on a second home in a government scheme in the same district. Several politicians and bureaucrats are taking benefits of this provision on multiple occasions. So, the housing department has made a new policy of One Family One House Scheme 2019.

This new scheme will soon be tabled before the cabinet committee of Maharashtra in next few weeks. This policy of One Person One Home in govt. housing schemes is expected to get cabinet approval. The state govt. has already committed to unveil the policy to the Bombay high court.

(adsbygoogle=window.adsbygoogle||[]).push({});

This norm will remain applicable to the beneficiary immediate family such as wife or dependent child to ensure that ineligible beneficiary does not get second house in name of family member. It is still not known that whether norm is applicable for free-housing rehabilitation schemes or not.

The state govt. is seeking advice of law department on whether norm should also apply to rehabilitation schemes. In this schemes, govt. provides buildable area incentives in lieu of free rehabilitation of occupiers.

Maharashtra cabinet has given its approval to LPG Gas Subsidy Scheme 2019 to provide subsidy on LPG gas connections. This new subsidy scheme on LPG gas would be implemented on the lines of the flagship scheme of the central govt. named Pradhan Mantri Ujjwala Yojana. As per the new Maharashtra LPG Gas Subsidy Scheme, govt. aims to create a smoke free state by replacing wood fired stoves with LPG connections.

All the left out families who does not get benefits of the PM Ujjwala Yojana would be covered under LPG Gas Subsidy Scheme in Maharashtra. To implement the scheme, the state govt. has allocated Rs. 100 crore.

The LPG gas connections would be provided in the name of the female member of these households as they are most effected by open fire cooking.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Maharashtra LPG Gas Subsidy Scheme 2019

The state govt. of Maharashtra will start LPG Gas Subsidy Scheme to make the state smoke free in terms of using wood for cooking by the end of March 2021. Under this scheme, govt. will provide Rs. 3,846 for every new connection to the families. There are around 41 lakh families in Maharashtra which does not have LPG gas connections.

Most of them may be covered under the PM Ujjwala Yojana while the remaining would be covered under LPG Gas Subsidy Scheme. This is because, many of the families are not covered under PMUY scheme due to ineligibility. All the BPL families having a ration card would be eligible to get gas connection.

(adsbygoogle=window.adsbygoogle||[]).push({});

Food & Civil Supplies Department is expected to implement this scheme for BPL ration card holders from 14 districts where farmers suicide rate is highest. There are around 40.98 lakh PMUY gas connections and around 80% may have ordered a refill.

Even the PM Ujjwala Yojana was widely famous, the refill rate is very low. Most of the beneficiaries after getting gas connections are unable to continue using LPG as a medium for cooking due to high cost of refill.

Maharashtra Budget has been presented in the Assembly and the state govt. has made a total allocation of Rs 31,000 crore. This is Rs. 6,000 crore more from last year for 2 crucial sectors of agriculture and irrigation. Accordingly, the Chhatrapati Shivaji Maharaj Shetkari Sanman Yojana (CSMSSY) loan waiver scheme launched in 2017 expanded to include khavti karz of farmers. In addition, a new Atal Arthasahay Yojana has been introduced in the Maharashtra Budget 2019-2020.

Maharashtra govt. to cover new schemes as well as old and some schemes which have been expanded to include those left out earlier. In this budget, water resource ministry has been allocated Rs. 12,597.13 crore for irrigation projects. Agriculture and allied sectors has been allocated Rs. 18,403 crore in the Maharashtra 2019-2020 Budget. Among the new schemes, there is Rs. 5 / litre subsidy to milk farmers. Subsequently, accidental death insurance for farmers has been expanded to include family members.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### CSMSSY Maharashtra 2019 “ Loan Waiver Scheme to Include Farmer’s Khavti Loans

In the Maharashtra Budget unveiled on 18 June 2019, the CSMSSY crop loan waiver scheme will now cover consumption loans for tribal communities. The state govt. is laying emphasis on agriculture and irrigation to double production and income of farmers. The socio-economic empowerment of individual small and marginal farmers is necessary for overall growth of the state. Extended CSMSSY loan waiver scheme will include khavti karz. Khavti Loans are the loan given to small and poor farmers in backward and tribal belts and is specifically meant for their food needs.

The state govt. has sanctioned Rs. 24,102 crore to 50.27 lakh account holders under CSMSSY. In order to include more beneficiaries in CSMSSY scheme, the scope has been expanded and khavti loans have been included in it. Maharashtra govt. is also going to take decision shortly to those farmers who became ineligible for technical or some other reasons. For ensuring high rural outreach, the govt. has allocated Rs. 210 crore to expand the scope of insurance cover for accidental death of farmers by extending the cover to family members to benefit 5.5 crore people.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Atal Arthasahay Yojana in Maharashtra

A new scheme called Atal Arthasahay Yojana with an outlay of Rs. 500 crore. Under this scheme, the govt. will provide assistance to promote innovative agro-based projects by various cooperative institutions. In case of accidental death of farmers, compensation to limit of Rs. 2 lakh is given by insurance company appointed by govt. under Gopinath Munde Shetkari Apghat Vima Yojana. Till date, an insurance premium to approx. 1.37 cr farmers whose name appears on 7/12 extract is being paid by govt. to insurance companies.

Maharashtra budget allocated Rs. 390 cr for Bhavantar Yojana which aims to help farmers bridge the price difference b/w minimum support price and market price. All the milk producing farmers would get Rs. 5 per litre subsidy but the packaged milk is excluded from this scheme. Till date, 42 cooperative milk federations and private milk producers have been benefited under this scheme. To encourage export of milk powder, a grant of Rs. 50 per kg has been given to milk federations and private milk processing industries.

City and Industrial Development Corporation Maharashtra has planned to provide 90,000 homes under its mega CIDCO Lucky Draw Housing Scheme in Navi Mumbai. This CIDCO lucky draw 2019 would be a part of the Prime Minister's flagship "Housing For All (HFA) by 2022" scheme. All the affordable houses would be sold through lottery by July end or August 2019.

All the flats under CIDCO Maharashtra Lucky Draw Housing Scheme 2019 are meant for economically weaker sections (EWS) and low-income groups (LIG). These new houses would be constructed under the Pradhan Mantri Awas Yojana (PMAY) housing scheme.

CIDCO has all the permission in place and till the June end, the tender for construction of 90,000 flats would be opened by July or August. All of these newly constructed houses would be put up for sale through a lottery.

(adsbygoogle=window.adsbygoogle||[]).push({});

CIDCO Maharashtra Lucky Draw Housing Scheme 2019

CIDCO Maharashtra will provide around 90,000 affordable houses under this new Lucky Draw Housing Scheme 2019. The prices of these houses would be 20% to 30% cheaper than those offered by private developers in the open market. Moreover, buyers will get more flexibility in making payment and all the lottery winners can pay for homes as the construction progresses. Just like the previous CIDCO scheme for 14,000 homes, this scheme will also remain hit.

CIDCO Lucky Draw 2019 Scheme has caused a stir in the Mumbai's real estate market. There is already a demand of 2 lakh homes and supply is almost nil. But the quality and location of CIDCO houses is not as desirable as those homes offered by private developers. Private developer choose sites close to railway stations, markets, schools and thus asks for higher premium amount.

(adsbygoogle=window.adsbygoogle||[]).push({});

However, the new CIDCO Maharashtra housing scheme is going to boost development of local infrastructure. Moreover, the CIDCO's affordable housing scheme will help buyers who cannot afford a private project. As the houses offered by either CIDCO or MHADA are affordable, so every year there are so many applicants for housing lotteries. It is expected that the project would bring much needed correction in an overpriced market.

All the houses provided by CIDCO are cheaper and comes at reasonable rates. In addition to this, there is no cheating, fraud or delay in the housing projects. A buyer feels more confident in buying a government-developed house. In the area, government rates range in the Rs. 4,500 to 5,000 per sq.ft bracket. This ready reckoner rate varies from area to area. CIDCO is selling houses at Rs 6,000 per sq.ft as compared to Rs. 9,000 per sq.ft price of a private developer.

Maharashtra govt. is going to implement Prajwala Scheme of Tejashri Financial Services & Hirakani Maharashtra for rural women. Under Tejashri Scheme, the state govt. will provide financial assistance to debt ridden women for repayment of loans and to provide them with working capital. Moreover, govt. will also start Hirakani Maharashtra Yojana to provide skill training to women in rural areas.

The state govt. will implement Tejashree Financial Services Scheme by Mahila Arthik Vikas Mahamandal (MAVIM) as per the announcement made by Finance Minister Sudhir Mungatiwar on 1 February 2019. In addition, women entrepreneurs who are working through women's self-help groups can also avail the scheme benefits.

The total funding for Prajwala Scheme through Tejashree Financial Services will be Rs. 68.53 crore in next 3 years.

(adsbygoogle=window.adsbygoogle||[]).push({});

Maharashtra Prajwala Scheme – Tejashree Financial Services

Maharashtra govt. will provide help to debt ridden women from self help groups (SHGs). The assistance would be given for loan repayment and providing working capital under Prajwala Scheme of Tejashree Financial Services. Tejashri Scheme 2019 is going to be implemented by the state's Mahila Arthik Vikas Mahamandal (MAVIM). This scheme will help in understanding the needs of rural women and to bring them into the mainstream of development.

The state govt. of Maharashtra will distribute Rs. 68.53 crore in the upcoming 3 years as a part of this programme. This amount would include Rs. 10,000 as loan per person to all those who belongs to poor sections of the society. Moreover, Self-help groups (SHGs) will get financial assistance of Rs 20,000 for repayment of loans. In addition to this, SHGs will also get working capital of upto Rs. 2 lakh to assist women entrepreneurs in their businesses.

(adsbygoogle=window.adsbygoogle||[]).push({});

A memorandum of understanding (MoU) is going to be signed between the Commissioner, Human Development Mission and MAVIM for the Prajwala Scheme under Tejashri Financial Services.

Maharashtra Hirakani Maharashtra Scheme

The state govt. is also going to start another scheme namely Hirakani Maharashtra Scheme 2019 which aims to impart skill sets to women. Moreover, district as well as Taluka level camps for training would also be organized. The finance minister also inaugurated the convention of the women self-help groups in the state.

Both the Prajwala Scheme under Tejashri Financial Services and Hirakani Maharashtra Scheme aims to bring out women from debt trap and to impart skill training respectively to enable them to earn livelihood. The women entrepreneurs who are engaged in small businesses and are looking for market through their self-help groups would be imparted training on various skill sets.

All such women who finds it difficult to repay business loans would be benefited from Tejashri Financial Services. Moreover, all such women can now prosper in their business by using the skill sets after training.

Maharashtra Acharya Balshastri Jambhekar Sanman Yojana

Under the Maharashtra Pension Scheme for Senior Journalists, the state govt. is going to provide pension to all experienced media persons. Under Acharya Balshastri Jambhekar Sanman Yojana, the pension amount has not yet been finalized by the state government. All the working journalists, photographers, editors of newspapers, other news broadcast media and freelancers would be eligible.

Moreover, all the eligible people must have attained the age of 60 years. In addition to this, the eligible people must have completed the 30 years in profession. All the senior journalists have to be accredited for minimum 10 years. These people must have journalism as their only source of income. Except the Employee Provident Fund (EPF), the applicant should not be getting pension from any other source.

(adsbygoogle=window.adsbygoogle||[]).push({});

Accordingly, all the accredited journalists with 10 years of experience who practice journalism for livelihood will be eligible for the pension scheme. It is important to note that one of the eligibility criteria makes it mandatory that the applicant should not be a Income Tax payee. The pension would only be given to the beneficiaries only during their lifetime and not to their kin after their death.

In order to avail the benefits of pension scheme for senior journalists in Maharashtra, all the beneficiaries will have to submit the necessary documents to district information office. All the submitted documents would be scrutinized by the committee of Directorate of Information and Public Relations. This would be solely at the committee’s discretion to decide on granting pension to all the non accredited journalists who fulfills the eligibility criteria.

Maharashtra govt. has launched Atal Construction Workers Awas Yojana (Rural) 2019 for construction labourers living in rural areas. Under construction workers housing scheme in Maharashtra, govt. will provide financial assistance of Rs. 1.5 lakh to laborers. This amount could be used to construct pucca houses or to convert existing homes into pucca homes.

Maharashtra Labour department launches this housing scheme for construction labour as a part of the flagship Pradhan Mantri Awas Yojana (PMAY) Gramin. Housing department of Maharashtra state is going to be nodal agency for the implementation of Atal Construction Workers Awas Yojana 2019.

The state govt. is also actively considering to provide additional assistance for the purchase of land.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Maharashtra Atal Construction Workers Awas Yojana 2019

Just before the Lok Sabha elections and Maharashtra assembly elections, the state labour department has launched housing scheme for construction workers in rural areas. Maharashtra Atal Construction Workers Awas Yojana (Rural) is going to provide financial assistance of Rs. 1.5 lakh to build new homes or reconstruction of existing homes. The eligibility criteria is given here:-

All the construction workers must be registered with the Maharashtra Building and Other Construction Workers Welfare Board (MBOCWWB).

The registration of construction workers with MBOCWWB must be for a duration of more than 1 year.

All the construction labourers must not already possess pucca houses.

State Management Room for rural housing of the Rural Development dept. could be entrusted in order to successfully implement the scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Maharashtra Construction Workers Housing Scheme (Rural) – Details

All the eligible construction labourers who follows the above mentioned eligibility criteria would be able to avail the scheme benefits. The houses under the Construction Workers Housing Scheme (Rural) Maharashtra will have 269 sq.ft in carpet area. All the beneficiaries can build larger houses but for this, beneficiaries would have to bear their own cost. As per the official labour department reports, there are approx. 26 lakh construction workers in the state. Out of this, around 12.5 lakh construction workers are registered with MBOCWWB. Out of these registered workers, there are approx. 4 lakh construction workers in rural areas who don't own a pucca house. The state govt. has now invited applications from these construction workers.

Maharashtra govt. will give approvals to these applications after successful verification of their documents. The state govt. expects these homes to be build within 6 to 8 months. Moreover, there are some construction workers who does not have their own land. So, govt. is considering a proposal to provide Rs. 50,000 to buy land to build a house.

The Maharashtra Construction Workers Federation (MCWF) has termed the financial assistance as inadequate and it is difficult for workers to build house in that sum. The state govt. should increase the total sum in order to ensure that a large number of construction workers gets benefit of Atal Construction Workers Awas Yojana (Rural) 2019.

Maharashtra govt. has launched Maha Agri-Tech Scheme 2019 for digitally tracking agriculture management. Now all the information related to farming i.e from seed sowing to crop harvesting would be tracked. This Agri Tech Scheme will check the sowing area, atmosphere, various diseases on crops and will provide information to farmers. Now the farmers would be able to access this agriculture related information and will also help them to handle it immediately. Maharashtra Agri-Tech Scheme is the first-of-its-own-kind of scheme in the entire nation and is now started by CM Devendra Fadnavis. This venture will be helpful for farmers and peasants of the state as this will use satellite and drone technology.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Maharashtra Agri-Tech Scheme 2019 for Farmers

At the LokSamwad program, CM has started Maha Agri-Tech Scheme 2019 to provide agriculture related information to farmers which will benefit them. Maharashtra Remote Application Centre (MRSAC) and Indian Space Research Organization (ISRO) had assisted the state govt. to implement this program. In the first phase, the Rabi season crop planning in 6 districts and the crop wise sowing area details has been attached with the computers for digital tracking. All the problems faced by the farmers in the agricultural sector are going to be resolved using this technology. Around 1.5 crore farmers would be brought on a digital platform through this Maha Agri-Tech program. The state govt. will perform a survey of time from sowing to harvesting by measuring the crop wise area using satellites. After harvesting, farmers can know details about the produce and will also assist them in getting good price of the agriculture produce.

(adsbygoogle=window.adsbygoogle||[]).push({});

Maha Agri-Tech Scheme will also inform about the change in weather, crop diseases in order to enable farmers to take immediate action and prevent further loss. This is the first-of-its-kind digital tracking system to track farmer digitally. MRSAC and ISRO had given laudable help in implementing Maha Agri-Tech Scheme 2019. CM said that a large number of farmers have already been benefited and are narrating their success stories before the entire state. As the schemes related to farming are made online, possible irregularities have been curbed and transparency is being experienced. At the launch event, CM spoke with farmers of various districts for more than 3 hours and heard their problems keenly. Moreover, CM also carefully listened to the instructions given by the farmers and gives them assurance that these instructions would be acted upon in the future.

Maharashtra govt. has decided to provide ownership pattas to all slum dwellers formed on govt. land prior to 2011. In addition to these ownership rights, the land is being registered at a nominal amount. The state govt. has also relaxed the rules in order to benefit poor and needy persons. Around 2 lakh people in Nagpur would get benefit of this scheme. The rights would be distributed on a mission mode assured CM Devendra Fadnavis.

The Ownership Pattas were distributed by CM Nitin Gadkari during a programme at Timber Market on Jatarodi Road. On 16 December 2018, the state govt. distributed ownership rights to 9 slums which would enable them to avail loans on this basis.

Land titles are being given to the women members of the family and govt. will also provide them with PM Awas Yojana benefits by constructing pucca houses. Till date, the state govt. has completed the process of providing land titles to 25,000 slum dwellers.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Ownership Rights to Slum Dwellers in Maharashtra

Maharashtra is going to provide land titles to slum dwellers with minimum conditions. CM has also assured to provide land titles to slum dwellers who encroached the private land. The state govt. has framed a policy to provide fair compensation to land owners to provide land titles to slum dwellers. Around 2 lakh slum dwellers are going to be benefited from this drive.

This is a dream of every individual to possess their own house and to have their own roof. Slum dwellers are residing in pathetic condition over enroached govt. land for the past several years. Now the state govt. has fulfilled its promise to provide ownership rights of their land title. Now, people will have to pay minimum amount for registry of the property. Maharashtra govt. has relaxed various conditions to provide them land titles and govt. will give land titles to the slum dwellers till 2011.

(adsbygoogle=window.adsbygoogle||[]).push({});

Even the state govt. will also give them Rs. 2.50 lakh to improve the condition of their house under Pradhan Mantri Awas Yojana. This move will change their quality of life, raise their living standards and now these people can enjoy the ownership of the house.

We are giving ownership rights to the women member from family and will give them benefits of #PMAY by constructing pucca houses. We have completed process for ownership rights to 25,000 slum dwellers and aims to give such benefits to 2 lakh slum dwellers: CM @Dev\_Fadnavis [pic.twitter.com/r0yYEyEo9s](https://pic.twitter.com/r0yYEyEo9s)

Maharashtra CM's Agricultural Solar Feeder Scheme to be Extended

CM Solar Agriculture feeder Scheme was launched on 14 June 2017 which aims to provide the following benefits:-

Low cost Power to Agri-consumers.

Availability of electricity during day time.

Reduction in cross subsidy on industrial & commercial consumers.

Mahagenco with the help of MSEDCL and MEDA to implement CM' Agri Solar Scheme under public private partnership (PPP) mode. Under this CM Agri Solar Scheme, farmers are supplied with power during the day with the help of solar generation. Moreover, the privatization of power distribution for Malegaon and Kalwa-Mumbra sections is on fast track. The tendering process is underway now and the entire process is likely to be completed soon.

(adsbygoogle=window.adsbygoogle||[]).push({});

The privatization of Bhiwandi is successful and hence the state govt. has decided to go in for privatization of power supply in the 2 areas, where the bill collection is very low. A number of companies have participated in the tendering process which also includes the Torrent Power company.

In the recent days, the total number of power consumers has been increased from 2.15 crore to 2.45 crore. To meet these growing demands, company is taking every possible effort. Recently, the state faces an acute shortage of meters as the 16 lakh meters supplied by the 2 companies, one from Hyderabad and other from UP were found faulty and needs to be replaced on priority. These 2 companies have been blacklisted and the legal process for recovery of losses is ongoing.

The state discom, Mahavitaran is going to reduce its transmission and distribution losses from 17.50% to 14.50%. The state govt. has performed well to bring power scheme to a good position as regards to supply, distribution and reducing the problems which were faced earlier.

Maharashtra govt. has sanctioned more than 1 lakh homes under Ramai Awas Yojana for poor families belonging to scheduled castes and nav buddha caste. Under this scheme, the Social Justice department has sanctioned these houses in Nagpur, Amravati, Mumbai, Aurangabad, Pune and Nashik division for FY 2018-19. The state govt. targets 200 to 300 houses in every district and the remaining people have to depend on Pradhan Mantri Awas Yojana to get own homes. Check complete list of approved houses under Ramai Housing Scheme 2018-19.

As per the information provided by Mr. Rajkumar Badole (Social Justice Minister), a total number of 1,01,714 houses have been sanctioned under Ramai Awas Yojana 2018-19. He also said that this is the first time in the history of the state that such a huge number of houses for poor people have been sanctioned for construction purpose.

The primary objective of Ramayi Housing Scheme is to provide own roof to every homeless person and to realize the vision of "Housing For All".

(adsbygoogle=window.adsbygoogle||[]).push({});

Maharashtra Ramai Awas Yojana – List of 1 Lakh Approved Houses

Ramai Housing Scheme is being implemented by the Social Justice department to build houses for the poor people from SC & Nav buddha sections. This time the most number of houses are sanctioned for Nagpur division (22 thousand) while the lowest number of houses are sanctioned for Mumbai division (3,746). Below is the complete list of total number of houses sanctioned for each division & district under Ramai Awas Yojana 2018-19:-

Nashik division – 18,896 houses

Pune division – 12,830 houses

Amravati division – 14,614 houses (4103 in Amravati, 4000 in Akola, 2855 in Buldana, 2656 in Yavatmal & 1000 in Washim districts)

Aurangabad division – 10,230 houses

Mumbai Division – 3,746 houses

Nagpur (Vidarbha) division – 22,000 houses (6851 in Gadchiroli, 4500 in Chanrapur, 4400 in Wardha, 1300 in Nagpur & 1000 in Bhandara districts)

— CMO Maharashtra (@CMOMaharashtra) September 22, 2018

Under Ramayi Housing Scheme, proper sanitation facilities would be provided to all the beneficiary households. Previously, a maximum number of 200 to 300 houses were targeted in every district. Therefore, remaining people had to depend on the PMAY housing scheme for the house.

In the current year 2018-19, only 68 thousand 646 houses have been sanctioned under Pradhan Mantri Awas Yojana (PMAY) Housing Scheme. So, the Social Justice Department has approved one lakh one thousand 714 more homes under the Ramai Awas Yojana.

Maharashtra government is going to launch Pandit Deendayal Upadhyay Credit Society Deposit Protection Scheme to protect deposits of upto Rs. 1 lakh in cooperative credit societies. Under this scheme, the state govt. will safeguard fixed deposits of middle and lower-middle-class depositors in various rural credit societies. This scheme will follow the lines of similar protection offered to depositors of commercial banks.

Cooperation minister has made announcement to roll out this Pandit Deendayal Upadhyay Credit Society Deposit Protection Scheme after holding a meeting with representatives of cooperative credit societies. This scheme will provide deposits protection upto Rs. 1 lakh.

CM Devendra Fadnavis will launch this scheme on 25 September 2018 as this is a long term demand of credit societies. It follows the lines of Reserve Bank of India's scheme for urban cooperative banks.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Pt. Deendayal Upadhyay Credit Society Deposit Protection Scheme

The important features and highlights of this scheme are as follows:-

This scheme will protect deposits of upto Rs. 1 lakh in cooperative credit societies in the state of Maharashtra.

There are a total number of 8,421 credit societies in the state with total deposits amounting upto Rs. 40,000 crore. This scheme will provide additional protection to these deposits.

Fixed deposits of middle and lower middle class depositors will be safeguarded in these rural credit societies.

If any society faces financial crisis or goes into moratorium period, then the depositors will still get their money back upto Rs. 1 lakh.

Credit societies are demanding this protection for a long time which is now approved and will be launched by CM Devendra Fadnavis on 25 September 2018. Similar protection is already available for deposits of upto Rs. 1 lakh in banks.

This type of protection is given to urban cooperative banks by RBI's Deposit Insurance and Credit Guarantee Corporations. This scheme of state govt. will remain applicable to urban, rural (non-agricultural), women and salaried cooperative credit societies.

(adsbygoogle=window.adsbygoogle||[]).push({});

Credit societies functions as micro-finance institutions and serves lower middle class, small shop owners and labourers, who falls in lower-income groups. The state govt. will invite application forms from credit societies to participate in the scheme starting from 26 September 2018.

The state govt. of Maharashtra is going to implement Slum Rehabilitation Scheme across the state. Under this scheme, Siddha Group, Kolkata Based Firm will make an investment of Rs. 12 billion for development of its second housing project in Mumbai under Slum Rehabilitation Scheme. Till date, Siddha group has delivered around 6,000 units and construction is ongoing in 4 cities – Kolkata, Mumbai, Jaipur and Bengaluru.

Govt. will provide pakka houses to the poor people living in slums through Slum Rehabilitation Authority (SRA). Till date, SRA is only available in Mumbai, Pune and Nagpur like metro cities but it will extend across the state.

As per the report of state housing department, houses for slum in Mumbai and other metro cities are being developed through SRA. SRA Authority will be extended to other locations of the state as well. Through this, SRA can provide pakka houses to poor people and redevelop slums.

(adsbygoogle=window.adsbygoogle||[]).push({});

**Maharashtra Slum Rehabilitation Scheme – Siddha Group Housing Project**

PM Narendra Modi is going to realize the vision of “Housing For All by 2022”. All the newly developed houses would be given to those people who doesn’t possess their own houses. Govt. wants that poor people must have roof of their own. A new policy will be framed and is going to be approved in cabinet meeting.

Extending SRA in all other small cities will benefit to the people in large extent. SRA is going to expand the additional floor space index such that the particular project becomes feasible for the developers.

Various land owners have been asked to come forward and to develop their land. Land owner will not have to pay a single penny and government will invest all the money. Land owner will get 35% of the total project profit and remaining 65% will be retained by the government. Govt. will construct the maximum number of houses which will possess the dual benefit. All the house who don’t have houses will get the house and property market is also going to be remain maintained.

(adsbygoogle=window.adsbygoogle||[]).push({});

Siddha group will start new project at Wadala in South Mumbai under Slum Rehabilitation Scheme. This project will start till December 2018 and delivered by 2023 in 2 phases. Company will construct 1700 units for slum dwellers and another 750 units for sale in 7 acre project. The total project of the cost would be around 12 bn and funds will be available through internal accruals and construction finance from banks / NBFCs.

**Siddha Group to Invest 12 bn on Housing Project**

In next 2 to 3 months, company would raise funds to meet construction cost. Siddha Group has not fixed selling price but it will be aggressive. This is company’s 2nd project in Mumbai under Slum Rehabilitation. Another 2 acre project is already undergoing at Kandivali where around 400 units are going to be constructed for slum dwellers and 256 units for sale to homebuyers.

This project was launched in March 2017 and is going to be delivered by June 2021. For this project, a total investment of Rs. 3.25 billion would be made. Siddha group has launched this project at Rs. 10,500 / sq.ft and now rate is 12,500 / sq.ft. Sales are going good and the company has already sold 60% of total units. Siddha Company has already completed 26 projects in Kolkata comprising of 5 million sq ft development. 7 projects are underway in this city with 15 million sq ft of development. Siddha group develops 2 million sq ft and constructing 2 million sq ft in Jaipur. In Bengaluru, company has completed 1 small project of 50,000 sq. ft

Maharashtra govt. has decided to provide Skimmed Milk Powder for Class 1st to 8th School Students under School Nutrition Scheme on a pilot basis. All the primary school students will be given 600 gm nutrition rich milk powder for 3 months to ensure better health. Each School will distribute skim milk powder packets to the students on a designated day named "Skim Milk Powder Distribution Day".

There will be 3 packets where each packet will be for 1 month and comprises of 200 gm powder. This scheme will ensure good health for Class I to VIII school going primary students. Moreover, this pilot project will also provide a huge relief to the Dairy farmers as the milk production is surplus in the state for FY 2018.

School Education and Sports department has issued resolution on 23 August 2018 to implement School Nutrition Scheme in Maharashtra.

(adsbygoogle=window.adsbygoogle||[]).push({});

**Maharashtra Skimmed Milk Powder for Class 1st to 8th Students**

All the students studying in Class 1st to 8th and their parents would get 3 packets of Skimmed Milk Powder totalling to 600 gm for 3 months. Parents need to reconstitute milk from the given powder and must feed it to their school going children. 200 gm milk powder every month will account to 2 to 3 teaspoons of powder for milk everyday.

This pilot project for Skimmed Milk to Primary School Students will be launched in all schools. However, this scheme will exclude schools under Brihanmumbai Municipal Corporation limits as these schools possess central govt.-promoted school nutrition programme is already existing.

(adsbygoogle=window.adsbygoogle||[]).push({});

Other political parties are consistently opposing this move as 200 gm packet may not be sufficient for the entire month. In case the child needs to have a glass of milk for 2 times in a day, then this amount of skimmed milk powder will be insufficient. Reports of Economic Survey 2017-18 (Page 177) of Maharashtra suggests that there are 1,06,527 primary schools (Std I to Std VIII) with total student enrollment of 15,909. Out of these students, around 7,450 students are girls. **Maharashtra School Nutrition Scheme for Primary Students**

Schools will distribute skimmed milk powder packets to primary school students in presence of School Management Committee. At distribution event, schools will also tell the parents about how to reconstitute milk from that milk powder. Govt. will also ensure that schools will only distribute milk powder produced in the state itself.

The state govt. has decided to implement this School Nutrition Scheme on a pilot basis for 3 months. This year, milk is produced in surplus quantities in the state of Maharashtra. So, the govt. has made an announcement that on 10 July 2018, milk or milk powder will be given as a supplement to the School Nutrition Scheme.

Govt. has studied Ksheera Bahgya Yojana implemented by the Karnataka government. A committee headed by the additional chief secretary of the school education department will monitor the implementation of this Skimmed Milk Powder Scheme for Class 1st to 8th Students. Education director of primary education will be the coordinating officer for this pilot project.

India's First Plastic Buyback Scheme for PET Bottles & Milk Pouches  
Background

Dairy Issues in Implementation of Plastic Buyback Scheme  
Maharashtra govt. is going to implement India's First Plastic Buyback Scheme. Under this scheme, customers will get money from the retailers on handling PET bottles and Milk Pouches back to the store to ensure recycling of Plastic waste. Previously, govt. has imposed complete ban (with certain exemptions) on the manufacture, usage, sale, transport, handling and storage of plastic across the state.

The state govt. will also introduce a similar mechanism for tetra packs and retail packaging in the next 3 months. This buyback depository scheme is already existing in 40 countries across the world. This scheme will be helpful in reducing generation of plastic waste across the state.

Under Maharashtra Plastic & Thermocol Products Notification 2018, it is compulsory for manufacturers to take full responsibility for collection & recycling infrastructure for plastic.

(adsbygoogle=window.adsbygoogle||[]).push({});

India's First Plastic Buyback Scheme for PET Bottles & Milk Pouches

Under this scheme, manufacturers have the responsibility to recycle PET bottles and milk pouches. Moreover, they will have to levy a refundable charge to ensure that the buyers return all plastic bottles / pouches to the stores or at collection machines. But, manufactures have still not submitted their plans on how to implement this scheme. The scheme has high deposit rates, shortage of recycling capacity and lack of incentives for recyclers which is a major challenge.

Maharashtra Plastic Buyback Scheme

Recycling Mechanism is a condition to obtain licence which manufacturers are not implementing strictly. All those manufacturers who violates this condition will have to face consequences. State govt. has fixed Rs. 50 paise as a refundable deposit for milk pouches and Rs. 1-2 for PET bottles.

(adsbygoogle=window.adsbygoogle||[]).push({});

Plastic Ban in Maharashtra – Background

Maharashtra govt. has imposed a ban on the plastic across the state. All the products which are banned or not are shown in the image below:-

Maharashtra Plastic Products Ban

The state govt. exempted PET bottles of 200 ml and more capacity and milk pouches from the near-all plastic ban after manufacturers agreed to take responsibility for disposal of plastic waste.

Dairy Issues in Implementation of Plastic Buyback Scheme

A 500 ml bottle costs 60 paise and the recycler has to refund Rs. 2 to consumers. There is an assumption that people would start manufacturing empty PET bottles and dump them in these machines. This would give them a profit of Rs. 1.40 per bottle.

Plastic Buyback Scheme Dairies Issues

This policy is continuously being revised. Govt. is inviting suggestions from all stakeholders. This scheme will be effectively implemented when recycler also generates profits.

Labour Department, Maharashtra is going to launch Gopinath Munde Sugarcane Labourers Social Security Scheme 2018. Now this welfare scheme will provide financial security and also raise the living standards of cane workers. This scheme will benefit 8 lakh labourers working in sugarcane cutting, harvesting and transportation activities in 168 private and cooperative sugar factories.

Sub-Committee formed by Legislative Assembly suggested that the govt. should make sugar factories as the principal employer and cane labourers as employees in the factories. So, the entire cane labour will be able to benefit of Employees Provident Fund (EPF) etc.

Previously, Labor Dept. has proposed to set up a new Sugarcane Labourers Welfare Board in the name of late Gopinath Munde for cane labourers. But now, the Labour Dept. has decided to implement a new scheme instead of welfare board.

(adsbygoogle=window.adsbygoogle||[]).push({});

### Gopinath Munde Sugarcane Labourers Social Security Scheme 2018

Legislative Assembly forms a new sub-committee which also suggests that the dept. should impose charges on the factories for the welfare schemes of labourers. The important features and highlights of this Social Security Scheme are as follows:-

This scheme will establish a new relationship between sugar factories and cane workers as employer and worker. Under this scheme, all the labourers will be able to receive Social Security Benefits like EPF just like other employees. Maharashtra state cabinet has approved this proposal in December 2017 and will implement it from July 2018. Govt. will also offer additional benefits like educational, health, housing and others to the sugarcane workers. The total estimated cost for the successful implementation of this scheme is around Rs. 20 crores.

The state govt. will ensure that this scheme does not face the issues of lack of funds, shortage of officials to reach out cane workers as happens in other schemes for the unorganized workers. As per the report, the suggestion to take levy from factories will force the factories to look after cane labourers properly and with more dignity.

(adsbygoogle=window.adsbygoogle||[]).push({});

The primary objective is to ensure significant improvement in the living standards of 8 lakh cane workers engaged in either sugarcane cutting or harvesting or transportation activities.

Maharashtra government will launch a New Policy for Affordable Housing under the Public Private Partnership (PPP) model. Under this new PPP Policy, the state govt. will become authorized to acquire land parcels in the Mumbai Metropolitan Region from the private land owners to complete their affordable housing projects under Pradhan Mantri Awas Yojana (PMAY).

The primary objective to launch this policy is to give a boost to the housing sector in the Mumbai Metropolitan Region (MMR). Govt. is working consistently towards the fulfillment of construction works of 20 lakh houses in the states till FY 2020. Out of these total number of houses, 5 lakh houses are in Mumbai while there are around 10 lakh houses in MMR.

The state govt. will acquire the lands in MMR which includes the state's capital Mumbai and its satellite towns. The officials will table this new PPP Policy before the cabinet in the next 8 to 10 days.

(adsbygoogle=window.adsbygoogle||[]).push({});

Maharashtra New Policy for Housing – PPP Model

The draft of the new PPP Policy for MMR comprises of 2 most important features as described below:-

All the land owners who possess a land holding of more than 100 acres and are unable to develop a big project will have to either sell their land to the govt. or partner with the govt. to develop that land.

In case the state govt. acquires the land, then the land owners will get compensation from the govt. as per the existing reckoner rate or can get homes by the state govt.

The state govt. feels the need for this new policy as there are various large land parcels with an area upto 100 to 500 acres in the MMR region where owners does not have finances to develop their land. Moreover, if these owners develop their land into big projects, they can just get an FSI of 1 or at-most 2.5. On these FSI, they also have to pay premium.

(adsbygoogle=window.adsbygoogle||[]).push({});

So, govt. is going to bring this new PPP Policy to benefit the owners as well as to provide affordable housing to the poor people. Maharashtra Housing and Area Development Authority is now selected as the single nodal agency to monitor the affordable housing under Pradhan Mantri Awas Yojana.

The Maharashtra state govt. is planning to introduce “Direct Benefit Transfer Portal” (DBT) to collect the data from farmers regarding their loan. The farmers can register themselves on the portal and they have to fill all details for their loan waiver.

The Maharashtra DBT portal is aimed at ensuring simpler and faster flow of funds to genuine beneficiaries and cut frauds. The new DBT portal would be developed on the lines of existing central portal. Recently, the farmers’ agitation in Maharashtra was demanding for mercy on their loan. The state govt. has announced over Rs. 36,000 crore loan waiver to relief the farmers.

#### Objective of DBT Portal

The objective of DBT portal would be to cover all farmers in the state and provide a relief from the burden of loan and increase their income.

(adsbygoogle=window.adsbygoogle||[]).push({});

Farmers who are not eligible for loan waiver scheme

The farmer whose income is at least 15,000 per month and are registered for paying taxes or have a secondary source of income.

Farmers who are elected on the board of district co-operative banks, agricultural produce marketing committees and sugar co-operative mills.

Every farmer who register for the loan waiver will put on their individual Aadhar numbers and other information about land records and income. This information will ensure that he or she does not fall in any of these categories.

(adsbygoogle=window.adsbygoogle||[]).push({});

The co-operation department estimates nearly 89 lakh farmers as beneficiaries under the newly announced loan waiver scheme. According to official notification, Govt. will contract a private company to run the process that collect all details regarding the Farm Loan Waiver.

#### Required Details of Beneficiaries

Loan account and details of the bank from where the loan is availed.

Requirement of land records.

This scheme will undoubtedly improve the financial condition of farmers and brings down the number of suicide cases in the Maharashtra.

The state government of Maharashtra has announced a new scheme for to increase the farmer's income. Named as "Advanced Farming – Enriched Farmers", the scheme aims to double the income of farmers by increasing the output and cutting the cost of production. The scheme will be launched from the upcoming Kharif season in the state.

The farmers in the state are also demanding loan waiver from the government but instead the government has announced the scheme which will help farmers increase their income. An announcement of such a scheme for doubling the income of farmers was made in the financial budget 2017-18 of the state in March 2017.

**Advanced Farming – Enriched Farmers**

Under the Advanced Farming – Enriched Farmers scheme, the state government would declare each tehsil of the state as a unit which will be used for planning on agri-development. Following are the main tasks which will be performed under the scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Increasing the production of major crops in the state.

Diversification of the crops.

Making farmer's aware of the marketing techniques.

Generating a unit among farmers through farm producer companies.

Making farmers financial stable.

Mechanisation of farming on tractors, machines for polishing, grading and packing of produces, power tillers and transplanters would get 60% more funds which will be transferred directly to the bank account of the farmer linked with Aadhaar.

The state government would also run a campaign named as "Farmer Outreach Campaign" under the scheme between 25 May and 8 June 2017. In the campaign, the farmers would be informed about the latest techniques which can be used during the Kharif season to increase productivity and efficiency.

(adsbygoogle=window.adsbygoogle||[]).push({});

Under the scheme, each unit will be given a target to produce more crops so that the income generated by the farmer's is more than the amount of loan taken by them.

More detailed information would be available once the scheme is launched in the state of Kharif season.

The revamped mega health insurance scheme of state government of Maharashtra has been re-scheduled to launch on 21st October. Rajiv Gandhi Jeevandayee Arogya Yojana (RGJAY), which was revamped as the Mahatma Jyotiba Phule Jan Arogya Yojana (MJPJAY) in August, was scheduled to be launched last Saturday but the deadline has been missed. The reasons of the delay are some technical and administrative reasons as reported by the asianage.com. Under the revamped Mahatma Jyotiba Phule Jan Arogya Yojana (MJPJAY) will provide insurance for over 1100 ailments instead of 900, as was the case in the earlier scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

However, the doctors in the state civil hospitals are still working as per the older RGJAY scheme. The complete details about the scheme would be available once the scheme is launched.

Maharashtra govt. has approved a new High Voltage Distribution System Scheme to provide electricity connection to farmers. This HVDS Scheme will ensure proper power supply to farmers for efficient utilization of agricultural pumps. This govt. scheme will benefit around 2.24 lakh farmers in the state who are still waiting for new power connections.

Mahavitaran – State power distribution utility is going to take a loan of Rs. 2500 crore for HVDS Scheme. Maharashtra govt. will be the guarantor for this loan amount. Now farmers will get high voltage electricity without tripping effects. To reduce electricity losses, govt. will launch "One Farmer One Transformer" Scheme.

At present, Maharashtra govt. provides eight hours electricity supply to farmers on a daily basis. For this, there are approx. 700 feeders. But now, the state govt. has decided to launch High voltage distribution scheme to provide more electricity to farmers. HVDS Scheme will cost Rs. 5048 crore to the state exchequer.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### High Voltage Distribution System – HVDS Scheme

Till date, villages and farms share a common electricity connection for agriculture purposes which does not ensure adequate power supply to farmers. Maharashtra govt. is going to launch One Farmer One Transformer Scheme to provide separate electricity connections for villages and farms. For now, govt. has launched HVDS Scheme whose details are as follows:-

Govt. has approved High Voltage Distribution System (HVDS) Scheme to provide electricity connections and to ensure proper power supply to farmers for agriculture.

Now every 2 farmers will share a single transformers through HVDS lines under this scheme.

This scheme will reduce the line losses from 50% to 15% in some places.

Maharashtra govt. will launch this scheme on 15 August 2018 and on the same day, govt. will start providing transformers upto 31 March next year.

In the current scenario, around 10 to 15 farmers receive electricity through 65 to 100 Kilovolt-Ampere (kVA) lines. This leads to low voltage electricity and power tripping due to defects in transformers.

The state govt. has made budgetary allocation of Rs. 600 crore for Marathwada and Vidarbha Regions.

Moreover, Mahavitrans will also avail loan of Rs. 2500 crore for which state govt. will act as guarantor.

Under HVDS Scheme, the total expenditure for a single agricultural pump is expected to be approx. 2 lakh.

In the past few years, Maharashtra has become self sufficient in electricity and there is no power shortage.

Govt. has already achieved 23,100 MW electricity production capacity to provide uninterrupted power supply.

With this capacity, there are no complaints on load-shedding for industrial, residential and commercial customers.

(adsbygoogle=window.adsbygoogle||[]).push({});

As on 1 April 2018, there are around 45 lakh farmers who have not paid their electricity bills worth Rs. 13,198 crore. So, the state govt. wants them to pay at least Rs 5,000 each to be able to strengthen the transmission system. Even the state govt. has stopped disconnecting electricity connections for the bill defaulters.

As a pro-farmer govt., around 4 lakh farmers have already received agricultural pumps connections in the previous 3 years. Each agricultural connection costs around Rs. 1.5 lakh. So, the state govt. is making all possible efforts to raise the standards of living of poor farmers.

(adsbygoogle=window.adsbygoogle||[]).push({});

Maharashtra govt. is going to launch Free Chemotherapy Facility Scheme for cancer patients. Health department will make this facility available at district level for free cancer treatment in maharashtra from June 2018. In the first phase, 10 districts namely Nagpur, Gadchiroli, Pune, Amravati, Jalgaon, Nashik, Wardha, Satara, Bhandara and Akola will possess these facilities at district hospitals. After successful roll-out of this scheme in these 10 districts, govt. will include all the remaining districts in the next phase. There is no restriction on anyone to get this facility absolutely free of cost. Latest Update – The first phase of Maharashtra Cancer Treatment Scheme will start from 1 July 2018.

(adsbygoogle=window.adsbygoogle||[]).push({});

This scheme will surely bring a reduction in the deaths occurring in the state due to cancer disease with high chemotherapy cost.

Free Chemotherapy Facility Scheme – Features

The important points regarding the launch of this free cancer treatment scheme in maharashtra are as follows:-

(adsbygoogle=window.adsbygoogle||[]).push({});

Maha Govt. will launch this scheme to provide chemotherapy absolutely free of cost to help the poor and needy ones.

The name of the 10 districts for first phase are – Nagpur, Gadchiroli, Pune, Amravati, Jalgaon, Nashik, Wardha, Satara, Bhandara and Akola.

This facility will start at the district hospitals of 10 districts from the month of June this year.

All the Physicians and nurses at district hospitals will be given a 3 week training at “Tata Hospital” in Mumbai in the month of May.

Moreover, all the patients will get a 6 week course in Tata Hospital. All the patients needs to come to Mumbai every week for this course.

For minimizing the problems faced by the patients while travelling to Mumbai, Health dept. will provide these facilities at the district level also absolutely free of cost.

Once the Free Chemotherapy Scheme is successfully implemented in these 10 districts, then govt. will launch this scheme in the remaining districts of Maharashtra.

Need For Free Chemotherapy Scheme

As per the reports of National Cancer Patient Registration Programme, around 11 lakh new cancer patients are detected across the country. If we add the old cancer cases with the newly detected cases, then the total number of cancer patients reaches to 28 lakh per year.

All those people suffering from this dangerous disease cannot afford the chemotherapy cost. Around 5 lakh patients die every year due to cancer. So, govt. has taken this initiative to provide chemotherapy absolutely free of cost.

Maharashtra govt. has launched Asmita Scheme for women & girls. Subsequently, govt. will provide sanitary pads to girls in rural areas at extremely lower prices. This scheme will promote hygiene and cleanliness among women during their menstruation period and also improve their health.

This scheme is to prevent the asmita (pride) of women and thus will result in "Women Empowerment".

Accordingly, Asmita Scheme will reduce the dropout rate in the state. This Maharashtra govt. scheme will benefit all the female students between 11 to 19 years of age to maintain personal hygiene.

Latest News – Maharashtra govt. has launched a new portal for Asmita Scheme –

mahaasmita.mahaonline.gov.in. Now people can make voluntarily contribution (minimum Rs. 182.40) & become an Online Asmita Sponsor through this link – [Click Here](#)

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Maharashtra Asmita Scheme – Details

The important features and highlights of this scheme are as follows:-

Govt. will provide 8 small sanitary pads at just Rs. 24 and larger sized pads at Rs. 29.

Subsequently, all the girls studying in Zilla Parishad Schools can avail these packages at Rs. 5.

For this reason, govt. will launch an app for the distribution of pads in rural areas.

Asmita scheme will reduce the number of dropouts among schoolgirls.

It is essential as the women which does not maintain menstrual hygiene are more susceptible for reproductive complication.

Under this scheme, all the female child between 11 to 19 years of age which remain absent for around 50 to 60 days per year during their menstruation period.

To tackle these problems, govt. will create awareness among girls and women in order to lead a healthy life.

Asmita Scheme will help woman and girls to maintain personal hygiene. Govt. will focus on making affordable sanitary pads available to female in rural areas.

Rural Development Department will act as a nodal agency to distribute sanitary napkins to women.

Govt. will implement this scheme with the help of Women Self-Help Groups. The primary objective is to increase the percentage of women using sanitary pads which currently stands at 17%. Due to shortage of sanitary napkins, the girls tend to miss schools.

(adsbygoogle=window.adsbygoogle||[]).push({});

Thus Asmita Scheme will help girls in maintaining hygiene and thus will lead to reduction in reproductive complications. Furthermore, govt. is also going to create awareness about the scheme.

The State government of Maharashtra is going to launch “Chief Minister Agricultural Solar Feeder Scheme” or “Mukhyamantri Saur Krishi Vahini Yojana” in the state. Under the scheme, the government will provide solar feeders to ensure 12-hour power supply for agro pumps across the state. The objective of the scheme is to provide power to farmers for at least 12 hours a day at cheaper rates.

According to the notification, the government has informed that the earlier distribution of portable solar pumps had not worked out properly because of insufficient response from the farmers of the state.

Therefore, the government is now planning solar power generation through small plants.

Initially, the solar power will be distributed to only dedicated feeders. Currently, the government is implementing solar power generation projects in Solapur and Latur on Public Private Partnership basis.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Maharashtra CM Agricultural Solar Feeder Scheme

The farmers of the Maharashtra state will get cheap and assured electricity across the state through solar feeder scheme in next three years. Recently, the CM of Maharashtra performed the Bhumipujan (ground breaking ceremony) for first solar project under the ‘Chief Minister Agricultural Solar Feeder’ scheme at Ralegan Siddhi.

#### Agricultural Solar Feeder Scheme

Moreover, the govt. is going to install the solar power plants to ensure continuous supply of electricity in all weather to the farmers. The farmers will get electricity at Rs. 1.20 per unit. The tender process for this scheme is completed and solar panels installation process of 500 MW will be completed by March 2018.

Govt. will officially launch Mukhyamantri Saur Krishi Vahini Yojana in the month of April 2018.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Mukhyamantri Saur Krishi Vahini Yojana

The state government is going to obtain agricultural land from farmers on rent for the duration of 15 years for the installation of the solar power panels. Solar Power is a renewable source of energy and available at affordable rates. Therefore, government is giving more focus on setting up of solar panels across the state. The Mukhyamantri Saur Krishi Vahini Yojana will help in reducing input cost and enhance production of agriculture product.

The state government of Maharashtra has launched Chief Minister Krishi Sanjivani Yojana – 2017 or Mukhyamantri Krishi Sanjivani Yojana amnesty scheme for 41 lakh farmers of the state. The objective of this amnesty scheme is to give forgiveness for those farmers who are unable to pay their energy bills. Through this scheme, the state government will recover dues of Rs. 10,890 crore from 41 lakh farmers. According to the Energy department, govt. will waive the penalty and interest of Rs. 8,164 crore on the farmers of the state. Total pending electricity bills of Rs. 19,272 crore will be recovered through the Chief Minister Krishi Sanjivani Yojana.

In addition, the farmers who have failed to pay their pending electricity bills since 2012 will get huge benefits under the scheme. However, the benefit of Mukhyamantri Krishi Sanjivani Yojana will be available only if each consumer including farmers pay their present energy bill.

(adsbygoogle=window.adsbygoogle||[]).push({});

Chief Minister Krishi Sanjivani Yojana – 2017

The state government has appealed that each farmer has to pay their present bill within seven days to avail the scheme benefits. If the farmers fails to pay their dues then their electrical connection will be disconnected. The energy department did not disconnect the electricity connections of farmers for last three years hence, the pending amount has reached the alarming stage.

The Power holding company of the state has failed to purchase the electricity and provide it at minimum rates. Therefore, the state government has launched Chief Minister Krishi Sanjivani Yojana to recover Rs. 10,890 crore dues from 41 lakh farmers.

(adsbygoogle=window.adsbygoogle||[]).push({});

Furthermore, the state government has admitted that the farmers who have their pending bills below Rs. 30,000, they can pay their balance in five installments. Farmers with pending bill amount of above Rs. 30,000 can pay their balance in ten installments.

Mukhyamantri Krishi Sanjivani Yojana – Installments

Farmers with up to Rs. 30,000 of dues can pay their pending bills as follows –

First installment – December 2017

Second installment – March 2018

Third installment – June 2018

Fourth installment – September 2018

Last or fifth installment – December 2018

The farmers who have to pay their pending bills above Rs 30,000, can pay their dues in an interval of 45 days in 10 installments. Moreover, If the farmers fail to avail the benefit of Mukhyamantri Krishi Sanjivani Yojana amnesty scheme, then they have to pay the pending dues along with interest and penalty. The department will establish several special camps for the farmers to create the awareness about the clear their dues under the scheme.

Moreover, the government has informed that each farmer of the state will get a solar power from next year under Chief Minister Saur Krishi Vahini Yojana. By using solar power, the farmers will get electricity at lesser rates. Subsequently, an identified group of 200 farmers will get 1 MW solar power while a group of 4,000 farmers will get 20 MW solar power. Therefore, the government will acquire land on rent from farmers for next 15 years for the installation of the solar power panels.

Chief Minister Krishi Sanjivani Yojana 2017

According to the notification, the state government has distributed electricity meters to 24.41 lakh farmers while 15.41 lakh farmers have received the power connection without meter.

In 2013, the state government of Maharashtra launched a scheme named “Manodhairya Yojana” for providing monetary aid to victims of rape, child sex abuse and acid attacks. Since then, the state government has been providing monetary compensation to such victims from Rs. 2 to Rs. 3 lakh.

Recently, the Maharashtra government has increased the monetary compensation for victims from Rs. 3 lakh to Rs. 10 lakh under the Manodhairya Yojana. However, the amount to be paid as compensation would depend upon the crime faced by the victim.

Though the compensation has been increased by Rs. 7 Lakh, the highest compensation would only be provided to those women and children who suffer from complete mental or physical disability after sexual assault or rape. In case of acid attack, the maximum compensation would be provided only if the face of the victim or any body parts sustain the visible damage.

(adsbygoogle=window.adsbygoogle||[]).push({});

#### Manodhairya Yojana in Maharashtra

This scheme makes many provisions regarding compensation for the relief of victims in emergency situation and providing set up support services such as counseling, medical aid and legal aid etc.

However, the state government has capped the monetary aid offered to rape and child abuse survivors at Rs. 1 lakh. In some cases, the government can offer the vocational training for victims to persuade them to be financially independent.

(adsbygoogle=window.adsbygoogle||[]).push({});

A district level relief and rehabilitation board under the district collector as a chairman has been implementing the scheme in their respective districts across the state.

In 2013, out of all, highest number of cases registered for rape, acid attack and sexual assault on women were reported were in Maharastra (13827) by the National Crime Records Bureau (NCRB).

According to the official notification, the government is providing free plastic surgery of the acid attack survivors at government hospitals in the state. The government is going to construct a district and the state legal services committees to approve the expenditure of such treatment.

It becomes the responsibility of the government to provide safety to women throughout the country. The Government should endeavor to provide and put in place effective mechanism to provide safe environment for women across the country.

Maharashtra govt. has announced to provide Karj Mafi to all the small and marginal farmers who have defaulted on their loans taken between FY 2001-09. Now under CSMSSY 2018 (Farm Loan Waiver Scheme), govt. will include around 4 lakh more farmers. These farmers have not taken the benefit of loan waiver scheme of FY 2008 and also were not included in the Chhatrapati Shivaji Maharaj Shetkari Sanman Yojana.

Previously, CSMSSY Debt Waiver Scheme only included the loans taken by the farmers between FY 2009 to 2016. Moreover, the state govt. is also giving second chance to the farmers who have not registered yet can make new user registration and apply for complete Karz Mafi.

The last date for closure of registration is now set at 20 May 2018. So, interested candidates can make online registration at the official website [csmssy.in](http://csmssy.in)

#### CSMSSY 2018 for Loan Defaults of FY 2001-09

Maharashtra govt. has started the Chhatrapati Shivaji Maharaj Shetkari Sanman Yojana to waive off loans to farmers taken between the FY 2009 to 2016. But there are certain small and marginal farmers who are still not covered under CSMSSY Scheme. These farmers still have to lead a miserable life. So, the state govt. has decided to include these farmers also in the CSMSSY 2018.

All the farmers who have not availed the previous loan waiver scheme of 2008 and are also not included in the current CSMSSY 2018 Scheme will now get a chance. To avail this chance, all the farmers needs to make online registration at the official loan waiver / karj mafi portal “[csmssy.in](http://csmssy.in)

(adsbygoogle=window.adsbygoogle||[]).push({});

All the farmers who have made registration will have to wait till the time their documents and loan statement is verified by the authorities. After successful verification, farmers will be able to check their name in the CSMSSY Green List 2018. The total number of beneficiary farmers who will avail this loan waiver is around 4 lakh however the exact number of beneficiaries are still not known.

#### Other Decisions in the Cabinet Meeting

The other important decisions includes the following things:-

“ Maharashtra govt. will set up a labour insurance society to provide medical service to the labourers / workers.

“ For this reason, the state govt. will transfer the Rs. 1200-1300 crore fund (received from centre) to the proposed society to finance the insurance scheme.

Maharashtra Government has launched Self Redevelopment Scheme for Flat Owners. Subsequently, this scheme will help the flat owners of the housing societies to redevelop and renovate their old buildings. Accordingly, this redevelopment scheme will facilitate flat owners to complete high quality work in a given time period with necessary suggestions.

This housing society scheme is a major initiative of the Mumbai District Cooperative Bank. Accordingly, residents will not have to face problems of the developers and builders to carry forward their redevelopment project. Banks will provide easy loans to carry out the construction activities.

Under this scheme, MHADA (Maharashtra Housing and Area Development Authority) and BMC (Brihanmumbai Municipal Corporation) will work in coordination to give permissions and other house related approvals easily.

(adsbygoogle=window.adsbygoogle||[]).push({});

### Maharashtra Self Redevelopment Scheme

The important features and highlights of this redevelopment scheme are as follows:-

Maharashtra govt. has launched Self Redevelopment Scheme to provide loans to flat owners to rebuild, redevelop and renovate their houses.

Banks will provide funds and required deposit amount to the flat owners.

For this reason, MHADA and BMC officials will form a Single-Window System which will speed up the process of getting permissions and approvals.

MHADA and Mumbai District Bank will conduct workshops for flat owners to make them aware about the self-redevelopment loan policy and necessary permissions.

Moreover, MHADA authorities along with the civic bodies will create a panel which will consist of architects, consultants and contractors. These members will work in coordination to benefit the flat owners of the housing societies.

This govt. scheme will enable the flat owners to carry out redevelopment of their flats without involvement of any builder. The flat owners can choose any architect, consultant and contractors as per their choice.

Moreover, the builders prove to be a hurdle in the redevelopment process of the flats.

This Self Redevelopment Scheme will facilitate speedy redevelopment process who wants to renovate their homes. As per the initial reports of banks, more than 2000 redevelopment projects are still blocked due to the builder leaving the project mid way.

(adsbygoogle=window.adsbygoogle||[]).push({});

Maharashtra govt. has approved at-least 500 projects till now. Furthermore, flat owners can apply to the banks as an alternative for delayed redevelopment.
