The direct link to download Gujarat Vahli Dikri Yojana 2020 application / registration form is given here – <https://instapdf.in/vahli-dikri-yojana-application-form-gujarat/>. The Gujarat Vahli Dikari Yojana online registration form will appear as shown below:-

Gujarat Vahli Dikri Yojana Application Form PDF

All the applicants can download this Gujarat Vahli Dikri Yojana application form in PDF format and can enter all the necessary details accurately. Upon entering all the details, applicants would be able to “Submit” it to the concerned authorities for further approval. After the Vahli Dikri Yojana registration form gets approved, applicants will start receiving the amount directly into their bank accounts.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat Vahli Dikri Yojna 2020 – Amount Benefits

The amount to 1st and 2nd daughters of family would be given in the following manner:

When Will Assistance be Transferred	Details	Amount under Vahli Dikri Yojana
Enrollment in Class 1st	Early Intervention Part	Rs. 4,000
Enrollment in Class 9th	Late Intervention Part	Rs. 6,000
Attaining 18 years of Age	Wedding or Higher Education	Rs. 1,00,000

Vahli Dikri Yojana is going to reduce the dropout rate of girls from education and would also prevent child marriage. As soon as the Vahli Dikri Yojana application / registration form are out, we will update it here.

Gujarat Vahli Dikri Yojana Eligibility

Gujarat Vahli Dikri Yojana is going to improve the birth rate of girls and will strengthen the socio-economic status of the girls in society. All the applicants must fulfill the following eligibility criteria to become eligible for Vahli Dikri Yojana:-

Applicant must be a permanent resident of Gujarat state. The girls must belong to a poor family with annual income of less than 2 years.

Gujarat Vahli Dikri Yojana

This is a first of its kind initiative in the state of Gujarat for daughters of poor families.

Gujarat Govt to launch ‘Vahli Dikri Yojana’ today – a big stride towards ensuring bright and promising future for the daughters of the state pic.twitter.com/s7eb9u8HeS— CMO Gujarat (@CMOGuj) August 2, 2019

Similar Schemes like Vahli Dikari Yojana in Other States

Various other states are implementing similar type of schemes for girls:-

Rajasthan – Raj Shree Yojana (2016) Maharashtra – Majhi Kanya Bhagyashree (2016) West Bengal – Kanyashree Prakalpa (2013) Haryana – Ladli Scheme (2015) Karnataka – Bhagyashree Scheme Madhya

Pradesh – Ladli Laxmi Yojana (2006)

Vahali Dikari Yojana – An another initiative of the Gujarat Govt, ensuring necessary measures to support at all the stages of women's life cycle pic.twitter.com/ImBxuiKLsv— CMO Gujarat (@CMOGuj) August 19, 2019

This scheme will prevent female foeticide, promote education of girls and provide a substantial sum to fund higher education and wedding of girls.

Gujarat CNG Sahbhaagi Yojana Registration / Application Form for New CNG PumpsGujarat CNG Sahbhaagi

Yojana FeaturesGujarat Govt. Decision to Promote PNG

Gujarat government is inviting online application forms for CNG Sahbhaagi Yojana at www.cngsahbhaagi.com.

Now all the people who want to setup new CNG Pump Stations in Gujarat can apply online for CNG Sahayog Scheme. CM Vijay Rupani cabinet has decided to open another 300 CNG stations in the next 2 years.

Interested people can make CNG Sahbhaagi Scheme online registration and fill application form to setup their own CNG pumps under franchisee and OMC-dealer models.

The state govt. of Gujarat has liberalised the norms to setup CNG stations of Gujarat Gas Company Ltd (GGCL) and Sabarmati Gas Ltd (SGL). The one time deposit to avail a connection of Piped Natural Gas (PNG) for families having an annual income of Rs 2 lakh has also been relaxed.

All the people who wants to open the CNG Pumps of the above mentioned 2 companies under Gujarat govt. can apply online for CNG Sahbhaagi Yojana.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat CNG Sahbhaagi Yojana Registration / Application Form for New CNG Pumps

Here is the complete online registration / application process for CNG Sahbhaagi Yojana (CNG સહભાગી યોજના 2019 ઑનલાઇન નોંધણી / અરજી ફોર્મ) to setup new CNG Pump stations in Gujarat:-

Firstly visit the official website at cngsahbhaagi.com

At the homepage, click at the “પ્રથમ વખત વપરાશકર્તા ? નોંધણી કરો” link as shown below:-

Apply Online CNG Pump Station Gujarat

Afterwards, the Gujarat CNG Sahbhaagi Yojana online registration form will appear as follows:-

Gujarat CNG Sahbhaagi Yojana Registration Form Online

Here candidates can enter details accurately and click at “Register” button to complete the online registration process.

Afterwards, people can make login to fill the online application form for new CNG Pump Station in Gujarat.

Till date, there are 542 CNG stations in the state which are opened in the past 23 years. Now in the next 2 years, another 300 refilling will come up under CNG Sahbhaagi Yojana to ensure wider and speedier availability of CNG. All the existing operators of CNG stations of GGCL and SGL will not be required to adhere to any additional compliances.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat CNG Sahbhaagi Yojana Features

The important features and highlights of CNG Sahbhaagi Yojana in Gujarat are as follows:-

There would be a Joint partnership model for CNG stations in urban municipal areas and highways.

There will be 2 types of CNG stations which will come up under either CNG franchise model and PSU-OMC dealer model.

Under the PSU-OMC dealer model, online CNG station (through pipeline) or daughter booster CNG station (without pipeline) are covered.

Companies are going to provide main equipment to start new CNG stations in Gujarat.

Applicants will have to perform Civil work as well as NOC.

It is important to note that the ownership of land is compulsory for applicant to setup new CNG Pump Station in Gujarat.

To know more details, visit the official website at www.cngsahbhaagi.com website.

Gujarat Govt. Decision to Promote PNG

Gujarat govt. has planned to increase the number of users of PNG from existing 13.5 lakh to 18 lakh by FY 2022. In order to realize this, the one time deposit amount for families whose annual income is upto Rs. 2 lakh is reduced to Rs. 1,000. Moreover, the families whose annual income is above Rs. 2 lakh will have to deposit Rs. 5,000.

The consumption of natural gas in Gujarat has increased from 40 lakh standard cubic meter per day (SCMD) to 80 lakh SCMD per annum. The state government is consistently promoting CNG and PNG as green fuels in order to reduce carbon emissions. Out of the existing 542 CNG stations in Gujarat, 330 are of GGCL and SGL. Gujarat has around 31% of nearly 1,762 CNG stations across the country.

Gujarat Bhulekh 7 12 (Satbara) Utara 2019

The 7/12 is an extract from the land register which is maintained by Gujarat & Maharashtra in India. The important features of Gujarat Bhulekh 7/12 are as follows:-

7/12 extract provides info. on survey number of land, name of land owner, cultivator, area of land, type of cultivation (irrigated or rain fed) and crops planted in last cultivating season.

Gujbhulekh also keeps a track record of the loan extended to land owner given by govt. agencies. This

includes the details like loans or subsidies for buying seeds, pesticides or fertilizers for which loan was given, loans given to owner or cultivator.

Gujarat land records document provides evidence of ownership of land it represents. In rural areas, people can establish ownership of particular plot of land on the basis of 7/12 extract as it is "Record of Land Rights".

Gujarat Bhulekh 7/12 name originates from Bombay Land Requisition Act 1948 (Point 7 – Continuance of requisition and Point 12 – Power to obtain information).

Gujarat Land Records Information System Benefits

The online land records information system in Gujarat has the following benefits:-

GLRIS helps to create an e-governance environment in rural areas.

Farmers and land holders can get computerized copies of Records of Rights (ROR) at payment of nominal fee.

For mutation request process, workflow has been established.

Apart from talathi, a new source of revenue records has been created which ensures greater transparency and minimized tampering of land records.

GLRIS has helped in land-related litigation cases and MIS data could be used in land reforms and future planning.

Land records information system has reduced the efforts of other stakeholders to validate and use land records. This has made the administration process easy of other land related department like acquisition, grant etc.

e-dhara Web Bhulekh Gujarat

e-dhara Web Bhulekh in the state of Gujarat enable access and maintenance of village land records in an easy, transparent and secure manner. The main objective is to convert physical village land records into electronic records. Gujarat e-dhara web bhulekh will automate maintenance and updation of village land records in a secure manner. For e-dhara web bhulekh details, click the link given below:-

<https://gil.gujarat.gov.in/edhara.html>

e-Dhara Kendras (e-DKs) have been setup at Taluka Mamlatdar offices to provide access and to update land records in a scalable manner. Day to day activities of land records such as mutations and issue of Record of Rights (RoR) is being implemented. Even farmers can get RoR copies from the village panchayat itself.

Gujarat Web Bhulekh Login

Bhulekh software in Gujarat has good Land Records Management Information System (MIS) capabilities.

The data can be queried for the following purposes:-

Mutation Application

Entry Status

Tenure Statistics

Land Use Statistics

Land type statistics

Tenant details

Crop details

Irrigation details

Agriculture Census

Web Bhulekh login is also searchable by Khatedar name, khata number, survey number, farm name and so on. First In First Out (FIFO) has also been introduced on different stages of mutation within Bhulekh Software for better performance. For more details, visit the official website at <https://anyror.gujarat.gov.in/>

Gujarat Saraswati Sadhana Yojana 2019Sarasvati Sadhana Yojana 2019 BeneficiariesGujarat SC Girls Free Bicycle Scheme 2019

Gujarat govt. has decided to implement Saraswati Sadhana Yojana 2019 for girls. Under this scheme, all the girls belonging to the Scheduled Class category and studying in class 9th will get free bicycles under Sarasvati Sadhana Yojana. Department of Social Justice & Empowerment is the nodal dept. to successfully implement this free bicycle scheme for SC girls in Gujarat.

Saraswati Sadhana Yojana (SSY) in Gujarat aims to promote enrollment of girls belonging to the age group of 14 to 18 years at secondary and senior secondary level. This scheme will reduce drop out rate of girls from deprived sections of the society.

Here we are going to tell the need, impact and coverage of beneficiaries of the Sarasvati Sadhana Yojana in the Gujarat state.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat Saraswati Sadhana Yojana 2019

Secondary education (10th class) is a crucial stage in education as it lays the foundation of students towards higher education and even towards working. As per the survey reports, most of the girls belonging to deprived sections of the society left education due to lack of proper facilities. So, in order to encourage girls from SC community to pursue further studies, the state govt. of Gujarat has launched Saraswati Sadhana Yojana 2019 to provide free bicycle to SC girls studying in Class 9th in govt. / govt. aided schools.

Sarasvati Sadhana Yojana 2019 Beneficiaries

Only those girls who are studying in 9th standard are eligible. The annual income of the parents of the SC girl from all sources must not exceed Rs. 1,20,000 for rural areas and Rs. 1,50,000 for urban areas to become eligible for Sarasvati Sadhana Yojana in Gujarat. It is important to note that only those girls who fulfills both these conditions would get free bicycles.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat Sarasvati Sadhana Yojana aims to improve the gross enrollment ratio for class IX. This scheme would promote girls education as the problem of lack of access, lower participation and bad quality facilities would be tackled through this Saraswati Sadhana Scheme. The status of girls education and thus the overall quality of girls education would be improved.

The scheme details are available at the official website of Department of Social Justice & Empowerment and can be accessed through the link given below:-

<https://sje.gujarat.gov.in/dscw/showpage.aspx?contentid=1762&lang=english>

Gujarat SC Girls Free Bicycle Scheme 2019

The evaluation studies of the Free Bicycle Scheme for SC girls in Gujarat said that this scheme is a boon for the girl students. Saraswati Sadhana Yojana in Gujarat would increase enrollment and attendance of girls in schools as these girls would now ride these cycles to reach schools.

Sarasvati Sadhana Scheme would have impact both in terms of solving / reducing the security related concerns of the girls and their parents which would raise the enrollment and attendance of girls in Class 9th.

Gujarat govt. has launched Electricity Bill Waiver Scheme to waive off the electricity dues of rural users. Under Bijli Bill Mafi Yojana in Gujarat, people living in rural areas can get back their electricity connections by paying just Rs. 500. This energy bill waiver will benefit around 6 lakh poor people. For the successful implementation of this one time settlement (OTS) scheme, govt. has allocated Rs. 625 crore.

All those consumers whose power connections were cut-off due to power theft or non-payment of bills can now avail Bijli Bill Mafi Yojana benefits. This Energy Bill Waiver Scheme will remain effective till the end of February 2019. The announcement of Electricity Bill Waiver Scheme comes a day just after the newly formed Congress govts have announced MP Kisan Karj Mafi Yojna & Chhattisgarh Farm Loan Waiver Scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat Electricity Bill Waiver Scheme (Bijli Bill Mafi Yojana)

The state govt. of Gujarat announces a complete waiver of Rs. 625 crore in unpaid electricity bills under Electricity Bill Waiver Scheme. This OTS scheme is going to benefit 6 lakh people living in rural parts of the state. Gujarat Bijli Bill Mafi Yojana will also benefit those people who had been booked for electricity theft and accordingly, lost their electricity connections.

Under energy bill waiver scheme, irrespective of the due amount (including principal amount & interest), people living in rural areas can regain their electricity connections by making payment of Rs. 500. This electricity bill waiver scheme is applicable to all the rural users either agriculture or household or commercial consumers. These consumers will not have to pay the outstanding dues for power connections as govt. has waived the entire bill amount.

(adsbygoogle=window.adsbygoogle||[]).push({});

Electricity Bill Waiver Scheme in Gujarat is going to benefit the poor people, farmers and middle class citizens living in rural areas.

In the interest of poor power consumers, the Govt of Gujarat announces the waiver of Rs.625-crore pending electricity bills of around 6.22 lakh power connections in rural areas of the state pic.twitter.com/sfAqM5LD6u
â€” Office of Vijay Rupani (@CMO_Gujarat) December 18, 2018

This is an aftermath of MP Farm Loan Waiver Scheme by Kamal Nath in which he waived off farm loans upto Rs. 2 lakh of farmers and Chhattisgarh Kisan Karj Mafi Yojana by Bhupesh Baghel in which govt. waived off short term agricultural crop loans of farmers.

SAVE AS PDF

Gujarat government has decided to double the compensation amount under Farmers Accident Insurance Scheme. Now, farmers would get Rs. 2 lakh (earlier Rs. 1 lakh) in case of accident deaths and Rs 1 lakh (earlier Rs. 50,000) for grievous injuries. Natural and Suicidal deaths are not covered under this accident insurance scheme. Instead of 73.25 lakh beneficiaries, as many as 2.49 crore people can now avail scheme benefits.

Farmers Accident Insurance Scheme was launched on 26 January 1996 and is 100% state sponsored. This scheme covers all the registered farmers in the state which may hold the land jointly or severally and their names must be included in land records. Now accident insurance scheme has been modified to include the immediate family members of farmers.

The primary objective of this accident insurance scheme is to provide assistance to the successor of the registered farmer in case of death or disability due to accident.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat Farmers Accident Insurance Scheme Modified Eligibility

The state govt. of Gujarat has doubled the compensation amount both in case of accidental deaths and permanent disability. This decision will benefit around 2.49 crore farmers and their family members out of the total 6.25 crore population in the state. The primary requirement to become eligible for compensation is that beneficiary ought to be a farmer and must follow these given conditions:-

Farmer must have land records before the start policy (31st March) to prove that he / she is a land owner. The cause of death or disability should be an accident. For this, a post mortem report is mandatory. Incidents of natural and suicidal death are excluded and in such cases, farmers are not entitled for any compensation.

Now, cases of accidental deaths and permanent disability caused while working on the field, electrocution, animal bites, accidents involving machines, falling in wells, road accidents while travelling to market yards are also covered under this accidental group insurance scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Compensation Amount for Farmers Accident Insurance Scheme

The successor of deceased farmers can avail the following benefits under Farmers Accidental Insurance Scheme:-

Particular
Benefit (Rs.)

Accidental death / 100% permanent disability
2,00,000

In case of accidentally loss of two eye or two limbs or Hand and leg
2,00,000

In case of accidentally loss of one eye and one limb
2,00,000

In case of accidentally loss of one eye or one limb
1,00,000

On an average, around 1500 farmers die every year due to the causes covered under this group insurance scheme. But with the number of beneficiaries increasing almost 4 times, the state govt. expects the number of cases to increase as well. Accordingly, govt. will have to pay a higher premium to the insurance companies every year. Till date, the state govt. was paying an annual premium of Rs. 35 crore which is likely to go upto Rs. 80 crore. Gujarat govt. has launched Seva Setu Programme Phase 4 across the state. Under this Seva Setu Yojna, govt. will reach out to its citizens at their doorstep and ensure timely redressal of their problems, requirements and queries in a smooth and citizen-friendly ways. The previous 3 phases of Seva Setu drive was a huge success in which more than 1 crore issues have been provided with solutions. Seva Setu Program Phase IV begins from 24 August 2018.

Addressing problems and concerns of people is a major issues and the state govt. taken various initiatives to resolve these queries. Several Programmes such as Lok Darbar, Swagat, Swagat Online, Apno Taluko Vibrant Taluko, Seva Setu, Jan Seva Kendra, Garib Kalyan Mela are serving as major initiatives towards good governance.

Seva Setu Program has benefited over 33.76 lakh citizens and enables them to take benefits of the programme in 118 days (From November 5, 2016 to February 28, 2017). Out of the total 33.76 lakh beneficiaries, 27, 28,904 beneficiaries are from rural areas of the state.

(adsbygoogle=window.adsbygoogle||[]).push({});

Seva Setu Programme Phase 4 in Gujarat – List of Services

Gujarat govt. has announced the State wide commencement of 4th Phase of Seva Setu Programme. This decision will ensure good governance on the basis of 4 pillars – transparency, sensibility, decisiveness and progressiveness. Camps will organized in each taluka to provide on the spot services and fast delivery to people. List of various govt. services is given below:-

Income certificate
Caste certificate

Aadhar card
Ration card

Creamy-layer certificate for OBC
Widow assistance

Land survey
Mukhyamantri Amrutam card

MA Vatsalya card
Janani Shishu Suraksha Karyakram (JSSK)

Janani Suraksha Yojana (JSY)
Samekit Bal Vikas Yojana (SBVY)

To provide resolution of several issues at village level and to spare them to make visits to taluka or district headquarters, govt. has started 4th phase of Seva Setu Programme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat Seva Setu Program Phase 4 – Projects

“Seva” Means “Help” and “Setu” means “Bridge”. Seva Setu will serve as an enabler, facilitator and bridge the gap between the provider (state / central govt. / NGOs) of schemes and the desired beneficiary (poor and needy people).

4th Phase Seva Setu Program Gujarat

To ensure transfer of benefits to people, govt. will provide last mile connectivity to people with the help of local state machinery. Various programs are bridging gaps in delivery mechanisms:-

Aam Sabhas – These are regular campaigns conducted by Seva Setu field team in villages with the aim to gather information about key issues faced by the villagers, especially in availing the facilities of various welfare & development schemes meant for them. Awareness Campaign and Group Activities are conducted.

Citizen Care – The Citizen Care service is built on telephone facility managed by “Seva Setu” team. Here people can place a call to seek support and guidance to avail government scheme benefits/ services/ information. Telephone based assistance service for prospective beneficiaries under various state & central government schemes will be provided.

Mother Care – This is a Telephone based reminder service for pregnant & lactating women. All the essential information on ante-natal, post-natal check-ups, immunizations, intake of IFA tablets is given to women. This is a simple web-based tool which reminds women of all the essential ante-natal & post-natal activities through weekly phone calls and SMSes.

Child Care – The primary objective of this program is check nutrition (from malnutrition perspective) status of children below 2 years of age. 1st phase is to detect that if the child is malnourished or severely acute malnourished (SAM). This is done on the basis of growth charts, weight & Mid Upper Arm Circumference tape. The 2nd stage involves arranging rehabilitation of SAM children at nearest Nutrition Rehabilitation Centers (NRCs).

Meri Kahani Meri Zubani – This includes true tales of struggle, sorrow, success, failure from villages. This will spread awareness, ignite a sense of responsibility for social cause and to spread hope.

Pahel – Collaborative work with the administrations of various districts in implementing various programs.

The state govt. wants that every Indian must assert his / her fundamental rights and be able to avail the benefits of government schemes that guarantee these rights.

Gujarat CM Vijay Rupani announces Urban Sanitation and Cleanliness Policy 2018. The state govt. will now focus on better management of solid and liquid waste in cities and to ensure "Garbage-free Gujarat". Under this scheme, govt. will build toilets, focus on recycling and re-use of waste, make zero waste cities, abolish manual scavenging etc in Urban Local Bodies (ULBs). Govt. will also make a system to convert solid waste into fuel to generate "green energy".

This policy will streamline collection and disposal of waste in cities and towns. Gujarat govt. will also focus on re-cycling and re-use of drainage water. Central govt. and state govt. will provide funds to ensure improvement in urban sanitation.

On the lines of National Urban Sanitation policy, this garbage free city policy is being prepared.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat New Urban Sanitation and Cleanliness Policy 2018

The important features and highlights of this Garbage Free State Policy are as follows:-

Govt. will provide proper toilet facilities in order to avoid dirt due to toilet in open. In case the individual toilets are not made, then public toilet facility will be developed.

All waste and waste water produced in Urban Local Bodies (ULBs) will undergo treatment process to make it available for re-use. This would be done as per the standards of Central Public Health and Environment Engineering Organization (CPHEEO) or according to standards of Environment and Forest Ministry.

Govt. will make "Zero Waste" cities with the help of 100% classification and storage system at commercial and residential waste sites. The main focus will be on the recycling and reuse of waste materials.

Manual Scavenging process will be abolished by eliminating manoeuvres, sewage lines and manholes.

In all Urban Local Body (ULB), natural sewers and rainwater sewage will be revived. Govt. will also lay special emphasis to ensure that waste water will not be disposed in Rainwater drain.

All ULB's will adopt public health sub-legislation and will make it a system for all cities.

ULB's will also be equipped with hygiene, environment and health.

All water resources within the limit of ULBs will be released from solid and liquid waste.

All ULBs will authorize land for development plan and local area plan for creation of infrastructure for sanitation.

Urban Sanitation Cleanliness Policy Details

Both central and state govt. will provide funds to improve urban cleanliness under New Urban Sanitation and Cleanliness Policy 2018. All the funds are going to be collected as the state sanitation fund.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat government has launched Suryashakti Kisan Yojana (SKY) on 23 June 2018. Under this scheme, farmers can use solar energy for irrigation purposes and can also sell the surplus power via grid. For installation of solar panels, farmers will only have to pay 5% of the total cost. Central & State govt. will provide subsidy of 60% while for the rest 35%, the state govt. will provide low cost loans to the farmers for 7 years.

Farmers can generate power through these solar panels and can sell it to the state government. Govt. will procure electricity at a rate of Rs. 7 per unit for 7 years while at Rs. 3.50 for the remaining 18 years. SKY scheme is expected to cover 12,400 farmers in 33 districts and will provide them with solar power through 137 feeders.

Latest Update – Gujarat CM launches the ambitious Suryashakti Kisan Yojana on 19 October 2018, a power harvesting scheme for Gujarat farmers from Bardoli. This scheme enables farmers to generate electricity by installing solar panels in their farms for their captive consumption and also earn from selling the surplus power.

(adsbygoogle=window.adsbygoogle||[]).push({});

Initially, the state govt. will implement the pilot project of solar power generation scheme with an outlay of Rs. 870 crore. To produce 1,42,000 horse power of energy for irrigation through water pumps will require 177 megawatts of solar power generation in the pilot stage.

Suryashakti Kisan Yojana – SKY Scheme in Gujarat

The state govt. has launched the pilot project and will implement this scheme soon in the entire state. Farmers will get included in the next phase. The main aim is to harness the solar energy and to put it in use to generate power. Now farmers can generate electricity and utilize it for irrigation purpose and sell the additional energy via grid. The important features and highlights of this scheme are as follows:-

(adsbygoogle=window.adsbygoogle||[]).push({});

Solar Panels Purchase Cost – Out of the total cost, farmers will only have to pay 5%. 60% would be given as subsidy amount while 35% would be given as low interest rate loans for 7 years. The loan repayment time is fixed at 7 years.

Selling Additional Power – Farmers can sell the additional power to state government. For first 7 years, govt. will purchase power at a cost of Rs. 7 per unit while govt. will purchase the power at Rs. 3.5 per unit for next 18 years.

This scheme will provide a huge relief to the farmers and will also generate additional income. Farmers will be able to recover the cost of investment within the next 8 to 18 months.

Till date, farmers are getting electricity for 8 hours for irrigation purpose. After the successful implementation of this project, farmers will get electricity upto 12 hours. Moreover, it will also resolve the concerns of farmers of getting power supply only at night.

Extra Earnings for the Govt. – Currently, farmers in Gujarat pay around 50 paise / unit for electricity supply for irrigation purposes. The state government spends about Rs. 4,500 – 5,000 crore per year as subsidy on electricity for irrigation purpose. This subsidy cost can be brought down by proper implementation of SKY Scheme.

Suryashakti Kisan Yojana SKY Gujarat

Govt. is making every possible effort to install 100 giga watts (GW) of energy capacity from solar power till 2022. This move will contribute towards the realization of PM Modi's vision of "Doubling Farmers Income by 2022".

Gujarat government has launched Road Accident Victim Compensation Scheme 2018. Under this scheme, the state govt. will provide free treatment upto Rs. 50,000 to all the road accident victims in the first 48 hours. This scheme will be applicable for all people whether resident of Gujarat or an outsider meeting road accidents in the state. Victims will be able to get admitted for treatment in any of the government or private hospital in the state.

This scheme is a major step of the state govt. to reduce the number of deaths due to accidents. Providing timely and best available treatment to the victims during the golden hour after accident will minimize the loss of life of people.

The intention of the state govt. is clearly to help people facing road accidents anywhere in Gujarat.

(adsbygoogle=window.adsbygoogle||[]).push({});

Road Accident Victim Compensation Scheme in Gujarat

The important features and highlights of this reimbursement scheme are as follows:-

Any victim of road accidents can avail free treatment in any govt. or private hospitals in the state.

All the expenses upto Rs. 50,000 of each of the accident victims in the first 48 hours in any hospital will be reimbursed by the state govt.

Along with Gujarat residents, people from other states and even from other countries facing accidents in Gujarat are also applicable for this scheme. Even there is no income criteria attached with this scheme.

The primary objective is to provide timely and best quality treatment to the victims in order to reduce the life risk as first 48 hours are crucial for accident victims.

This scheme will also change the intention of people to shift victims immediately in a govt. hospital which sometimes does not have the quality treatment facilities. Now, people can admit such victims directly into the nearby hospital (either private or govt.) with specialist doctors and other required facilities without caring about expenses.

Ambulance Operators will also be given directions to admit road accident victims in the best hospitals near the location of the place where accident took place.

Private hospitals will not charge upto Rs. 50,000 money for the first 48 hours from the accident victims instead they will get this amount reimbursed from the state govt.

Gujarat govt. is going to implement this scheme as soon as possible. In Gujarat, around 29,300 accidents take place every year out of which around 6,400 results in death of patients.

(adsbygoogle=window.adsbygoogle||[]).push({});

Providing best possible treatment in a timely manner will help in saving many lives. For this reason, govt. will provide instructions to the private hospitals to start giving free treatment and submit their bills with the officials for reimbursement.

Gujarat govt. has launched PNG / LPG Sahay Yojana to provide subsidized piped natural gas to bpl families. Under this scheme, the state govt. is going to provide a one time subsidy of Rs. 1,600 for each connection / bpl household. In addition to this, govt. will also provide a loan amount of Rs. 1725 to consumers who are seeking new PNG connections. For this Subsidized PNG to BPL families scheme, govt. has made a provision of 72 crore to provide subsidy to the beneficiaries.

If this scheme remains successful in the state than govt. will roll-out this png subsidy scheme across the entire country. PNG / LPG Sahay Scheme is an extension to the PM Modi's Ujjwala Yojana. This scheme is going to replace kerosene entirely and will provide cleaner fuel to BPL families. Gujarat is the 1st state to launch a PNG scheme for the AAY (Antyodaya Anna Yojana) and BPL (below poverty line) category households in selected urban areas across the country.

As the Ujjwala Yojana does not covers the urban AAY / BPL Households, this scheme will supplement Ujjwala Yojana. Initially, around 2.32 lakh urban AAY / BPL households will get benefits with the help of city gas distribution companies and state-owned oil marketing companies during 2018-19.

(adsbygoogle=window.adsbygoogle||[]).push({});

PNG / LPG Sahay Yojana – Subsidized PNG to BPL / AAY Families

Nitin Patil, Chief Executive Officer of the state government is the nodal officer for this LPG / PNG Sahay Yojana 2018. This new scheme will cover the left-out urban AAY / BPL households of Ujjwala yojana and will provide a cleaner fuel for domestic purposes. The state govt. has launched this scheme in the Bharuch District to replace kerosene. The important features and highlights of this new Subsidized PNG to BPL Families scheme are as follows:-

Under this scheme, the state govt. will pay Rs. 1,600 as one-time subsidy per connection. Govt. will also provide Rs. 1,725 as loan to customers to opt for a new PNG connection.

Beneficiaries will now have to pay only Rs. 118 for a new png / lpg connection. People will also have to deposit a refundable security deposit of Rs. 50 p.m for a period of 100 months.

State govt. has a pipeline network covering around 25,000 km for city gas distribution (CGD) companies which will also support the scheme. Gujarat also has 1.8 million household connected to PNG.

In the next phase of this pilot project, scheme will also expanded to other municipal corporations and districts.

New PNG / LPG Sahay Scheme 2018 is basically for BPL families in urban areas where the gas distribution network is already present.

This new policy for PNG households will give a major boost towards the cleaner cooking fuel. CM also launched various other programmes like Kabirvad Development Project (approx. 40 crore), Mukhyamantri Apprentice Yojana to provide Rs. 4500 per month as stipend (approx. 300 crore) and Sujlam Suflam Jal Sanchay Abhiyan for Water Conservation.

(adsbygoogle=window.adsbygoogle||[]).push({});

(adsbygoogle=window.adsbygoogle||[]).push({});

SAVE AS PDF

On the 58th Foundation Day of Gujarat, CM Vijay Rupani has launched Sujlam Suflam Jal Sanchay Abhiyan for water conservation. Gujarat govt. has started this campaign from the Ankleshwar Tehsil located in the Bharuch district. Under this abhiyan, govt. will create an additional capacity of 11000 lakh sq.ft of rain water storage in the next 1 month. Moreover, around 13,000 ponds and check dams will be deepened along with restoration of conventional water resources.

Water is the essential resource for the holistic development of the state. Govt. now realizes this thing and is making consistent efforts towards water conservation. CM Vijay Rupani has himself run a JCB Machine to dig out soil for the construction of pond in Kosmadi village.

Restoration of all the traditional water sources will give a boost to the economy of the state. Moreover, this abhiyan will also provide employment opportunities to the people to earn their livelihood.

(adsbygoogle=window.adsbygoogle||[]).push({});

Sujlam Suflam Jal Sanchay Abhiyan â€“ Features

The important features and highlights of this water conservation campaign are as follows:-

Under this scheme, the target is to conserve the conventional water resources and to deepen around 13,000 ponds and check dams.

This abhiyan targets to create an additional 11,000 lakh sq. ft capacity of rain water storage.

For Sujlam Suflam Jal Sanchay Abhiyan, more than 4000 JCB Hitachi Machines will be used for soil excavation.

In addition to this, around 8000 more tractors and dumpers will also be used for this purpose.

All the fertile soil coming out as a result of the deepening of ponds and check-dams will be given to the general public without a single penny of royalty.

The primary focus of this campaign is to revive 32 rivers having length of 340 km in 30 districts of Gujarat.

Even a small pond construction in kosmadi of around 27 hectares will resolve the water problem of around 25 villages.

Canals having length of approx. 5400 km and small water channels with around 580 km of length will be cleaned in this water conservation drive.

Furthermore, govt. will carry out around 10,750 water conservation and protection works under MNREGA Scheme.

Gujarat Sujalam Sufalam Jal Sanchay Abhiyan

CM also launched various other programmes like Kabirvad Development Project (approx. 40 crore), Mukhyamantri Apprentice Yojana to provide Rs. 4500 per month as stipend (approx. 300 crore) and subsidized PNG to BPL families.

The state government of Gujarat has announced Rs. 100 per 20 kg as a bonus for cotton farmers of the state. The government will provide Rs. 500 per quintal to each farmer of the state at the time of selling their cotton produce in the market. This means the farmer will get Rs. 500 extra per quintal over and above the minimum support price of ₹4,020 for small staple cotton.

However, the state government is assuming that this year production of the cotton fiber in the state will be 50.50 million quintals for Kharif season 2017. The state government will release Rs. 1,250 crore for the implementation of the scheme. The procurement process of cotton will be carried out by the State government in co-operation with the Cotton Corporation of India.

According to the official data, the total production of the cotton is 27.25 lakh hectare but this year production is stood at 26.41 lakh hectares, about 5 percent lower than the normal acreage in the State. In addition, Gujarat state is the largest producer of cotton in the country, followed by Maharashtra and Telangana.

(adsbygoogle=window.adsbygoogle||[]).push({});

The state government has announced that the bonus will be applied to the three varieties of the cotton — small staple, medium staple and long staple. Each staple has an MSP of ₹4,020, ₹4,270 and ₹4,320 per quintal respectively. Although, the current market price for cotton produces is between Rs. 4,210 and Rs. 4,700 per quintal.

The procurement process of cotton will start from November 1 at 40 procurement centers out of the 56 across the State. The farmers now will get around Rs. 4,820 per quintal after the addition value of the bonus for long staple variety of cotton.

(adsbygoogle=window.adsbygoogle||[]).push({});

Moreover, the farmers of Saurashtra districts including Surendranagar and Morbi experienced flooding situation in their district during monsoon. The government's decision of bonus for cotton hovers over and above the MSP is being welcomed by the farmers of the state.

The state government has also approved the formation of a State Crop Insurance Fund. This agency will be a part of the Prime Minister Fasal Bima Yojana (PMFBY). The state government will create huge amount under State Crop Insurance Fund with farmers' premium, Central crop insurance assistance, and State Crop insurance assistance. This amount will be used for faster disbursement of claims by the farmers.

(adsbygoogle=window.adsbygoogle||[]).push({});

SAVE AS PDF

The state government of Gujarat has announced zero percent interest loan scheme for the state farmers. Under the scheme, the state government will be providing loans to state farmers at 0% interest rate. Loans up to Rs. 3 Lakh would be provided under the scheme. The scheme was announced by the state govt. at Gujarat Gaurav Mahasammelan at Gandhinagar on 16th October 2017.

Earlier, the government was providing farm loans of up to Rs. 3 Lakh at effective interest rate of 1%. Out of the 7% of interest rate, 3% was being borne by the state and 3% by the central govt. but now, the additional 1% will also be borne by the state government to bring down the effective interest rate to zero.

The scheme will cost the state about Rs. 700 Crore per annum. The scheme will benefits about 25 Lakh farmers in the state. About 3 weeks ago, the Gujarat state government also announced to procure groundnut at Rs 900 per 20 kg against the market price of Rs 600-650.

(adsbygoogle=window.adsbygoogle||[]).push({});

Zero Interest Farm Loan Scheme

The scheme of providing farm loans at subsidized interest rates is already going on but the government has not issued any detailed guidelines about it.

However, once implemented, the scheme will prove to be of a great help for the state farmers. The scheme will further reduce the burden of interest from the farmers and will help them increase their income and eventually the income and living standard.

(adsbygoogle=window.adsbygoogle||[]).push({});

Complete details information about the scheme would be available only after it is officially launched. STAY TUNED for latest updates about Gujarat Government Schemes.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat government has launched ‘Gyankunj E- Class Project’ to promote digital literacy among primary students in all government aided schools in the state. All the primary schools will be harnesses with high class facilities across the state.

The aim of gyankunj e- class project is to provide the tablet to replace bags and books in all the primary schools and bridge the gap in education system. This scheme will be roll out by the state education department for Class VII and VIII students in the schools.

Initially, this scheme will be introduced in 2051 government schools out of 34,000 government primary schools across the state. In the first phase, 550 schools will be covered and gradually 5th to 9th class of every schools of the state will also be covered and the rest part will cover after completion of first phase.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gyankunj E- Class Project

It is a major move by the Gujarat government towards digitization of education sector to making students burden-free by replacing school bags and textbooks with tablets. Under this program, the state government will distribute tablets to Class VII and VIII students of 100 schools.

As per survey, over 3173 classrooms of 2,051 government primary schools has been selected to reconstruct the classroom. Teaching in these classroom will be done with the help of 3D effect on school’s smart boards.

(adsbygoogle=window.adsbygoogle||[]).push({});

Under the scheme, the state government will issue grant to selected schools and classrooms to create infrastructure like whiteboard, computer, projector, infra-red camera, interactive software, wireless network etc. for digital and quality education in the government schools.

Education is the base of entire human life and the learning solutions will not only help build the base but will make the education roots stronger forever. E- class project is not only an attempt to encourage quality learning but it also help the process of learning by making it effective and engaging in innovative ways.

(adsbygoogle=window.adsbygoogle||[]).push({});

SAVE AS PDF

The state government of Gujarat has launched "NAMO" or "New Avenues of Modern Education through Tablets" for college students. The aim of the scheme is to distribute e-TAB tablets to around 3.5 lakh college students at a cost of Rs. 1,000 per tablet. Under the scheme, the government will provide 7-inch NAMO e-TAB for the first year college students. The actual price of tablet is Rs. 8,000 in the market but the Gujarat government is providing tablets at only Rs. 1000 to the students, rest amount will be paid by the state govt. as subsidy.

NAMO tablet will provide all facilities like voice-calling, front / back camera, study material etc. For this scheme, the State government has sanctioned Rs. 200 crore in the budget. The government has shortlisted two companies named Acer and Lenovo for the manufacturing of the tablets. So far, 154960 students have registered for the tablets.

NAMO Tablet e-TAB for Students

The main objective of the NAMO tablet scheme is to provide tablets to the students belonging to poor and middle section of the society. It will strengthen the hands of students and help them concentrate on their studies.

(adsbygoogle=window.adsbygoogle||[]).push({});

The tablet is being provided to those students who has passed class 12th and secured college admission. The motive of the scheme is to help the students with technological tools to access the internet for educational purposes.

This scheme is a part of the Mukhyamanti Swavlamban Yojana and the interested and eligible students can apply for the tablets under the scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Interested student have to apply for tablets in their respective college at the time of admission. The students have to pay Rs. 1000 in college as the cost of the tablet. The college authority will maintain the record of applications for the tablets. After completing the all procedure, the college authority has to coordinate with the concerned department of Govt. of Gujarat for the distribution of tablets to the students.

The state government department will provide the NAMO e-TAB for the applied students to the college. This tablet will help the students in a great way in acquiring knowledge at global level.

Subsidy under Rooftop Solar Plant Scheme

Application Forms for Rooftop Solar Plant Scheme

List of Empaneled Channel Partners

Gujarat and Solar Energy Mission

Gujarat state government is inviting applications for its Residential Rooftop Solar plant scheme in the state. The government has already received 15,000 application under the scheme. The purpose of the scheme to motivate the people to choose for green energy. As per the scheme, the participants will get fixed amount against power generated through solar panels on their rooftops.

Under the scheme, the state govt. had made special provision in its budget and earmarked 35 crore covering 20,000 beneficiaries for the year 2017-18.

Subsidy under Rooftop Solar Plant Scheme

The cost of installation of residential rooftop solar power plant of 1KW is Rs 69,000. Under the Scheme, Centre gives Rs. 20,700 to individual for setting up a rooftop solar panel plant of 1KW capacity. The state government increased the assistance by Rs 10,000 per KW, with the maximum amount of Rs 20,000 per beneficiary.

(adsbygoogle=window.adsbygoogle||[]).push({});

Gujarat Energy Development Agency (GEDA) would be responsible for distributing subsidy cheques to the beneficiaries of the scheme.

Objective of Rooftop Solar Plant Scheme

The project is aimed at fighting with the climate change issue and motivate to develop the green energy.

(adsbygoogle=window.adsbygoogle||[]).push({});

Interested candidates can submit the dully filled application form to the Gujarat Energy Development Agency (GEDA) in Gandhinagar along with the registration fee.

List of Empaneled Channel Partners

The state government has selected 87 channel partners to implement the rooftop solar systems across the state. Below is the link to access the complete list of empaneled channel partners.

http://geda.gujarat.gov.in/pdf/solar_rooftop_producers_list.pdf

Gujarat and Solar Energy Mission

Under national solar mission, The central government has set the target of generating 1 lakh MW grid connected solar power by 2022. Gujarat state has given the target of generating 8,024 of which 3,200 MW would be grid-connected power. Annual range of insolation in Gujarat is 5.82 kWh/m²/day. The state government has total installed capacity of 1,300MW including captive and commercial solar power plant, but rooftop power accounts for hardly 30MW. However, State government is using fully capacity to achieve the target at given.

For more information about the rooftop solar plant scheme in Gujarat, please visit the official website of GEDA at <http://geda.gujarat.gov.in/>

SAVE AS PDF

Gujarat Government has launched the Ujala Gujarat Yojana for distribution of energy saving LED bulbs across the state. The Ujala Gujarat Yojana has been launched under the central government's Ujala Yojana scheme at a function in Vadodara.

Objective of Ujala Gujarat Yojana

The state government has set a target of providing LED bulbs to 1.21 Crore households across the state in next one year. The main objective of the scheme is to encourage people to adopt sustainable energy options to save and reduce energy costs and consumption.

Under the Ujala Gujarat Yojana, the state government will provide LED bulbs to the state residents at a subsidized rate. The LED bulbs under the scheme will be available at Rs. 80-85 per piece to the domestic consumers while LED bulbs will be sold at Rs. 90 per piece to industries.

(adsbygoogle=window.adsbygoogle||[]).push({});

A single LED bulb can save upto Rs. 315 a year and installing LED's throughout the home can save a lot to the domestic consumers. The provided bulbs under the scheme will come with 3 year replacement warranty. The LED bulbs will consume only 7-8 watt of energy and provide luminosity of 900 lumens.

The state government plans to distribute about 12 Crore LED bulbs to 1.21 crore households within next one year under the Ujala Gujarat Yojana. One household will get a maximum of 10 LED bulbs in the first phase and the amount will be charged in 8-10 installments through the electricity bill.

(adsbygoogle=window.adsbygoogle||[]).push({});

How to buy LED bulb under Ujala Gujarat Yojana

The consumers can buy the LED bulbs by showing monthly electricity bill or ID cards.

The scheme will not only help save cost to the consumers but also contribute to the energy security of India.

Objective of Mukhya Mantri GRUH Yojana
Mukhya Mantri GRUH Yojana for EWS Category
Mukhya Mantri GRUH Yojana for LIG Category
Scheme for Incentive to Private EWS and LIG Housing
Application Forms for Mukhya Mantri GRUH Yojana

Mukhya Mantri GRUH Yojana where GRUH stands for "Gujarat Rural Urban Housing" is an affordable housing scheme especially designed for home seekers belonging to EWS and LIG category of the society. Mukhya Mantri (Gujarat Rural Urban Housing) GRUH Yojana was announced during 12th Five-year plan in consideration of growing need for affordable houses in urban areas.

Objective of Mukhya Mantri GRUH Yojana

The main objective of the scheme is to rehabilitate slums in urban areas of the State by the year 2018. The government is committed to provide affordable housing to EWS (Economically Weaker Section) and LIG (Lower Income Group) across the state.

Mukhya Mantri GRUH Yojana for EWS Category

Under the Mukhya Mantri GRUH Yojana, the Gujarat government will provide pucca house to every slum dwelling family and family belonging to economically weaker sections. The minimum carpet area of houses for economically weaker sections will be 25 sq. meters and maximum will be up to 30 sq. meters which will include two rooms, kitchen, bathroom and toilet.

(adsbygoogle=window.adsbygoogle||[]).push({});

Existing slums in metropolitan, municipal and development authority areas will be rehabilitated by constructing houses in the same place (in situ). Slums which cannot be rehabilitated in the same place will be relocated on government/ULC/ULB/GHB land.

Eligibility/Selection Criteria of EWS Beneficiaries

(adsbygoogle=window.adsbygoogle||[]).push({});

The beneficiaries under the GRUH Yojana will be selected on the basis of any two of the four criteria which includes electricity bill, voter ID card, slum survey or ration card.

Allotment of EWS houses under this program will be made to the beneficiaries whose annual family income is less than Rs. 1,00,000/-

No family member should have either plot or house in that city and applicant should be adult on the date of application.

The beneficiaries of slum rehabilitation should be living in slums on or before the Cut-off date of 1/12/2010.

Allotment of the houses will be done through the computerized lottery draw.

Registration of Houses will be done on hundred rupees stamp paper.

All the allotted houses should be registered jointly in the name of husband and wife and wife will have first right.

Financial Assistance

Slum rehabilitation schemes approved by the Central Government will be financed by the Central Government, State Government, local urban bodies and beneficiaries as follows.

Central Government – 50% of the project cost

State Government and Urban local bodies – 38%

Beneficiary contribution – 12% (Beneficiary will contribute Rs. 35,000/- (thirty five thousand) or 12% of cost of house whichever is more.)

Loan facility will be provided to the eligible beneficiary by the implementing agency. Allottee beneficiary will not be permitted to sell or let out allotted house for 15 years. In case of breach of this condition allotment of

house may be cancelled by implementing agency. The ownership of land will remain with urban local bodies.

How to apply

Applications from potential beneficiaries will be collected before beginning project. Housing projects will be built under self-financed scheme. Deposit to be made along with application is Rs. 7,500/- (Rupees seven thousand five

hundred only) for EWS, category.

Mukhya Mantri GRUH Yojana for LIG Category

The state government will encourage and help affordable housing projects for people in lower income group (LIG) to meet the growing need for affordable houses in urban areas.

The minimum carpet area of houses for people in lower income group will be 31 sq. mtrs and maximum will be up to 50 sq. mtrs which will include one bedroom, hall, kitchen, bathroom and toilet.

Eligibility/Selection Criteria of LIG Beneficiaries

The selection of LIG beneficiaries under the scheme will be made on the basis on income. The annual family income of the LIG candidates should fall between Rs. 1,00,000/- to Rs. 2,50,000/-

No family member should have either plot or house in that city and applicant should be adult on the date of application.

Allotment of the houses will be done through the transparent computerized lottery draw.

Registration of all the beneficiaries with UIDAI (Unique Identification Authority of India) shall be mandatory.

Municipal Corporations and Municipalities will carry out this activity.

All the allotted houses should be registered jointly in the name of husband and wife and wife will have first right. Concessions in stamp duty will be as per prevailing norms.

Financial Assistance

Under this scheme, amount payable by beneficiary, shall be amount remaining after deduction of subsidy per unit of house or Rs. 7.50 lakh (Rupees Seven Lakh and Fifty Thousand only) to Rs. 11 lakh (Rupees Eleven Lakh only) whichever is less. Implementing agency will coordinate with bank to facilitate loan for beneficiaries.

Allottee beneficiary will not be permitted to sell or let out allotted house for 7 years.

How to apply

Applications from potential beneficiaries will be collected before beginning project. Housing projects will be built under self-financed scheme. Deposit to be made along with application is Rs. 20,000/-(Rupees twenty thousand only) for LIG, category.

Under this scheme one person can submit only one form for single project. However, for different projects separate applications can be made and on being successful in draw in more than one scheme then he will be entitled to get, allotment only in one of the scheme.

Scheme for Incentive to Private EWS and LIG Housing

The state government will also provide interest subsidy to the EWS and LIG applicants on home loan to make the homes even more affordable and easy to buy.

Eligible Beneficiaries purchasing houses under private affordable EWS / LIG housing schemes will be eligible for this subsidy. Banks, Private developers and implementing agency will jointly select beneficiaries.

Under this scheme, the beneficiaries of EWS and LIG category will have to make a minimum down payment of Rs.50,000/- and Rs. 1,00,000/- respectively.

The scheme will be run under the Urban Development and Urban Housing Department. The complete details in the PDF format about the scheme can be obtained from here.

After the official launch in Ballia, Uttar Pradesh on May 1 by PM Narendra Modi, Pradhan Mantri Ujjwala Yojana is all set to be launched in the state of Gujarat. The PMUY free LPG connection scheme will be launched by BJP chief Amit Shah and Union Minister Dharmendra Pradhan on 15th May in Gujarat.

The launch event of the scheme will take place in tribal-dominated Dahod district in central Gujarat. The scheme is aimed to provide free LPG connections to 5 crore BPL households in the country. The 8000 crore scheme will be partly funded by the money saved in LPG subsidies through PM Modi's "Give-it-Up" campaign. In Gujarat alone, 4.40 Lakh people have chosen to give up the LPG subsidy after the appeal made by PM Narendra Modi.

Dahod district has the lowest percentage of LPG connections across the state, hence it has been selected for the launch ceremony of the Ujjwala Yojana.

(adsbygoogle=window.adsbygoogle||[]).push({});

Under the PMUY LPG scheme, the central government will provide a financial support of Rs. 1600/- for each LPG connection to BPL household. The cooking gas will not only help reduce the cost of cooking but also help protect health of women and children.

Under the Ujjwala LPG scheme, the subsidy amount of LPG cylinder refill will be transferred to the Jan Dhan bank account of the women beneficiary. The eligible applicants can apply for PM Ujjwala scheme by going to their nearest LPG distributor.

(adsbygoogle=window.adsbygoogle||[]).push({});

The application forms for Ujjwala Yojana can either be downloaded online or obtained for free from the LPG distributor in your city.

Gujarat Government has launched “Mukhyamantri Nidan Yojana” in the state of Gujarat. The scheme aims to provide quality medical test and diagnostic services for free of charge. The scheme was launched and started on 7th April, “World Health Day”

Objective of Mukhyamantri Nidan Yojana

Under the Mukhyamantri Nidan Yojana, free medical test and diagnostic services will be available across 9,156 sub health centers, 1,342 primary health centers, 331 community health centers, 33 sub district and 22 district hospitals and 16 medical colleges across the state.

According to the Chief Minister, the arrangements are made to avail most of the tests in PHCs and CHCs. The facilities of diagnosis and laboratory tests will be available at government hospitals, hence, people need not to go to private healthcare institutions.

(adsbygoogle=window.adsbygoogle||[]).push({});

Most common medical tests including blood test, urine test, blood group test, kidney, jaundice, diabetes, typhoid tests will be available at govt facilities for free under Mukhyamantri Nidan Yojana. The scheme will be implemented by the health and family welfare department of Gujarat.

Types of medical tests covered under Mukhyamantri Nidan Yojana

Clinical Pathology

Urine Analysis

Clinical Pathology

Biochemistry

Microbiology

Radiology

Cardiology

All the laboratory tests are totally free under the scheme at all Government Hospitals in the state.

Pradhan Mantri Awas Yojana â€“ Gramin (PMAY-G) has finally been launched by the Prime Minister Shri Narendra Modi in Agra on 20th November 2016. Under the PM Awas Yojana Gramin affordable housing scheme, central government aims to develop 3 Crore homes by the year 2022 in rural areas for poor families including BPL. PMAY-G is the revamped version of Indira Awas Yojana which was renamed earlier this year with some pro-poor changes in the scheme. Housing units under the PMAY-G scheme are already being offered to the beneficiaries in rural areas across the country. Pradhan Mantri Narendra Modi also handed over the allotment letters to the beneficiaries during the launch event.

The minimum area of home under the new scheme has been increased to 25 Square meter (267 Square foot) from 20 Sq.Mt. in earlier scheme.

(adsbygoogle=window.adsbygoogle||[]).push({});

Government has also released the scheme logo and a video

<http://iay.nic.in/netiay/Video/PMAYGLaunch.mp4>

The objective of the scheme is to provide homes to every Indian by the year 2022. Pradhan Mantri Awas Yojana â€“ Gramin will be implemented across the country except Delhi and Chandigarh. The immediate target of PMAY-G is to construct 1 Crore affordable homes in rural areas by the year 2018-19.

(adsbygoogle=window.adsbygoogle||[]).push({});

Financial Assistance Under PMAY-G

The central government would be providing a financial assistance of Rs. Rs. 120,000 in plain areas and Rs. 130,000 in eastern, hilly and IAP areas to the beneficiaries. Along with this, an additional Rs. 12000 will also be provided to build toilet to each beneficiary under the Swachh Bharat Mission. The beneficiaries will also be provided daily wages of up to 90-95 days (Rs. 18000) through MGNREGA.

Hence, the total financial assistance amount will be 1 Lakh 50 thousand for plain areas and 1 Lakh 60 thousand for eastern, hilly and IAP areas. Interested beneficiaries can also avail a loan of upto Rs. 70000 from any of the nationalized banks for the construction of home.

Selection of beneficiaries under the Pradhan Mantri Awas Yojana â€“ Gramin will be done on the basis of SECC-2011 data. The government has also launched AwaasApp for beneficiaries to know the status of their application, funding or share the progress of construction.
